August 28th First day of School!

GARY B. FRANKLIN

PREFACE

Dear Student and Parent,

Welcome to the 2024-2025 school year! The faculty and staff of Northwestern Regional High School are looking forward to making this a successful school year for all of our students. The education of young people should be a team effort involving a collaborative partnership between the school and parents. We are very much looking forward to working closely with all of our students and families to assure a quality educational experience for all of our kids and their families at Northwestern.

The high school experience provides students with the wonderful opportunity to discover their unique interests, talents, and gifts. Northwestern Regional High School offers a variety of clubs, organizations, and teams that can enable our students to explore new things and to learn more about themselves. There are outstanding athletic teams, musical programs, theater productions, numerous clubs and academic groups that you can participate in that will allow you to develop friendships that may last a lifetime. Take a chance by getting involved and trying something new!

High School is unlike any other time in your life. Study hard, challenge yourself, set high goals for yourself and have fun! We are very fortunate to have a great school with great students and teachers. Make the time you spend in high school some of the most important and productive of your life.

To be a Highlander is to be a part of something truly special. Northwestern Regional High School is a school where everyone is valued. We embrace diversity in all of its forms and recognize that every person in our school, student and adult, has something unique to offer our learning community. If you take the time to get to know your fellow students and your teachers well, you will form relationships with your friends and teachers that may last a lifetime. Please know that the faculty, staff, and administration are very excited and looking forward to working with you and helping you along your journey. We want to be a part of your success. Let us work together to make our school the best it can be. Along with the faculty and staff, I wish you an exciting and successful school year.

Sincerely,

Gary B. Franklin
Principal Northwestern Regional High School

COMMUNICATION WITH PARENTS

Communication is an important aspect of successful education. Below is a description of the numerous ways in which parents and staff may keep in touch:

Open House – High School *Open House* will occur **September 12**

Agenda – Students use this booklet as an organization and communication tool.

E-mail – All staff have e-mail addresses. The address consists of the person's first initial, last name, plus "@nwr7.org". For example, Principal, Gary Franklin e-mail address is gfranklin@nwr7.org

Voice mail – When not available, you may leave a voice mail message, and the person will return your call as soon as possible.

School Web site – www.nwr7.com

School messenger – receive phone, email notification from the school

PowerSchool – link off main Web site page

Haiku- homework – link off main page web site

Note: The school calendar is updated on a regular basis; to access the calendar online www.nwr7.com you can select calendar: Middle School, District/BOE, High School, Athletics.

Please Note

Often times our school and students are featured in the local newspapers, and occasionally on television. Please be aware that our practice with the media has been to allow students to be photographed and videotaped. Please call our office 379-8525 if you do **not** wish your child's photo to appear in the newspaper, or to be televised. Thank you.

It's the law!

Please be reminded that all drivers are required by state law to **STOP** whenever school buses have their lights flashing and **STOP** arms extended. Failure to do this may result in a fine of up to \$425. For passing a bus with their lights flashing and stop arm extended. This law applies to school yards and parking lots as well as to roadways. Thank you for keeping our students safe.

☎Telephone Messages ☎

Please remind your students that the use of cell phones is restricted during the school day. If a parent has an important message for their son/daughter, they should contact the appropriate House Office, preferably before 1:00 p.m. After 1:00 p.m., it may become difficult to deliver the message before the end of the school day.

☎School Absence ☎

When a student is absent from school, the parent or guardian is requested to call the House Office. If a phone call is not received, the House Secretary will attempt to contact the parent or guardian. Students whose parents or guardians have not confirmed the absence by telephone are expected to present a written excuse to the House Secretary upon returning to school. A student eighteen years or older and not living with a parent or guardian must present a written excuse directly to the House Secretary upon returning to school. Any absence not documented will be considered unexcused. The Housemaster may require written documentation from the student's physician validating the dates of the illnesses.

Partial Days

It is sometimes necessary to have a partial day due to weather events or to accommodate professional learning experiences for teachers. Please be sure to have your child attend classes on these days as our teachers continue moving forward with the curricular material.

✍Homework Requests ✍

The House office will honor homework requests for students who are absent from school for two or more consecutive days due to illness. Requests should be made to Mrs. Donna Williams House 2 Administrative Assistant or Mrs. Heather Vacila House 1 Administrative Assistant by 9:00 AM on the second day of absence.

WORKING PAPERS

Working papers may be obtained in the **Main Office** on any school day and throughout the year. The State of Connecticut requires:

- 1) Written promise of a job from the employer signed on their letterhead, describing **specifically** the nature of the job in detail; hourly rate of pay, and hours of employment, signed and on employers' stationary.
- 2) Evidence of age such as a driver's license or birth certificate, official school records can be used (if currently attending NWR#7).
- 3) Student requesting working papers **must** be present!

Upon change of employment, a new "promise to employ" form must be completed by the new employer and brought to the Main Office. A copy of the original working papers is kept on file in the office. A new copy will be issued.

Anyone can now be on Student Council! Keep your eyes open for the first meeting at the beginning of the year. See Mrs. Blanchard for more information.
