Introduction

The St. Charles Parish Public School System prides itself in developing empathetic, involved, productive, and responsible citizens by providing every student high-quality educational opportunities that empower each to become enthusiastic lifelong learners. Governed by an eight-member school board, the school system believes educating our youth is a shared responsibility of the schools, students, families, staff, local governmental agencies, higher education, and the business community.

The St. Charles Parish Public School System is guided by long-range goals planned in three-year increments. During the 2022-2023 school year, system-based teams comprised of board members, district and school-based employees, industry partners, government officials, and parents were formed to develop Phase X of the board's Long-Range Strategic Action Plan.

These teams developed priorities through an established comprehensive needs assessment process, including a review of pertinent successes and challenges the school system experienced during the last four years. Once these priorities were identified, objectives were established to outline specific indicators of success, followed by the development of action plans to reach the defined objectives.

As a school system, we expect excellence in everything we do. This expectation of excellence is demonstrated in the type of service we provide stakeholders and as presented through the **Long-Range Strategic Action Plan**. It serves as a blueprint for continuous improvement and the foundation of our high-quality school system.

About St. Charles Parish Public Schools

St. Charles Parish Public Schools, nestled along the banks of the Mississippi River in southeast Louisiana, has been at the forefront of education and a leader among public school systems in Louisiana since the 1970s. Led by Superintendent Dr. Ken Oertling and eight school board members, the school system is home to more than 9,200 students and 1,800 employees. Fifteen schools, five centers, and seven sites serve the community of St. Charles Parish with classes in pre-kindergarten through 12th grade, Head Start, and community care centers. This close knit community takes exceptional pride in its Triple "A" school system focused on academics, athletics, and the arts that regularly ranks among the top in academic performance, achieves district and state championships in sports, and receives national recognition for arts programming and performances.

We invite you to visit and experience St. Charles Parish Public Schools to see what makes our high-quality school system unique. Our tradition of excellence is second to none as a true public school system that educates ALL students. Our students are prepared to enter college, a career field, and life because of a well-rounded education.
