PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

Want to shine on stage, rock the spotlight, get creative with set design, style awesome costumes, or master the art of sound and lighting? There's a spot for you in the Midland High School Drama Club. Join us and be part of the magic behind the scenes! Join us for a meet & greet and stick around for a screening of the off-Broadway show *Puffs: Seven Increasingly Eventful Years at a Certain School of Magic and Magic*. It's a relaxed evening of fun and theater on Tuesday, August 27th from 4:30-7 in the Little Theater.

POSITIVE THINKING

Be Present: You are exactly where you're supposed to be. You don't need to set HUGE goals just because it's a new school year, you simply need to accept where you are and start there.

Maybe you don't like where you are right now. Maybe you're struggling with something, wishing you had more friends, or feeling overwhelmed with starting school. That's okay. Be present in the difficult moments, and you will be able to find your way out.

If you're feeling like you're in a good place, slow down and embrace it. Pay attention to what is going well and why. This will help you remember what you need to do to feel positive when things are hard.

Start the first day of the new school year right by embracing the present:

"I am where I am supposed to be."

"I am always learning and growing."

"I am on my own path."
