

LEARNING COMMUNITY CHARTER SCHOOL

SPORTS PHYSICALS

Dear Parent/Guardian,

NJ Department of Education requires that all students in the 6th through 8th grades who participate in interscholastic sports have a pre-participation sports physical. The form can be downloaded from the school's website, or you can contact our office and we will send it home. This requirement will begin for Fall sports of the current school year. **Please fill in Part A Health History Questionnaire completely and sign it. Explain all "yes" answers. Your child's Health Care Provider will review it and complete Part B. Please ensure that the Health Care Provider fills in all blanks. Incomplete forms will be returned.** Send the completed form to school before the first day of practice. NO student will participate in any interscholastic sport without the required form. This physical is valid for 365 days.

We know this is an additional burden in both time and expense, but it is in the best interest of your child's health and safety.

Please schedule your appointment with your child's Primary care physician early in order to be ready for the fall.

Please call the nurses office if you have any questions.

Thank you for your cooperation.
