

# DISCIPLINARY ALTERNATIVE EDUCATION PROGRAM

## GENERAL DAEP INFORMATION

***What is a DAEP?*** The District operates a Disciplinary Alternative Education Program (DAEP) for students who have violated this code of conduct or committed serious offenses (see page 21-24). The DAEP:

1. is in a setting other than the student's regular classroom;
2. is located off a regular school campus;
3. separates students in the DAEP from students in the regular program or in another disciplinary setting in the same building as the DAEP;
4. separates elementary school students assigned to DAEP from secondary school students assigned to DAEP;
5. focuses on English language arts, mathematics, science, history, and self-discipline;
6. provides for students' educational and behavioral needs;
7. provides supervision and counseling;
8. employs only teachers who are fully certified; and
9. provides at least a 7-hour school day, including lunch and other breaks, but not longer than 10 hours each day.

No student who has engaged in behavior warranting a DAEP assignment will be placed in an unsupervised setting, other than an out-of-school suspension pending the DAEP conference.

***Where is the DAEP? Will it operate during the school day? Is transportation provided?***

Fort Stockton ISD's disciplinary alternative education program is located at the Butz Education Center and operates between the hours of 7:45 am and 4:30 pm. District transportation is not provided, and parents are responsible for making sure students attend while assigned. Failure to attend the DAEP is a violation of compulsory attendance laws. Parents may be prosecuted if their child fails to attend while assigned; students may be referred to Truancy Court for failure to attend while assigned.

***What courses are taught at the DAEP?*** Instruction in the DAEP will focus on English language arts, mathematics, science, history, and self-discipline. The District is not required to provide electives, foreign languages, or honors or advanced courses of any kind at the DAEP.

The District will provide an opportunity for students who have been placed in the DAEP to complete a foundation curriculum course in which the student was enrolled at the time of removal before the beginning of the next school year, if the term of the student's placement is such that the student is not able to continue enrollment in all his or her courses. The opportunity to complete coursework will be provided through any method available, which may include summer school. The District will not assess any charge for the student to complete a course under this provision.

**TERM OF PLACEMENT:** Students are assigned to DAEP with a written removal order stating a specific term of placement that is the number of successful school days that must be served. Students will be credited with a "successful day" of DAEP assignment if the student is present, completes all assigned work, follows all rules of the DAEP, and engages in no additional violations of the Student Code of Conduct. The length of all DAEP assignments is at the discretion of the CBC, within the guidelines stated below.

*What are the guidelines for the term of DAEP placement?* A removal to DAEP may be for as brief a time as 5 school days up to one full year from the date of the order. However, the period of placement may exceed one year if, after a review, the District determines that:

1. the student is a threat to the safety of other students or to District employees, or
2. extended placement is in the best interest of the student.  
The CBC issuing the removal order will use his or her best professional judgment, taking into account the factors considered in all disciplinary actions, in setting the term of a DAEP placement.

Ordinarily a DAEP assignment will not extend beyond the end of a school year. However, if the CBC determines: 1) that the student's presence in the regular classroom or at the student's regular campus poses a danger of physical harm to the student or another individual; or 2) the student has engaged in serious or persistent misbehavior that violates the District's Student Code of Conduct, then the assignment may be continued to the next school year. Discipline for serious offenses occurring during the last grading period of the school year will generally extend into the next school year.

The DAEP administrator may extend the original term of removal based on new violations that occur while the student is assigned to the DAEP, including violation of DAEP rules, by following the procedures for initial DAEP placement, i.e., a conference with student and parents.

*Are some offenses subject to a different length of assignment?* Yes. A student who has received punishment through the criminal or juvenile justice system for sexually assaulting another student, regardless of whether the conduct occurred on or off school property, and who cannot be assigned to a campus other than a campus where the victim of the assault is assigned may be assigned to the DAEP for so long as both students are enrolled in the district.

**SCHOOL-RELATED ACTIVITIES:** Students assigned to a DAEP may not attend or participate in extracurricular activities during the term of their assignment.

**STUDENTS YOUNGER THAN TEN:** Students younger than ten who commit an expellable offense will be placed in a disciplinary alternative education program for elementary age students.

**STUDENTS YOUNGER THAN SIX:** Students younger than six will not be placed in a disciplinary alternative education program for any reason other than bringing a firearm to school.

**EFFECT OF WITHDRAWAL:** Withdrawing a student from school does not affect the District's authority to schedule and conduct a conference on the conduct and enter an order of removal, regardless of whether the student or parent is present to participate. The order of removal will be included with the records sent to any transferring school, including another public school, a campus charter program, or an open-enrollment charter school, and that district or school has authority to honor the removal. Furthermore, even if we do not complete the removal process and issue a removal order, we will send disciplinary records to the next school, and that school has the authority to complete the removal process and issue a removal order.

Students who transfer out of this District to another public or private school, including students who withdraw from this District for the purpose of home schooling, and students who do not attend Fort Stockton ISD's disciplinary alternative education program for the duration of the placement for any reason (other than reasons that constitute an "excused absence" under District policy), will be required upon return to this District to complete the number of days missed in the disciplinary alternative education program before being allowed to return to the regular campus, unless their records indicate that the term of removal was served in another school district or charter school.

**EFFECT OF TRANSFER INTO DISTRICT:** If a student transfers into this District from another school district in which the student was placed in a disciplinary alternative education program, the District may continue the DAEP placement under the terms of the order provided by the sending school district.

If a student transfers into this District from an open-enrollment charter school or from another state and the District receives a copy of the removal order in the records from the other school, the district may enforce the terms of that removal order, provided the grounds for removal to DAEP in the charter school or other state are grounds for removal in the District.

**GRADUATING SENIORS IN THE DAEP:** When a student is placed in the DAEP during the 12<sup>m</sup> grade, the District may allow that student to participate in graduation ceremonies, provided that all prerequisites for graduation are met and provided that the student has successfully completed all of the days that the student was placed in the DAEP. If the student in question has unexcused absences or has not completed his or her days in the DAEP for any other reason, such as withdrawal or transfer to another school district, the student will not be allowed to participate in graduation ceremonies. Furthermore, senior students initially assigned to the DAEP during the final grading period of the school year generally will not be permitted to participate in graduation ceremonies or activities. Any decision concerning participation in graduation ceremonies will be made by the student's home campus principal, whose decision is final.
