

# JUNIOR CLASS FUNDRAISER

**MS. HANNAH THOMAS  
JUNIOR CLASS SPONSOR**

Students in the Junior Class of 2026 will participate in the class fundraiser by selling poinsettias from Flowers and More to their family and friends.

Profits go towards the cost of prom and reducing the price of your Junior/Senior prom ticket.

If you're not going to prom we still need your participation because any leftover funds will go directly to the Class of 2026's Project Graduation event!

The fundraiser will begin in October with orders due by the end of October. Pickup of your poinsettias takes place in December before break. Order forms and other information will be sent out closer to that date.
