We will convene the meeting at a time convenient for parents, as determined by parent surveys and initial phone contact. We will also offer a flexible number of additional parental involvement meetings, such as in the morning or evening, so that as many parents as possible are able to attend. We will invite all parents of children participating in Title I, Part A programs to this meeting, and will encourage them to attend, by:

The spring survey and the subsequent final parent meeting mark the annual evaluation of the Parent Involvement Policy as well as the overall program effectiveness. Parents are provided with a school and district-wide overview of student progress, resultant to the program. It is at this meeting that program modifications may be made and barriers to parent and community involvement identified. the planning of the following school year calendar.
