Meeting Information

The meeting was held as a building project meeting with the District and Clark Patterson Lee to review building project plans. Because a quorum of the BOE attended the meeting, the meeting constituted an official work session of the Belfast Central School Board of Education.

BOE Discussion

Dr. Butler discussed the recent BOE tour of the building that was conducted on July 19, 2018 as part of the BOE retreat.

Josie Preston stated that she would like to see the front entrance of the building be utilized as the main entrance for the building.

Dr. Butler shared concerns that the front of the building presents issues with accessibility for individuals with disabilities, security, and space for the main entrance in its current form.

The meeting attendees went to the front entrance to look at the area and discuss options.

Ryne Wight will present the Board of Education with a preconfigured drawing of the front entrance for the BOE to review and consider.

Mike Roche entered the meeting at 9:15 a.m. to express his opinion on the possible movement of the Home and Careers classroom space.

Becky Backer and Patti Krotz left the meeting at 9:20 a.m.

Adjournment

The BOE will have a work session on July 31, 2018 at 6:00 p.m. to review the revised building project plans.

Motion by Josie Preston seconded by Chris Enders, to adjourn the meeting at 9:42 a.m.

Respectfully submitted,
