SERVERS

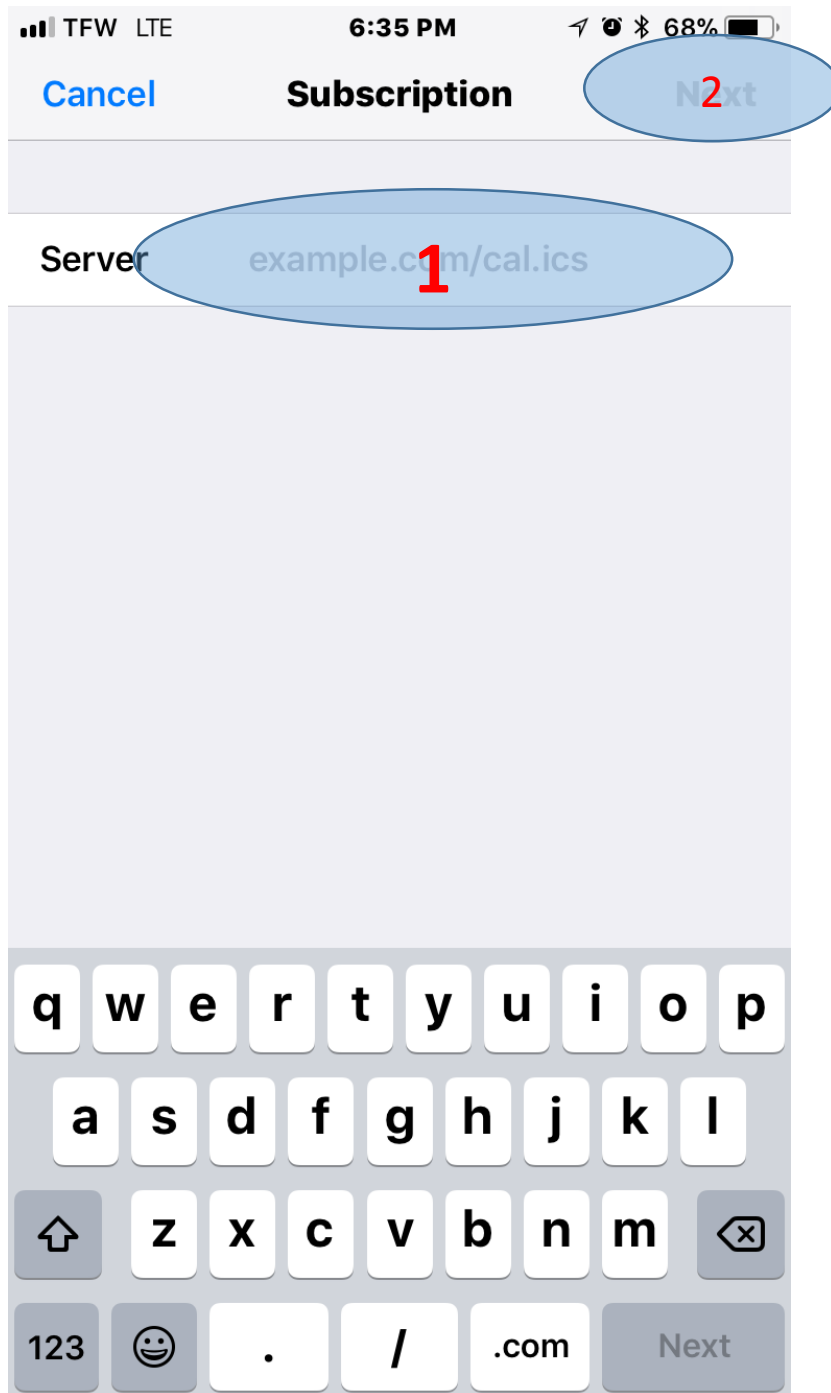

Add macOS Server Account

Copy and paste this link into the 'Server' text box.

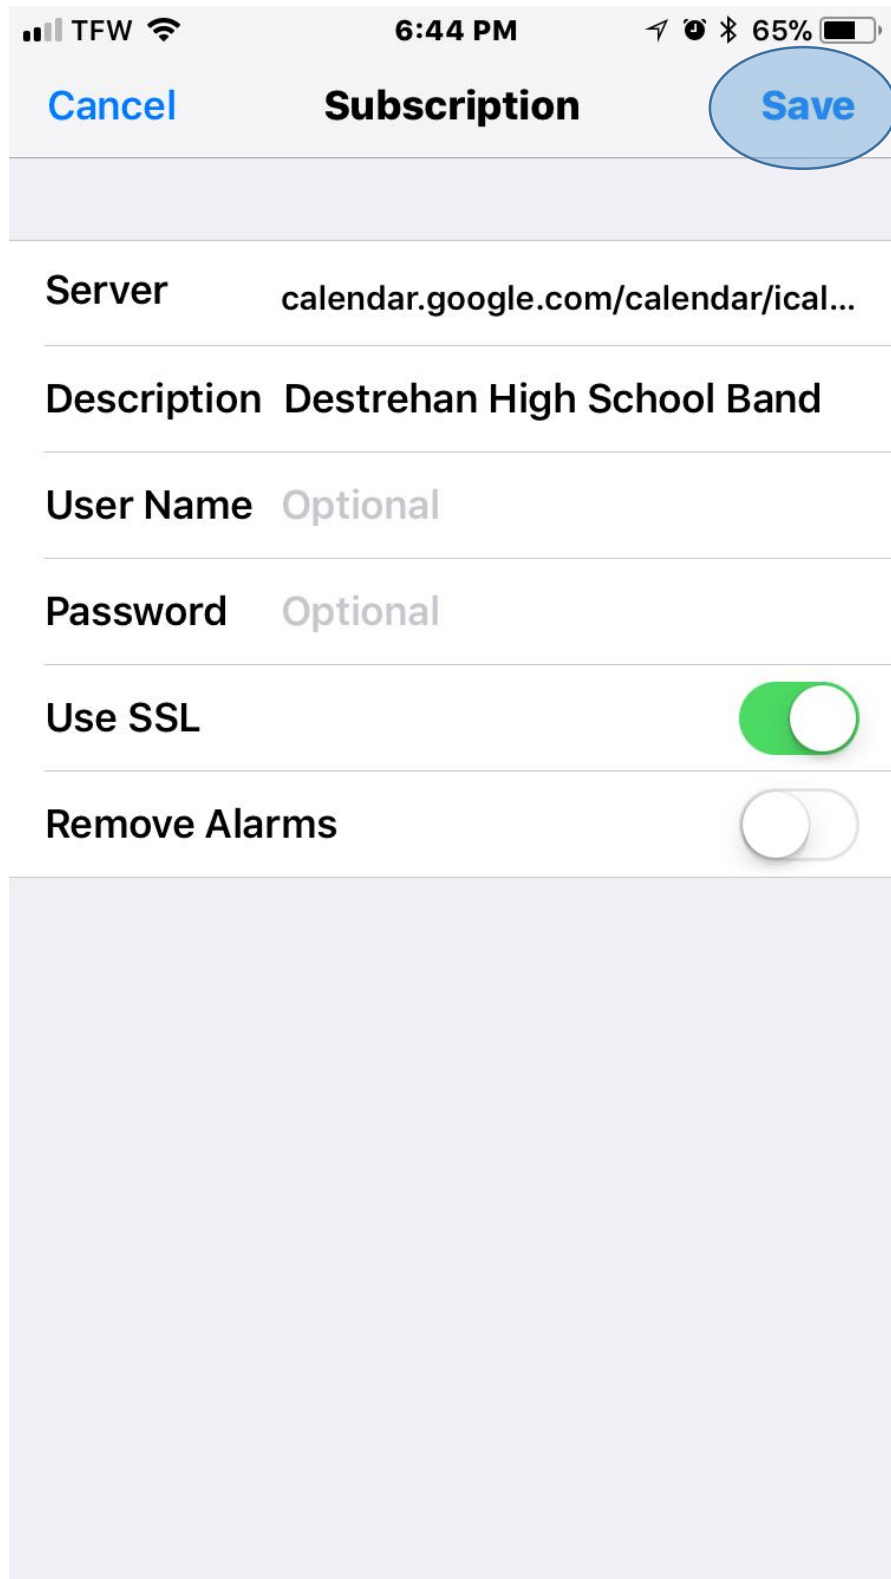

<https://calendar.google.com/calendar/ical/ndccnma9lmicunpseji0ur5lr4%40group.calendar.google.com/public/basic.ics>

Tap on 'Next' once it turns blue.

Once the link is verified, this screen will show.

All you will need to do is tap on 'Save'

The screenshot shows an iPhone screen with a status bar at the top displaying 'TFW', signal strength, time '6:44 PM', location, alarm, Bluetooth, and 65% battery. The app title is 'Subscription'. There are three buttons at the top: 'Cancel' in blue, 'Subscription' in bold black, and 'Save' in blue which is circled in blue. Below the title bar, there are several settings rows: 'Server' with the value 'calendar.google.com/calendar/ical...', 'Description' with 'Destrehan High School Band', 'User Name' with 'Optional', 'Password' with 'Optional', 'Use SSL' with a green toggle switch turned on, and 'Remove Alarms' with a white toggle switch turned off. A large, empty light gray rectangular area occupies the bottom half of the screen.
