FROM THE PRINCIPAL

Dear Seventh Grade Families,

It was great having our "Sevies" on campus today for BOOT Camp. We are grateful to our seventh-grade teachers and Ms. Connelly for their leadership of this event. Thank you to our parent community for their support. I am sure your dinner time will be filled with excitement and amazing stories. During the day we had activities to help them acclimate to junior high, start to develop an identity as the class of 2030, and develop relationships with their fellow classmates and our incredible staff.

Thank you to all of our parents that volunteered and/or donated items to make this a successful experience for our seventh-grade class. It was a great way for us to help them prepare for junior high and make them feel welcomed at their new campus. I started the day looking forward to seeing our students and ended the day excited for the year ahead.

Throughout the year we want you to keep in touch with what is going on at our junior high and your child's academic record. There are three great resources for you to stay connected. Each Tuesday and Thursday we will email home our Junior High Announcements. You will also want to regularly

check our 7 th grade website for our grade specific academic/test calendar, teacher contact information, assignment spreadsheets, and much more. The last valuable resource I want you to be aware of is our Infinite Campus Parent Portal where you can stay current with your child's grades and assignments in each of his/her classes throughout the semester.

We look forward to seeing you at our **Back-to-School Night next Tuesday, August 20 from 6:00 pm - 8:00 pm.**

Thank you for giving us the opportunity to partner with you in our mission to raise exemplary citizens.

Respectfully,
Hugh Di Pretore
TCA Junior High Principal

Student Google Accounts Change

D20 has made some changes to how students log into their Google accounts. Students will now need to log into Google accounts using the format of Student#@msa.asd20.org. This should help simplify student access across different systems as they will now use the same user id when logging into Microsoft and Google products.

Yearbook:

Our yearbook staff would covet any photos you're willing to share with us! (Especially Boot Camp, first day of school, and fall sports!) The staff is made up of busy high school students, so we rely heavily on your contribution of photos to get the book produced!

You can share photos by visiting: <https://hjeshare.com/eShare/home> Enter code: tcajh (case sensitive)

OR

Download the eShare app wherever you get your apps! Code is the same.

Since the staff is comprised of about 10 high school students, we also don't always know who is in the photos. So while we know filling in the blanks is time consuming, your time is SO appreciated when it's time to accurately identify students. Yearbook order info will be coming to your announcements in the next couple days, and early birds will get a little discount. Thanks so much for partnering with us!
