# Gettysburg Area High School Student Handbook 2024-2025

## **GAHS Mission Statement**

*Gettysburg Area High School will establish an environment of respect, integrity and acceptance as our collaborative community creates opportunities to engage learners in experiences that provoke critical thought and challenge their creative intelligences.*

## **GAHS Vision Statement**

*Gettysburg Area High School ensures that all learners have access to a rigorous academic curriculum and range of experiences that will develop into a personally relevant pathway to future success and ultimately mold citizens who will make positive and meaningful contributions to the world around them.*

## **I. ACADEMICS**

### **ACADEMIC AWARDS / LETTERS**

Gettysburg Area High School recognizes outstanding academic achievement on the part of its students through an academic letter and awards program. Students who attain a weighted GPA of 90% or greater for a full academic year (two semesters) will be eligible for an academic letter. A student will receive a pin for each successive year. In addition, students may earn academic pins for honor roll, high honor roll, attendance, Advanced Placement scores, Keystone Exam scores, NOCTI scores, and extracurricular participation and/or success. The criteria for extracurricular awards are at the discretion of the program advisers. In addition, academic recognition may also be bestowed by individual academic departments. Academic letters will be awarded to all eligible students each fall for the previous year and in the spring to graduating seniors.

### **ACADEMIC DISHONESTY**

Academic dishonesty, or cheating, will not be tolerated. This includes copying other students' work, furnishing students' work as your own work, plagiarizing another student or author's work, or using unauthorized aids in completing a test or assignment. Students found to be in violation of this rule will be disciplined along with receiving a grade of zero for the specific assignment. Students involved in clubs, athletics, or other extracurricular activities can also be disciplined in accordance with the participation guidelines.

### **ATHLETIC ELIGIBILITY**

The Board of School Directors has adopted eligibility standards established by the Pennsylvania Interscholastic Athletic Association (PIAA). Standards include regular school attendance, insurance coverage, medical certification, full-time student status, and achievement of minimal academic standards. Grades will be checked on Friday of each week. Students must be passing

70% of credited courses. Each wrap-around course will count as 0.5 of a credited course, all other credited courses will count as 1 credit.

Students who are not passing 70% of credited courses will not be allowed to:

- participate or dress in athletic contests or scrimmages,
- travel with their respective teams to away contests,
- practice unless they are receiving tutoring or attending special study areas monitored by their coach or an assigned peer.

The coach must notify the athletic office of efforts made to improve the students' scholastic work before practice time is restored.

When beginning a new marking period, an eligibility report will not be generated until at least five school days have been completed in the marking period. If a student is failing at the end of a marking period and/or semester, they are ineligible 15 school days from the date the report card is issued.

Athletes must pass six of eight credits at the conclusion of grades 9, 10, and 11 to be eligible to practice or compete in athletics for the following year. If the athlete attends summer school and passes enough credits to meet requirements, eligibility will be granted. Please contact the athletic director if you have any questions.

### **CLASS RANK**

In accordance with Board Policy 214, student rank shall be determined by averaging the final percentage grade (to three decimal places) in all Gettysburg Area High School courses for which graduation credit is awarded. Students will be ranked individually among their graduating class. Student rank will appear on all official transcripts.

College level courses taken outside of the high school and taught by teachers not employed by the Gettysburg Area School District will not be included in the class rank calculations or subsequent decile placements. Independent study, test out courses, college audit, and foreign study credits will not be included in the class rank calculations. Students transferring to Gettysburg Area High School from other high schools will receive credit for work completed elsewhere. However, final grades for those courses will not be included in class rank calculations.

### **COMPUTER GUIDELINES**

As students continue to interact with ever changing curriculum in a new and diverse way, computer literacy and the ability to engage with and manipulate information becomes increasingly important. In order to meet these needs, all high school students receive a laptop computer or Chromebook. The high school maintains the laptops and other computers for use in the classrooms and library. Prior to gaining access to a computer account all students and their parent/guardian must complete and sign the Acceptable Use of the Internet Consent form that

details all rights and obligations of computer network use. Failure to abide by these expectations may result in loss of access and/or computer use along with a disciplinary measure. Students are responsible for maintaining and protecting their school issued computer/equipment. Students may be charged for damage whether it is intentional or the result of negligence.

### **FIELD TRIPS**

In order for a student to attend a field trip, he or she must meet the following eligibility criteria:

- **Academics** - Students must have at least a 70% term grade in each of their current courses.
- **Attendance** – Students must have fewer than 10 absences during the course prior to the trip.
- **Form submission** - Students must hand in a signed form to the field trip teacher one week before the trip. If the form does not have all the signatures or if the form is not handed in, the student will not be permitted to attend the trip.

Students attending a field trip are responsible for all work missed in their absence. Many of these assignments are now available online. Students must arrange with their teacher **prior** to the trip the assignments missed and determine a reasonable due date to exceed no more than five school days from a students' return.

### **GRADUATION REQUIREMENTS**

The Gettysburg Area School District Board of Education shall award a regular GAHS diploma to every student enrolled in the District who meets the requirements of graduation established by Board Policy 217. Requirements for graduation shall be the completion of work and studies representing the instructional programs assigned to grades 9 through 12. These requirements may differ for each graduating class. It is the responsibility of each student to understand the credit, course work, and project and proficiency requirements necessary for their particular graduating class. It is advised that students work closely with their School Counselor to meet these requirements.

### **INDEPENDENT STUDIES AND INTERNSHIPS**

Gettysburg Area High School offers 11th and 12th grade students the limited opportunity to schedule an independent study for elective credit. See the application form found in the Counseling Center for eligibility requirements. No more than two class periods per year (up to two credits) may be dedicated to independent study.

In addition, students may also apply for career exploration opportunities through the internship program and work study program. See the application forms found in the Counseling Center for eligibility requirements. No more than four class periods per year (maximum two per semester) may be dedicated to internships and/or work study. No internships with GAHS employees will be approved. Students seeking an education setting must secure a position in an alternate location.

### **Library Opt-Out**

Parents or guardians who want to restrict what books their child can check out from the library should contact their child's school librarian/media specialist for more information and to request an "Opt Out Form". This form lets the parents limit the preselected titles they do not want their child to check out, or it can be used to bar a student from checking out any materials. We would

encourage parents to talk to their child's teacher, the school principal or the librarian/media specialist before barring students from taking out any books.

### **NATIONAL HONOR SOCIETY**

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character.

The Faculty Honor Council, in the spring semester, will invite sophomores and juniors who have a cumulative GPA of 92% or higher to apply to NHS. Candidates will fill out an evaluation packet that will allow them to highlight their service experience and leadership potential. Input is also collected from the candidate's former teachers, coaches, club advisors, and outside evaluators (chosen by the candidate), to help give the Faculty Honor Council a better impression of the candidates, scholarship, leadership, and character. The Faculty Honor Council also reviews the candidate's discipline and attendance records, looking for infractions, unexcused absences, and or excessive tardiness to school. While active discipline records, unexcused absences, and tardiness hold a few students out of NHS each year, more students are turned away because of a general lack of service.

The advisors of NHS encourage potential candidates to:

- Develop a record of diverse and robust volunteering experiences.
- Avoid disciplinary issues and report to school regularly and in a timely fashion.
- Join clubs and participate in activities that help develop leadership potential.
- Display good character and face adversity with a cheerful disposition.

Once inducted, members are held to the same high standards and must maintain a 92% GPA. Members are expected to abide by the standards set out in the NHS Code of Behavior, given to all new members.

### **PHYSICAL EDUCATION MEDICAL EXCUSE GUIDELINES**

Doctor's notes must have a beginning date, end date and include an exercise prescription. Medical excuses with exercise prescriptions must include activities that the student is able to participate in as well as specific limitations because of the injury.

### **PUPIL PROGRESS REPORTS**

Students are issued a Pupil Progress Report (Report Card) each nine weeks (four times a year). Classroom teachers determine all grades.

A	94% to 100%	C	75% to 80%
A-	92% to 93%	C-	73% to 74%
B+	90% to 91%	D+	71% to 72%

B	85% to 89%	D	67% to 70%
B-	83% to 84%	D-	65% to 66%
C+	81% to 82%	F	below 65%

**A - Excellent:** indicates outstanding achievement characterized by accuracy and thorough understanding.

**B - Above Average:** indicates more than the required achievement characterized by careful preparation.

**C - Average:** indicates that the required achievement has been obtained, but there is room for improvement.

**D - Below Average:** the lowest passing grade; barely meets the requirements for credit.

**F - Failure:** indicates achievement is that of a failing grade. No credit is given.

**I - Incomplete:** class work must be completed in order to gain credit. All incompletes must be satisfied within two weeks of receiving the report card (except 4th quarter). Failure to do so will result in an "F" for the class.

Students and parents have regular access to grades online through Skyward Family Access. Report cards are issued at the end of each semester.

### **SCHOOL MATERIALS**

Students are responsible for all textbooks, laptops or other materials issued to them by the school. Teachers will record the items issued and will expect students to return the same items when collected. Students will be required to pay for any lost, stolen, or damaged school materials/equipment.

## **II. ATTENDANCE**

### **APPOINTMENTS/EARLY DISMISSALS**

In order to provide continuity in the educational process, we encourage appointments with doctors, dentists, etc., to be made for Saturday or after school hours. All early dismissals will be designated unexcused until the Doctor's note is returned. Students are expected to be in school prior to and/or after all appointments if possible. When it is necessary for students to be dismissed from school early due to a medical appointment or other approvable reason, the student must bring a note from a parent/guardian to the main office prior to first period on the day of the appointment. Only an administrator or school nurse may dismiss a student from school. A student leaving school without obtaining appropriate permission will be subject to disciplinary action. **Upon returning to the high school, students must have the early dismissal excuse form signed by the doctor, orthodontist, or dentist, etc. including departure time from appointment.**

### **ARRIVAL AT SCHOOL**

All students arriving by bus must enter the building at the main entrance near the first-floor office area. Student drop-offs and drivers must enter at the Auditorium or Gym Entrance. Students are

permitted to enter the building at 7:05 AM. From 7:05 to 7:25, students may enjoy breakfast in the cafeteria or report to their first mod class. Once arriving in school or on school grounds, students are not permitted to leave without prior permission of their parents/guardians and administration.

## **ATTENDANCE**

Regular attendance is important in order to assure continuity in learning. Students are expected to attend school each day that school is in session. Absences are lawful if due to illness, death in the family, or pre-approved educational trips taken in accordance with GASD policy.

Arrival after 10:30 AM constitutes a 1/2-day absence. Students participating in athletic contests must be in school no later than 8:30 AM. Any student who does not have a scheduled MOD 1 class, must be present at the beginning of MOD 2 (8:55am) to be eligible to participate that day. When returning to school after an absence, students must bring a note within three days signed by their parent/guardian stating the reason for the absence. Failure to bring a note within that time will result in the recording of an unlawful absence on the student's attendance record.

Students will have three days in which to submit notes for their absence. If notes are not submitted to the school within three school days of the absence, the student's absence will be deemed unlawful or unexcused.

### **The following absences are defined as lawful or excused:**

- The first three (3) approved parent note illness-related days;
- Field trips;
- School athletic activity early dismissals and late arrivals;
- School athletic contests and activity performances;
- Educational trips pre-approved by the principal and/or superintendent;
- Maximum of 3 pre-approved college visitations;
- Out-of-school suspension;
- State approved absences, required court appearances, death in the immediate family, quarantine, impassable roads, and religious observations;
- All doctor verified illnesses.

### **The following absences are defined as unlawful or unexcused:**

- Illnesses covered by a parent note above 3 consecutive days and not covered by a physician's note
- Seven or more cumulative illnesses unsubstantiated by a physician's note;
- Family vacations in excess of principal or superintendent approved number of days;
- Unlawful absences such as truancy;
- Unlawful tardiness to school;
- Absence due to missing the bus;
- Class cutting;
- Absences not verified in writing by parents within three school days of the absence;
- Absences due to non-school activities while school is in session.

Excessive absences (10 or more) may result in the requirement of a doctor's note for absences, an attendance improvement conference, discipline consequences, and/or a citation for truancy, if under the compulsory education age, as detailed below. Students that miss four (4) or more consecutive days will be required to submit a doctor's note for their absences. Additionally, it is possible that students will not earn credit for work missed during an illegal absence (District Policy 204, also detailed below).

Stated below is the list of sequences, interventions and consequences that can result from excessive unexcused absences. This list is meant to be utilized by administration and staff to guide our interventions and the issuing of consequences in order to promote school attendance and a positive learning environment.

- Students that accrue three (3) unexcused absences/tardies will receive a communication informing them and their parents/guardians of their unexcused absences and the potential consequences. This email will also offer the support of a Student Attendance Improvement Conference with a representative of the school administration and other necessary staff in order to generate an Student Attendance Improvement Plan (SAIP).
- Students that accrue five (5) unexcused absences/tardies will be mailed a letter of Official Notice informing them and their parents/guardians of their unexcused absences and the potential consequences. Students with five (5) unexcused absences/tardies will be required to attend a Student Attendance Improvement Conference with a representative of the school administration and other necessary staff to generate a Student Attendance Improvement Plan (SAIP).
- Students that accrue seven (7) or more unexcused absences/tardies may be issued the consequence of credit denial (defined below). Students will have to complete the necessary improvement actions detailed in "Credit Denial" in order to have credit reinstated. In addition, a student's attendance improvement plan, after seven (7) total days of unexcused absences, will be reviewed, and any change will be communicated to the student, parent, and other necessary staff.
- Students that accrue 10 or more absences, excused or unexcused, may be required to issue a doctor's note for additional absences to be excused, regardless of reason. This information will be communicated by mail from the administration.
- Students that accrue 10 or more unexcused absences, in addition to the possibility of being required to submit a doctor's note for any additional absences to be considered excused, may be referred to Children and Youth Services and/or issued a fine through the local governing authorities (district magistrate).
- Students who accumulate excessive numbers of absences/tardies (7 or more) may be denied the privilege of attending school functions. This may include, but is not limited to, school dances (Homecoming/Prom), extra-curricular activities, and the GAHS Commencement Ceremony.

## **CREDIT DENIAL**

Credit denial, Board Policy 204.1, is defined as the loss of course credit by a student after accumulating a defined number of unlawful or unexcused absences/tardies. This policy is intended to encourage and motivate students to meet their academic responsibilities through regular attendance.

If a student's absences from scheduled instructional time exceed seven (7) unlawful or unexcused absences/tardies in a semester, credit may be denied for the affected courses regardless of the grades earned. Credit can be denied for one course (as the result of seven class cuts) as well as for all courses taken during a semester (as the result of seven unlawful or unexcused full day absences). Class cuts will be combined with all full-day unlawful or unexcused absences. Credit denial shall be issued by the administration, and the decision to place a student on credit denial shall be communicated in a letter sent to the parent/guardian of the student.

Once credit has been denied for one or more courses, a student has the responsibility to meet with the administration to review his or her Student Attendance Improvement Plan (SAIP) to include a process for credit recovery. This process may include attendance at after-school tutoring sessions and/or attendance at school for a minimum length of 30 calendar days without the accrual of an additional unexcused absence.

Students who are entering a new school year and are already on credit denial for unexcused absences/tardies during their prior year (moving from 10th to 11th grade while still on credit denial, for example), must complete the process outlined in his or her SAIP in order to be taken off credit denial for the prior year's unexcused absences.

Courses for which credit has been denied (and not been reinstated) will be included on the student's permanent record and transcript in the Counseling Center. All courses for which credit has been denied will not be included in computations for grade point average, quality points, class rank, and honor roll.

## **EDUCATIONAL TRIPS AND VISITATIONS**

Students will be permitted to take educational trips, not to exceed a total of ten (10) school days during a school year.

Trips in the last 10 days of school are highly discouraged and will only be excused for special circumstances with administrative approval. Parents and guardians must comply with the following program requirements:

- An Educational Trip form must be completed and submitted to the principal 7-days prior to the trip for approval. If the form is not submitted, the days absent will be recorded as unexcused. Forms may be obtained at the school office or on the district website.

- Students are responsible for completion of all work and activities missed during the absence and should work with their teacher to determine a reasonable due date to exceed no more than five (5) school days from a students' return. Many of these assignments are available online.
- Students may be approved for up to three (3) College Visits. The Educational Trip form should also be used for College Visits. Students should provide documentation from the college/university (admissions office) upon return in order to excuse the absence.

### **TARDY TO SCHOOL**

A student arriving late to school must sign in at the main office. There the student should present a dated note signed by a parent/guardian explaining the reason for his/her lateness. Only tardiness due to illness, medical appointments, or a family emergency will be considered excused. Tardiness for medical appointments will require a dated physician's note to excuse. Students with excessive absences (10 or more) who are required to submit a doctor's note for each unexcused absence must also provide a doctor's note when tardy to school or they will be issued an unexcused tardy.

Failure to bring an acceptable note upon arrival will result in an unexcused tardy. Each student will be allowed one unexcused tardy per semester before a consequence will occur.

Consequences for multiple unexcused instances of being tardy can be a lunch detention, an after-school detention, the loss of parking privileges, and/or in-school suspension may be assigned for excessive unexcused tardiness. The progressive escalation of these consequences is detailed below. Student athletes must report to school by 8:30 AM in order to participate in practice or games. Any student who does not have a scheduled MOD 1 class, must be present at the beginning of MOD 2 (8:55 am) to be eligible to participate that day. A student athlete's excuse must be considered excused or lawful in order to participate.

- Students will not receive a consequence for their first unexcused tardy per semester.
- Students will receive a lunch detention for accruing between two (2) and six (6) unexcused tardies.
- After 5 unexcused tardies, a Student Attendance Improvement Conference will be scheduled to the student, parent(s), administrator, and other relevant school and community personnel to create/revise a student's Student Attendance Improvement Plan (SAIP).

## **III. STUDENT CONDUCT**

### **CODE OF STUDENT DISCIPLINE AND RESPONSIBILITIES**

The purpose of the Student Handbook is to give students and their parents/guardians an understanding of the general rules and guidelines for receiving an education in our schools. Students and parents/guardians should be aware that this document is reviewed annually. Changes made after Board approval will generally supersede the provisions found in the

handbook. In a case of conflict between a Board Policy and the provisions of this handbook, the Board Policy most recently adopted will prevail. The handbook is not a contract between the school and parents/guardians or students.

The Board of Education acknowledges that student conduct is closely related to learning. An effective educational program requires a safe and orderly school environment. The efficacy of the educational program is in part, reflected in the behavior of students and employees. It is the responsibility of all associated with the school - students, parents, and staff to promote good discipline and preserve the quality of our educational environment. All efforts to promote proper discipline must evolve from a code, which clearly states the expectations placed upon students, defines unacceptable behaviors, and provides for appropriate disciplinary consequences commensurate with the students' actions including but not limited to detention, in-school suspension, out of school suspension, and expulsion (Board Policy 233). Finally, we believe that an effective student discipline code (Board Policy 218) must adhere to the following:

- Recognize the inherent qualities of each individual;
- Promote self-discipline and prevention;
- Concern itself with the welfare of the individual as well as that of the school community as a whole
- Foster a close relationship among parents, students, and staff.

The building principal shall have the authority and flexibility to assign discipline to students, subject to the policies, rules and regulations of the district and to the student's due process right to notice, hearing, and appeal. The discipline measures listed in the Student Code of Conduct/ Student Handbook are guidelines. The principal/administrator will have the authority and flexibility to impose discipline based on the situation, age, grade and maturity of the student and the impact on the student victim(s), if appropriate. (SC 1317, 1318)

**DETENTION (After School / Lunch)**

Students will be assigned lunch or after school detention for minor infractions of the school discipline code.

- Lunch detentions will be served during the students 30-minute lunch period in the designated lunch detention classroom. Students purchasing lunch from the school cafeteria must report to the front of the lunch line with their detention pass prior to reporting to the classroom. When serving a lunch detention, students may eat their lunch and/or work quietly. Students will be restricted from using unapproved electronic devices, such as cell phones.
- After school detention will be from 2:30 PM until 3:45 PM on the designated day. Students serving detention after school should bring work with them for the duration of that time. Students will be restricted from using unapproved electronic devices, such as cell phones.

A student absent from school on an assigned date must serve that detention on the day of his or her return to school or another time designated by the administrator. It is the student's responsibility to meet these expectations.

School staff will not assume the responsibility of reminding students of their detentions. Failure to report for assigned detention will result in additional disciplinary action. Teachers reserve the right to assign lunch detention for infractions of classroom expectations. Failure to report for a detention will result in additional consequences.

**DRUG AND ALCOHOL POLICY**

Alcohol or drugs are not permitted in the school, on school grounds, or at school activities. For additional information on the Drug and Alcohol Board Policy 227, refer to the Gettysburg Area School District website. Students found in violation of this policy will be reported to local law enforcement authorities and will receive penalties outlined in the policy.

The Gettysburg Area School District recognizes that opioid overdose is a major public health problem. Overdose involves students of all ages, ethnicities, and demographic and economic characteristics, and involves both illicit opioids such as heroin and, increasingly, prescription opioid analgesics such as oxycodone, hydrocodone, fentanyl, and methadone. Therefore, the

district will stock and maintain **naloxone**, a drug to reverse the effects of an opioid related overdose, at both GAHS and GAMS.

To encourage overdose-reporting, students who report possible overdoses in the school setting and qualify for immunity from criminal prosecution will not be subject to school discipline procedures.

### **THREATS**

The Gettysburg Area School District board has adopted Board Policy 218.2 Terroristic Threats/Acts that addresses issues compromising the safety of students and staff. For this purpose, a bomb threat is considered a threat to the safety and welfare of District students, staff and community. Any such threat is a serious offense and can lead to permanent expulsion from school.

### **END OF YEAR DISCIPLINE**

Students who earn discipline obligations during the last few weeks of school, may with special permission from the administration, serve this time in the main office prior to June 30. Every effort will be made to have the student meet these obligations before school ends. Failure to complete a disciplinary assignment may result in in-school suspension assigned for the first few days of school the next school term. Students who have unserved suspension time remaining at the end of school year will continue the suspension into the next school year. Parents will be notified by mail if their son/daughter owes a discipline or obligation and/or fails to serve by June 30.

### **GUIDELINES FOR STUDENT CONDUCT**

- Good attendance habits are required. Students should attend school each day (#BeHere) and arrive on time for all classes. Any student returning from an absence must bring a note signed by a parent or guardian on the day of his or her return. Students requiring early dismissal from school for medical appointments must bring a note from home no later than the morning of the appointment.
- Students have the right to express themselves unless the expression materially and substantially interferes with the educational process, threatens serious harm to the school or community, encourages unlawful activity or interferes with another individual's rights. Students are required to wear appropriate clothing. Our philosophy of student dress indicates that students should refrain from wearing any clothing that is excessively revealing, advertises alcohol or drugs, is offensive to others, or contains sexual innuendo. Clothing or accessories adorned with the rebel flag are prohibited.
- The Board prohibits the use of any personal electronic devices during instructional times during the school day, except that students may use electronic devices during instructional times for educational purposes if, and only if, they have the prior permission of the teacher or building administrator to do so or at other times as designated by the building administrator. (Board Policy 237)

### **HARASSMENT/BULLYING**

It is the policy of this school district that all students and employees should enjoy a learning environment free from bullying, harassment, and sexual harassment. It is a violation of Board Policy 148 for any student to harass another student through conduct or communications of a sexual nature including requests for sexual favors or inappropriate verbal or physical conduct of a sexual nature. Board Policy 249 prohibits bullying and/or cyber bullying. Any act of this nature should be reported immediately to his/her teacher, counselor or school administrator. Any student who violates these policies shall be subject to appropriate disciplinary action and may be referred to law enforcement authorities. Any student who perpetrates an act of sexual harassment, bullying or cyber bullying is subject to removal from classes and/or schedule change.

### **HAZING**

Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health, or safety of a student for the purpose of initiation or membership in, or affiliation with, any organization recognized by the Board of School Directors. Incidents of alleged hazing must be brought to the attention of the principal who will then investigate. If the investigation

The school day begins when students step off their property to board the bus. Therefore, they are under the rules and expectations of the District while going to and from school. The driver, according to school law, has the right to enforce rules as necessary and is charged with the responsibility for orderly and safe transportation of students. Infractions of safety rules will be reported to the building principal in writing with a copy sent to parents/guardians. Repeated offenses by students can result in loss of bus privileges for a definite period of time.

Students are required to be standing at the bus stop when the bus arrives. Therefore, students should plan to be there in advance of the scheduled pick-up time.

No bus passes will be issued. Students will only be permitted to ride assigned buses.

## **IV. STUDENT SERVICE**

### **SPECIAL EDUCATION**

The Gettysburg Area School District in conjunction with the Lincoln Intermediate Unit #12 and other contracted agencies, provides services for students determined through an evaluation to be exceptional and in need of “specially designed instruction”. The need for special education services is based upon data gathered by a multidisciplinary team and reviewed by the team, including the parents. Parents play a vital role in the screening and evaluation process, as well as the development of an individualized education program for their child. A range of educational placements and support is available to meet the individual needs of each student including support in the regular education classroom, support in a small group or resource room, special education classes in the typical school or full-time special education classes outside of the regular school. Types of support include gifted, learning support, life skills support, autistic support, speech and language support, emotional support, vision and hearing support and others. Some special education classes are located in neighboring school districts. For answers to specific questions regarding these special education programs, please contact your child’s building principal or the supervisor of special education.

### **COUNSELING CENTER**

The purpose of the Counseling Center is to assist students as they move through their school years. While the services offered by the counselors include vocational, academic, and course selection assistance, they also include counseling focused on problems that individual students might be experiencing. Students are encouraged to see the counselors whenever they encounter difficulty. The Counseling Center also maintains a career resource center for students interested in researching career and educational choices. Materials include books, catalogs, and internet resources for conducting an information search.

### **SCHEDULE CHANGES**

Once student schedules are distributed, they can only be changed for the following reasons. They are: 1) academic misplacement; 2) change to a more difficult course from a less difficult course; 3) addition of a course to meet graduation requirements; 4) missing a prerequisite. In order to change a schedule, the student should complete the necessary form and discuss the change with his or her school counselor and teachers involved. An administrator must approve the schedule change. No change is complete until approved by all those above and notice is given. Course change requests will only be honored for extenuating circumstances.

### **SCHOOL HEALTH SERVICES**

The school nurse is available for students needing medical assistance. Emergency care will be administered to students who become ill or have an accident during school hours. In case of major illness or accident, the following policy will be followed:

- Parents will be called for instructions;

- In the event that a parent/guardian cannot be contacted, the student will be taken to the nearest hospital and if necessary, 911 will be called. In all cases, the welfare of the pupil will be the first consideration.
- Treatment of minors in the emergency room is given without consent of parent or guardian only in life-threatening situations. All expenses incurred are the responsibility of the parent/guardian.

Prescribed or over-the-counter medications taken during school hours must be registered with the school nurse who will monitor the administration of all medicines. Parent/guardian permission is required in order for students to take medicines during school hours. **A procedure for administration of medication at school form** must be signed by parent/guardian and the prescribing physician. Students requiring assistance from the school nurse must first report to their assigned class and secure permission to see the nurse. In addition, when arriving at the nurse's office, students must sign in with the nurse to assure proper attendance recording. Failure to do this may result in a class cut for the student. At no time should the students be in the nurse's office without proper permission. Parents/guardians are encouraged to advise the nurse of all medications a student may be taking both at home or school.

#### EPINEPHRINE OPT-OUT

The Pennsylvania Public School Code, Section 1414.2(g) allows parents/guardians to request an exemption to the administration of an epinephrine auto-injector for their student. In order to request this exemption, contact the school nurse to make an appointment to discuss this decision, review and sign the opt-out form.”

Parents/guardians wishing to choose this option should meet with the school nurse to discuss their decision and then review and sign the opt-out form in the presence of the school nurse.

#### **STUDENT ASSISTANCE PROGRAM**

The Student Assistance Program (SAP) is available for any student experiencing difficulty in coping with the many pressures of adolescent life including alcohol, tobacco, other drugs, and mental health. The primary goal of the Student Assistance Program is to help students overcome these barriers in order that students may achieve, remain in school, and advance. Students themselves, other students, parents or staff members can make referrals. All correspondence and information relating to SAP is strictly confidential.

Student Assistance Program (SAP) referral forms can be found online via Canvas for students and staff. In the event of an emergency (threat of physical harm to self or others), please contact a school counselor, administrator or call 911 immediately, as school emails and phone lines are not monitored 24/7.
