Kindergarten Orientation

Thursday, August 29, 2024

Ms. Almodovar, Mrs. Maggi, Mrs. Rivera and Mrs. Santacroce's classes

Dear Chester Elementary School Kindergarten Families,

I am happy to announce that we will be holding Kindergarten Orientation on Thursday, August 29, 2024 at 10:30am.

This event is open to all kindergarteners registered for the 2024-2025 school year at Chester Elementary School.

Once you arrive at the school, you and your child will have the opportunity to board a school bus. For many students this is the first opportunity to ride a school bus and we want to ensure that we ease any nervousness they, and you, may have about it.

Once we are done with the bus ride we will meet in the cafeteria, where we will present some information you'll need to know about Kindergarten at CES. During this time there will be an opportunity to ask questions regarding the upcoming school year.

When we are done in the cafeteria you and your kindergartener will proceed to the kindergarten wing of the school. During this time, you will get a chance to see your child's classroom, meet the teacher, and drop off your child's school supplies if you wish.

We value the importance of you and your child getting to see the environment that they will be spending so much of their time in this year. We hope you all are able to make it.

Warm Regards,

Mary Kate Boesch
