iPad Permission Slip

Belfast Central School believes technology is an important tool to meet the learning needs of all students. Individual student iPads are to be used for instructional purposes and are to be brought to school every day. Students are expected to use iPads in classes daily, just like a textbook.

This permission slip is an acknowledgement that students and guardians understand that:

- BCS iPads are monitored for inappropriate use via the District filtering software.
- Families are responsible for intentional destruction of an iPad.
- Students must bring their iPad to school, charged and ready for instruction every day.
- iPads will be checked out through the media center and must be returned at the end of the school year.
 - Students must go to the media center to check out a loaner iPad if they forget their iPad at home and must return the iPad at the end of the day.
 - Families are responsible for replacing any iPad that is not returned to school.
- Students must not leave their iPad unattended at any time (i.e. laying on a desk, in an unlocked locker, in the locker room, etc.)
- Students and families have reviewed the BCS Student Tablet Procedures.
