### INTERNET USE POLICY AND AGREEMENT

We are pleased to bring Internet access to \_\_\_\_\_ School and believe the Internet offers valuable, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence by facilitating resource sharing, innovation and communication.

If a student violates any of the terms and conditions described below, his or her Internet privileges will be terminated and future access may be denied. Furthermore, a student may be subject to disciplinary action, including expulsion, for abuse of the use of the Internet. This includes communications originating in or outside of the school by devices of any kind (including, but not limited to, cellphones computers, tablets, smart watches, and other similar devices) which threaten other students or school personnel, violate school rules or disrupt the educational process promoted by the school. Abuse of Internet communications may include, for example, the posting or dissemination of written material, graphics, photographs or other representations which communicate, depict, promote or encourage:

- The use of any illegal or controlled substance, including alcoholic beverages;
- Violence or threats of violence, intimidation, or injury to the property or person of another; or
- Lewd, offensive, sexually suggestive or other inappropriate behavior.

4. **Privacy.** I will not reveal my full name, usernames, passwords, email, home address or my personal or family phone numbers or those of any member of my school community to anyone over the Internet at any time.

5. **Expectation of Privacy.** I understand that electronic mail, Internet history, or other documents accessed or saved on the network are not guaranteed to be private. I will not send or publish anything that I do not want others to see or read.

6. **Security.** Under no circumstances will I order any material over the Internet. I will not download and/or attach files from any user or users I am not familiar with. I will not attempt to gain unauthorized access to resources or files.
