6.4 Bond Resolution

**A REFUNDING BOND RESOLUTION DATED AUGUST 8, 2017, AUTHORIZING THE BELFAST CENTRAL SCHOOL DISTRICT, ALLEGANY COUNTY, NEW YORK (THE “DISTRICT”) TO ISSUE UP TO \$5,000,000 OF REFUNDING BONDS OF THE DISTRICT IN CONNECTION WITH ITS PARTICIPATION IN A POOLED REFUNDING BOND PROGRAM BEING STRUCTURED AND IMPLEMENTED BY THE DORMITORY AUTHORITY OF THE STATE OF NEW YORK (“DASNY”) PURSUANT TO WHICH THE DISTRICT WILL BE ABLE TO ADVANCE REFUND (I.E., REFINANCE) CERTAIN OUTSTANDING LONG-TERM OBLIGATIONS OF THE DISTRICT IN ORDER TO ACHIEVE FUTURE DEBT SERVICE SAVINGS AND TO AVOID FUTURE ADDITIONAL COSTS TO THE DISTRICT, AND FURTHER AUTHORIZING THE DISTRICT (ACTING THROUGH THE PRESIDENT OF ITS BOARD OF EDUCATION) TO ENTER INTO, DELIVER AND PERFORM (A) A FINANCING AGREEMENT WITH DASNY, (B) ALL AGREEMENTS, CERTIFICATES OR OTHER DOCUMENTS REQUIRED UNDER OR CONTEMPLATED BY THE FINANCING AGREEMENT AND (C) ALL OTHER AGREEMENTS, CERTIFICATES, OR OTHER DOCUMENTS REASONABLY RELATING TO THE STRUCTURING, PROMOTION, CLOSING AND IMPLEMENTATION OF SUCH PROGRAM.**

**WHEREAS**, in 2011 the Belfast Central School District, Allegany County, New York (the “District”) and the Dormitory Authority of the State of New York ( the “Authority”) entered into a financing agreement pursuant to which the Authority issued its School Districts Revenue Bond Financing Program Revenue Bonds, Series 2011B in the aggregate principal amount of \$327,315,000 (the “Prior Authority Bonds”), a portion of the proceeds of which were used by the Authority to make an \$11,045,000 loan to the District to redeem and retire a certain outstanding bond anticipation note of the District that was originally issued for the financing of a capital project within the District; and

**WHEREAS**, the District concurrently delivered its bonds in the total aggregate principal amount of \$11,045,000 (\$8,685,000 Series 2011A and \$2,360,000 Series 2011B) (the “Prior District Bonds”) to the Authority to evidence its obligation to repay such loan; and

**WHEREAS**, the Authority is now in the process of structuring a proposed 2017 pooled bond refinancing transaction pursuant to its ongoing School Districts Revenue Bond Financing Program (the “Transaction”) under which certain of the Prior Authority Bonds and (with the approval and consent of the District) callable Prior District Bonds in the aggregate principal amount of \$4,715,000 maturing in the years 2022-2039, inclusive (collectively, the “Refunded Bonds”) would be advance refunded (i.e., refinanced) to allow the Authority and the District to achieve substantial debt service savings by replacing the older bonds with newly-issued bonds bearing interest at today’s historically low rates; and

**WHEREAS**, in order for the District to realize the potential for certain long-term debt service savings with respect to the Refunded Bonds, and in order for the District to avoid certain

future additional costs to the District that could result from the possible “re-set” by the State of New York (the “State”) of its assumed amortization reimbursement rate for school capital projects, the Board of Education of the District (the “Board”) has determined, after consultation with the District’s Superintendent of Schools and the District’s School Business Administrator, and the financial advisory and bond counsel firms retained by the District, that it would be prudent for the District to consider the advance refunding (i.e., refinancing) of the Refunded Bonds; and

**WHEREAS**, the Refunded Bonds remain, by their terms, subject to the possibility of a call for redemption (at par) prior to their stated maturity date(s), and the District has determined to conduct such a call of the Refunded Bonds; and

**WHEREAS**, the Authority duly adopted, on May 29, 2002, its Master School Districts Financing Program Revenue Bond Resolution (the “Master Resolution”), and on one or more dates subsequent thereto duly adopted its Series Resolutions authorizing multiple series of its School Districts Revenue Bond Financing Program Revenue Bonds (the “Authority Bonds”); and

**WHEREAS**, the Authority has deemed it necessary and in keeping with its purposes to issue under the Master Resolution and the applicable Series Resolution, the Authority Bonds therein authorized for the purpose of lending to certain school districts funds sufficient to (A) finance or refinance the costs of certain capital projects undertaken by such school districts, and (B) pay the costs of issuance of the bonds to be issued by the Authority; and

**WHEREAS**, the District has requested the Authority to refinance the Refunded Bonds, and the Authority has agreed, on the basis of certain representations and warranties to be made by the District, to make a loan or loans to the District to advance refund the Refunded Bonds; and

**WHEREAS**, the District desires to receive a loan or loans from the Authority upon substantially the terms and conditions set forth in that certain Financing Agreement to be entered into between the Authority and the District (the “Financing Agreement”), and desires to authorize the execution and delivery of up to \$5,000,000 of refunding bonds of the District payable to the Authority (the “District Refunding Bonds” or the “Bonds”) to evidence its obligation to repay such loan or loans; and

**WHEREAS**, pursuant to the Financing Agreement the District will deliver its District Refunding Bonds to the Authority and will pledge to the Authority, to secure the payments to be made by the District under the Financing Agreement, a sufficient portion of any and all public funds to be apportioned or otherwise made available by the State to the District;

**NOW, THEREFORE, BE IT RESOLVED** by the Board, by the favorable vote of not less than two-thirds of all the members of the Board, as follows:

**SECTION 1. For the purpose of advance refunding the Refunded Bonds, and generating moneys which shall be sufficient to pay (A) the principal amount of the Refunded Bonds (as well as any interest that may remain payable thereon through the date of the refunding, plus any redemption premium that may be payable thereon in connection with the refunding), (B) the costs and expenses incidental to the issuance of the District Refunding Bonds herein authorized and the Authority Bonds which they support, including, but not limited to, the District’s proportionate share of the fees and costs of the Authority incurred**

**in connection with the issuance of the Authority Bonds, (C) the fees and costs of the financial advisory and bond counsel firms retained by the District in connection with the issuance of the District Refunding Bonds, and (D) all other fees and costs of issuance associated with the issuance of the Authority Bonds and the District Refunding Bonds, there are hereby specifically authorized to be issued by the District the District Refunding Bonds, as contemplated by the Financing Agreement, in an aggregate principal amount not to exceed \$5,000,000, as described in the Financing Agreement. The Bonds shall be dated October 17, 2017 (or such other date as shall be determined by the President of the Board), shall be of the denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of each respective maturity (unless a bond of an odd denomination is required), and shall mature and shall bear interest on such dates as may be approved by the President of the Board and ultimately set forth in a Notice of Terms that is to be attached as Exhibit I to the Financing Agreement after the pricing of the Transaction (the “Notice of Terms”).**

**SECTION 2. The District Refunding Bonds shall be executed in the name of the District by the manual or facsimile signature of the President of the Board, and the District’s seal shall be imprinted thereon and attested by the District Clerk. The District Refunding Bonds shall contain the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, as the President of the Board shall determine.**

**SECTION 3. It is hereby determined that:**

(A) The maximum amount of the Refunding Bonds authorized to be issued pursuant to this resolution does not exceed the limitation imposed by the Local Finance Law; and

(B) The last installment of the Refunding Bonds will mature not later than the expiration of the maximum period of probable usefulness of each of the objects or purposes for which the Prior District Bonds (or the underlying bonds refinanced thereby) were issued, or in the alternative, the weighted average remaining period of probable usefulness of the objects or purposes (or classes of objects or purposes) financed with the Prior District Bonds (or with the underlying bonds refinanced thereby) or the weighted average remaining period of probable usefulness of all objects or purposes (or classes of objects or purposes) financed with the Prior District Bonds (or with the underlying bonds refinanced thereby), in accordance with the applicable provisions of the Local Finance Law. At the time of issuance of the Refunded Bonds, the maximum period of probable usefulness for the class of objects or purposes for which the Refunded Bonds were issued was 30 years.

**SECTION 4. A Financial Plan showing the estimated details of the proposed issuance of the Authority Bonds and the District Refunding Bonds has been prepared by the underwriter retained by the Authority (the “Financial Plan”). The Financial Plan shows the estimated sources, amounts and uses of all funds required to accomplish the Transaction, and is set forth as Exhibit A attached hereto and is hereby made a part of this resolution. The Financial Plan has been prepared based upon the assumption that the District**

**Refunding Bonds will be issued in the aggregate principal amount of \$4,815,000 and that the District Refunding Bonds will mature, be of such terms, and bear interest as set forth in the Financial Plan, which is hereby approved. The President of the Board is hereby authorized and directed to determine (or adjust) the amount of the Prior District Bonds (or any replacement bonds) to be refunded; the amount of the District Refunding Bonds to be issued (but not beyond a maximum amount of \$5,000,000); the date of such District Refunding Bonds and the date of issue, maturities, interest rates and other terms thereof; the provisions relating to any redemption of the District Refunding Bonds prior to maturity; whether the District Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities; whether the District Refunding Bonds will be issued as serial bonds or as term bonds; the terms of the private sale of the District Refunding Bonds to the Authority, including the form, terms and conditions of the Financing Agreement providing for the sale of the District Refunding Bonds, and all powers in connection therewith are hereby delegated to the President of the Board; provided that the terms of the District Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of any applicable law and shall be equal to or less than the total amount of District Refunding Bonds hereby authorized. The President of the Board shall file a copy of the certificate determining the final details of the District Refunding Bonds and the final Financial Plan with the District Clerk not later than ten (10) days after the delivery of the District Refunding Bonds, as herein provided.**

**SECTION 5. The President of the Board is hereby delegated all powers of the Board with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for the District Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.**

**SECTION 6. The President of the Board is hereby delegated all powers of the Board with respect to the decision as to whether or not (and under what arrangements and terms) to formally call in for early redemption the Prior District Bonds, which the Board understands must be redeemed if a successful refunding through the Authority is to be achieved. The Board's intent is to delegate this decision and all related matters to the President of the Board, in order to ensure maximum flexibility for the District within the Transaction, which is still in the process of being structured and finalized.**

**SECTION 7. The faith and credit of the District are hereby irrevocably pledged for the payment of the principal of and interest on the District Refunding Bonds as the same shall respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on the District Refunding Bonds becoming due and payable in such year. The execution and delivery of any of the Agreements that may have occurred prior to the date hereof is hereby ratified and approved.**

**SECTION 9. The President of the Board is further authorized to take such actions and execute such documents as may be necessary to ensure (if applicable) the continued status of the interest on the District Refunding Bonds as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and (if applicable) to designate the Bonds authorized by this resolution as “qualified tax-exempt obligations” in accordance with Section 265 of the Code. It is understood, however, that the District Refunding Bonds are not anticipated to be issued to the Authority on a tax-exempt basis, or to be so designated.**

**SECTION 10. In the absence or unavailability of the President of the Board, the Vice President of the Board is hereby specifically authorized to exercise the powers delegated to the President of the Board in this resolution.**

**SECTION 11. The District hereby determines that the issuance of the District Refunding Bonds is a Type II action that will not have a significant effect on the environment and, therefore, no other determination or procedures under the State Environmental Quality Review Act (“SEQR”) is required.**

**SECTION 12. The President of the Board and the District Clerk are hereby authorized and directed for and on behalf of the District to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved or contemplated hereby, including, but not limited to, the Financing Agreement, the other Agreements, and all documents defined therein, required thereunder, or contemplated thereby.
