GRADE-LEVEL PARENT NIGHTS

11/12th: September 17
9th/10th September 24

Early Dismissal
September 23

Senior Saturday
September 26

Mission Statement:

***Our mission at
Destrehan High
School is to
provide a
community of teach-
ing and learning in
which all students
will continuously
improve to
become
responsible,
contributing
members of
society.***

Friends of DHS

VOLUME 20, NUMBER 1

SEPTEMBER 2020

Greetings from Mr. Madere:

The tradition of Destrehan High School has been one of academic excellence. To maintain this tradition our staff at Destrehan High strives to educate the 'whole child' - providing opportunities for participation in challenging academic clubs and extracurricular programs stressing teamwork, discipline, class, and character.

As a graduate of Destrehan High School, I feel honored to lead this school as principal. I believe DHS has always been the 'flagship' institution of St. Charles Parish, and I will strive to make DHS the best high school in the state. Our faculty and staff are committed to providing an environment where all students feel comfortable and safe; where teaching and learning is our core business, and academic excellence is the standard.

We're proud of what we are accomplishing at DHS, but we will always strive to become better. Our theme for the year is "**Resilience + Perseverance = Unlimited Possibilities,**" and our DHS faculty will strive to model this motto as we encourage our students to make a difference, and prepare for a successful future. However, this can only be accomplished with all stakeholders taking responsibility for the task. Our Destrehan community will only operate at optimum levels with the support of parents and the surrounding community. With this in mind, please make it a habit to *communicate with* or *visit* our school. In addition, we are asking for your involvement in the process of meeting our goals for academic excellence this year. Here are some suggestions as we all work towards this goal:

Be sure to encourage your child to take some time to study at home.

Be sure that your child is

familiar with our **TLC** (The Learning Center) after school program – a program designed to offer additional help by our teachers in after school hours. Don't wait until it's too late. Have your child utilize this program *immediately* if they begin to struggle in a class. This year, TLC is offered in-person and virtually, but appointments must be made. Visit the Academics sections of our website for more information on TLC!

Support your child by encouraging him/her to be at school and, in turn, attend and participate in school events and activities that involve your child.

Check our Parent Portal daily for real-time access to your student's grades.

Visit our website *frequently* and review the important information that can be found on this site, including our **Wildcat "ROARS" COMMUNITY EXPECTATIONS**, our online **'Bullying Form'** and other important information found under the **'Quick Links'** section of our school's website. Check the **"Full" calendar** on the website for upcoming events, and visit your child's **Teacher Webpages**. Be sure to consistently discuss the information found on these sites with your child.

Finally, ask your child about school every day, and communicate any concerns you may have with us.

Let me conclude by thanking you for your continued support. It's important that you, a Wildcat parent, know you are a crucial part of the DHS school community; and it's imperative that we (administration, teachers, students, and parents) all communicate frequently and be on the 'same page' as we strive to make the 2020-2021 school year one where 'Teaching and Learning' is the concentration, and excellence in education is the norm.

"Resilience + Perseverance = Unlimited Possibilities."

Senior Saturday

Senior Saturday will held on campus on September 26. Members of the Class of 2021 will have the opportunity to make preparations for their senior year. Students should check the Senior Class Google Classroom for their designated visiting time, and should bring several checks since there will be different stations for them to visit.

Counselor News:

The DHS Counselors welcome parents to a new year! We look forward to you viewing our parent night presentation on September 17th. You are encouraged to meet with your child's counselor during this year to review and sign his/her five year plan. You may make appointments by calling the counselor secretary, Mrs. Gigi at 985-764-9872. You may also email counselors at the following addresses.

A - D : Mrs. Amanda Bourgeois –
 abourgeois1@stcharles.k12.la.us
 E – K : Mrs. Bonny Maisie –
 bmaisie@stcharles.k12.la.us
 L – Robertson: Ms. Latricia Blain –
 lblain@stcharles.k12.la.us
 Robi – Z: Ms. Robin Valerius –
 rvalerius@stcharles.k12.la.us
 Special Assignment: Mrs. Carla Shelton
 cshelton1@stcharles.k12.la.us

We are very happy to be working with the senior class again this year. Our job as senior counselors is to help guide students in making academic and behavioral choices in high school that will assist them in their post secondary endeavors and future career plans. College and career information will be available to students throughout the year.

There is a tremendous amount of information that will be shared with seniors and parents. Therefore, every other Wednesday morning, a bulletin will be shared for seniors in google classroom with important information. Seniors should read it and share it with their parents. The bulletin has general information, college/career information, scholarship information, and important upcoming dates. It is your child's responsibility to read the bulletin and keep up-to-date with senior information. The senior bulletin is also posted on the school's website.

We hope all seniors have a great senior year. We are here to assist them in any way we can and we encourage each of them to make an appointment to see us to discuss their future plans. To make an appointment, see Mrs. Gigi, the counseling secretary, before or after school or at lunch. We look forward to meeting all seniors and helping them to make this a special year.

Senior Parent Night presentation was placed on the schools website for viewing. Information concerning post-

secondary opportunities, TOPS, ACT, graduation requirements and other important topics was discussed. We will also conduct "Planning My Future" classroom presentations for seniors in September. We will be discussing how to choose a career, how to choose a post-secondary school (2 or 4 year college, technical college, trade school, etc), how to apply to school, scholarships (including TOPS) and many other important topics.

Since we are not hosting an in person College Fair this school year as recommended by LACRAO, we are directing students to register for the NACAC college fair using the link below. In addition, we are asking students to sign up for virtual fairs at colleges they are interested in because most colleges are hosting their own virtual fair. <https://www.nacacfairs.org/virtual>
 Fair dates are: Oct. 12: 1-9 p.m. ET, Oct. 18: 12-8 p.m. ET, and Nov. 8: 2-10 p.m. ET year.

Homework Assistance Offered Through State Library of Louisiana

The State Library of Louisiana offers homework assistance services to parents and students at www.homeworkla.org. Homework Louisiana offers free online tutoring and academic resources from Tutor.com for Louisiana residents from kindergarten students through adult learners. Get help in math, science, social studies or English from a live tutor. The services can be accessed from a Louisiana public library, your home computer or your mobile device.

Don't miss out on preserving your child's high school memories! Order the yearbook NOW!

Attention Parents:

The DHS newsletter is available on the DHS website. If you would still like to receive a newsletter at your residence, please fill out the information below, cut it out, and mail to:

Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

Stay at least 6 feet
(about 2 arms' length)
from other people.

Cover your cough or sneeze with a
tissue, then throw the tissue in the
trash and wash your hands.

When in public, wear a
cloth face covering over
your nose and mouth.

Do not touch your
eyes, nose, and mouth.

Clean and disinfect
frequently touched
objects and surfaces.

Stay home when you are sick,
except to get medical care.

Wash your hands often with soap
and water for at least 20 seconds.

If Your Child Is Sick

What can I do if my child gets sick?

Talk to your doctor early if you are worried about your child's illness.

Make sure your child gets plenty of rest and drinks enough fluids.

If your child is 5 years or older and does not have long-term health problems and gets flu symptoms, including a fever and/or cough, consult your doctor as needed.

Children younger than 5 years – especially those younger than 2 years – and children with certain long-term health problems (including asthma, diabetes and disorders of the brain or nervous system), are at high risk of serious flu complications. Call your doctor or take your child to the doctor right away if they develop flu symptoms.

What if my child seems very sick?

Even healthy children can get very sick from flu. If your child is experiencing the following emergency warning signs, you should go to the emergency room:

- Fast breathing or trouble breathing
- Bluish lips or face
- Ribs pulling in with each breath
- Chest pain
- Severe muscle pain (child refuses to walk)
- Dehydration (no urine for 8 hours, dry mouth, no tears when crying)
- Not alert or interacting when awake
- Seizures
- Fever above 104°F
- In children less than 12 weeks, any fever
- Fever or cough that improve but then return or worsen

- Worsening of chronic medical conditions

This list is not all inclusive. Please consult your medical provider for any other symptom that is severe or concerning.

How long can a sick person spread flu to others?

People with flu may be able to infect others from 1 day before getting sick to up to 5 to 7 days after. Severely ill people or young children may be able to spread the flu longer, especially if they still have symptoms.

Can my child go to school, day care, or camp if he or she is sick?

No. Your child should stay home to rest and to avoid spreading flu to other children or caregivers.

When can my child go back to school after having flu?

Keep your child home from school, day care, or camp for at least 24 hours after their fever is gone. (The fever should be gone without the use of a fever-reducing medicine.) A fever is defined as 100°F (37.8°C)* or higher.

*Many authorities use either 100 (37.8 degrees Celsius) or 100.4 F (38.0 degrees Celsius) as a cut-off for fever, but this number can vary depending on factors such as the method of measurement and the age of the person.

www.cdc.gov/flu/protect/children.htm
 or call 800-CDC-INFO

Flu Information

The Flu:

A Guide for Parents

Influenza (also known as flu) is a contagious respiratory illness caused by influenza viruses that infect the nose, throat and lungs. Flu is different from a cold, and usually comes on suddenly. Each year flu viruses cause millions of illnesses, hundreds of thousands of hospital stays and thousands or tens of thousands of deaths in the United States.

Flu can be very dangerous for children. CDC estimates that between 6,000 and 26,000 children younger than 5 years have been hospitalized each year in the United States because of influenza. The flu vaccine is safe and helps protect children from flu.

Control and Prevention

ROARS Expectations

At DHS, we are proud to say that although our students come and go, tradition never graduates. One of our enduring traditions is our ROARS Expectations. These are the values we want all members of the Destrehan High School family to emulate.

Respect Everyone. Everyone at DHS is committed to our students' success. We ask students to respect faculty, administration, and staff for the work they do to create a successful learning environment, to respect each other as they share this time together at school, and to respect themselves - trust themselves to be able to succeed, and to reach out for help if it is needed.

Optimize Learning - Actively Participate in Classes. Athletes want to compete, not watch from the sidelines. Performers want to be onstage, not waiting in the wings. Students should take part in their classes and take control of their learning.

Attendance and Timeliness are Essential. We cannot learn if we are not in class. Whether on campus or at home, we need to be present and on time to maximize our education.

Responsibility - Be Prepared Every Day. We wouldn't expect a surgeon to show up for an operation without scrubs, or a carpenter to arrive at a worksite without tools. We need to make sure we have what we need to succeed.

Success - Dress for it. Being properly dressed for school eliminates distractions and gets you ready to learn.

Meet these expectations, and soon you will be a proud graduate of Destrehan High.

TLC LOCATIONS AND TIMES

TLC opened for Fall 2020 on Monday, September 14, with live and virtual sessions.

All LIVE sessions will take place in the upstairs B-Building. LIVE sessions start precisely at 2:30 in the upstairs B-Building. Please Be On Time!

Mondays & Tuesdays 2:30 – 4:30 LIVE and VIRTUAL sessions Sign up by noon to reserve your spot and activate a session. If no one signs up, there will be no session, virtually or LIVE.

LIVE Sessions - Testing / WiFi

LIVE Sessions – Math (all subjects)

LIVE ACT English & Reading (Tuesdays only 2:30-4:30 – Ms. Ulrich's room)

VIRTUAL Math, including ACT Math upon request (Time TBA)

Equal Opportunity Statement

In compliance with Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973, this Educational Agency holds the following policy:

This is an equal opportunity school and is dedicated to a policy of non-discrimination in employment or training. Qualified students, applicants or employees will not be excluded from any course or activity because of age, race, creed, color, sex, religion, national origin or qualified handicap. All students have equal rights to counseling and training.

ASBESTOS NOTICE

Notice: In 1986 all asbestos materials were identified in all school buildings. A management plan was developed for each school as per the Asbestos Hazard Emergency Response Act (AHERA). The management plan is located in a binder in the main office of each school. The binders are available for review upon request.

Since the plan was developed, most of the asbestos has been removed. In a few buildings, some floor tile still remains that contains asbestos. All of the schools meet the health requirements that pertain to the regulation. If you have any questions concerning this topic, please contact Kevin Barney, Director of Physical Plant Maintenance at 985-331-3600 between the hours of 7:00 a.m. and 4:00 p.m.
