I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administration. This policy will assist students in attending class.

II. GENERAL STATEMENT OF POLICY

A. Responsibilities

1. Student's Responsibilities

It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes and study halls every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, it is the student's responsibility to request any missed assignments due to an absence.

2. Parent or Guardian Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is also the teacher's responsibility to provide any student who has been absent with any missed assignments upon request. Finally, it is the teacher's responsibility to work cooperatively with the student's parent or guardian and the student to

solve any attendance problems that may arise.

4. Administrator's Responsibility

- a. It is the administrator's responsibility to require students to attend all assigned classes and study halls. It is also the administrator's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance and to prepare a list of the previous day's absences stating the status of each. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.
- b. In accordance with the Minnesota Compulsory Instruction Law, Minnesota Statutes section 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn or has a valid excuse for absence.

B. Attendance Procedures

Attendance procedures shall be presented to the school board for review and approval. When approved by the school board, the attendance procedures will be included as an addendum to this policy.

1. Excused Absences

- a. A parent, guardian or other person having control of a child may apply to a school district to have the child excused from attendance for the whole or any part of the time school is in session during any school year. Application may be made to any member of the board, a truant officer, a principal or the superintendent. A note from a physician or a licensed mental health professional stating that the child cannot attend school is a valid excuse.
- b. To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school.
- c. The board of the district in which the child resides may approve

the application under subparagraph (a) above upon the following being demonstrated to the satisfaction of that board:

d. Legitimate Exceptions

The following reasons shall be sufficient to constitute excused absences:

- (1) that the child's physical or mental health is such as to prevent attendance at school or application to study for the period required, which includes;

 - (b) family emergencies;
 - (c) the death or serious illness or funeral of an immediate family member;

This instruction must be conducted and maintained in a place other than a public school building, and it must not, in whole or in part, be conducted and maintained at public expense. A child may be absent from school on days that the child attends upon instruction according to this clause.

c. Consequences of Excused Absences

- (1) Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
- (2) Work missed because of absence must be made up within the established number of days set by a school from the date of the student's return to school. Any work not completed within this period shall result in no credit for the missed assignment. Alexandria Public Schools - No. 206

Alexandria, Minnesota

ATTENDANCE PROCEDURE

ALEXANDRIA AREA HIGH SCHOOL

The Board of Education believes full-time attendance to be an essential element in the student’s educational process. Regular attendance fosters a climate conducive to learning, perpetuates effective teaching, protects the integrity of the school day and ensures quality education. Regular attendance, a responsibility that should be shared by students, parents and school, is one means by which a student learns responsibility and self-discipline. Student absenteeism is often the cause of many failures in school. To encourage attendance, the Board of Education herein adopts the following attendance requirements for Alexandria Area High School:

ATTENDANCE PROCEDURE

- Students are required to attend all assigned classes and study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and district standards required to graduate from high school, has withdrawn or has a valid excuse for absence.
- Each school has established attendance procedures that support regular school attendance.
- These procedures will be shared by each school and require the support of students and families.

AAHS Attendance

- An attendance line is available twenty-four (24) hours a day at 320-762-2142 ext. 4500 for messages regarding attendance.
- If a student accrues three (3) unexcused or five (5) total absences in any given period in one semester, he/she may lose credit for the class.
- Students who accrue five (5) or more total absences for extenuating circumstances may appeal to an attendance committee for an exemption.

ATTENDANCE PROCEDURE

DISCOVERY MIDDLE SCHOOL

The Board of Education believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administration. This policy will assist students in attending class.

Pre-Arranged Absence

Forms are available in the office for students to communicate a future absence to their teachers to gather make-up work. Parents should communicate the upcoming absence to the attendance secretary through a note or phone call and students should obtain the form in the office.

Tardiness

Tardiness is late arrival to school or to a class. Tardies are classified as excused and unexcused. Examples are as follows:

- Excused: Illness, medical/dental appointments, family emergencies, pass from school personnel
- Unexcused: Oversleeping, car trouble, missing the bus, ride did not come, etc.

The fourth unexcused absence/tardy during a class period in any given trimester will result in detention for the student. Detention will result from each succeeding incident.

Truancy/Unexcused Absences

An unexcused absence indicates that the student is absent from school or class without the consent of the parent(s)/guardian(s). Make-up work is required. Consequences for unexcused absences may include 1 hour of detention for every class hour unexcused.

If a student is deemed habitually truant/unexcused, a letter will be filed with the Douglas County Attorney's Office stating that this child is in need of protective services.

ATTENDANCE PROCEDURE

DISTRICT 206 ELEMENTARY SCHOOLS

The Board of Education believes full-time attendance to be an essential element in the student's educational process. Regular attendance fosters a climate conducive to learning, perpetuates effective teaching, protects the integrity of the school day and ensures quality education. Regular attendance, a responsibility that should be shared by students, parents and school, is one means by which a student learns responsibility and self-discipline. Student absenteeism is often the cause of many failures in school. Consequently, the attendance policy is intended to be positive and not punitive.

RESPONSIBILITIES

Student: Students have the RIGHT to attend classes at the elementary school level. Students attending an elementary school have the RESPONSIBILITY to maintain punctual, regular attendance. The school reserves the right to determine if an absence is excusable.

Parent/Guardian: It is the responsibility of the student's parent/guardian to encourage the student to attend school, to inform the school in the event of a student's absence and to work cooperatively with the school and the student to develop acceptable attendance patterns.

Teacher: Alexandria Public Schools will provide certified, competent teachers in all classes. The teachers will conduct well-planned, educational, orderly and timely instruction in all classes. Teachers will record and report to the office accurate attendance for each student.

Administrators: It is the administrator's responsibility to require students to attend all assigned classes. It is also the administrator's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students and to maintain accurate records on student attendance. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

ATTENDANCE PROCEDURE

If a student is absent or will be absent from class, will arrive late to school or leaves school prior to the regular dismissal time, the student's parent or guardian must notify the school office prior to the beginning of the school day. Notifications can be made through a phone call, personal contract or by a note. Absences not reported by parents may be counted as unexcused. The student has 24 hours to change the absence from unexcused to excused. If a parent is unable to follow the above procedure, the principal must be contacted.

Office personnel will attempt to contact parents of unexcused students after the school day has begun to ensure their location; however, the student's absent status may still be considered unexcused.

If a parent or guardian does not call the child in absent, an administrative designee will attempt to call all of the phone numbers listed in our student information system. In some events, law enforcement may be called to do a “safety check” at the child’s home to ensure that the student is safe.

If students arrive after school has started, parents need to check them in. The schools will be locked after school starts and students need to be brought into the building.
