## Excerpt From the Desk of Superintendent, Page 2

“For the 19-20 school year, the principals and guidance counselor’s offices will be in room 124 (which has been the elementary computer lab). The main entrance for families to enter to *drop off or pick up students will be through the door used to enter the building for the fitness center.* A camera and buzzer will be moved to the entrance before the start of the school year.”

## WELCOME BACK TO SCHOOL PICNIC

August 27, 2019 • 5:00-7:00 pm

All students and families in the Belfast Central School District are invited to meet the faculty/staff, participate in fun activities and enjoy our free picnic! Students in grades K-6 are encouraged to bring in their school supplies! Since this is an opportunity for families to meet with faculty and staff, students must be accompanied by a parent/guardian. New families are invited to arrive at 4:30 for a tour prior to the picnic in the lobby by the auditorium.

**Picnic out back before, during, and after teacher meetings with free food for all!!!**

### Meetings in classrooms as follows:

- Grades 5 & 6 @ 5:00
- Grades 1 & 2 @ 5:30
- Grades 3 & 4 @ 6:00
- Grades 7-12 @ 5:30-6:00 (various teachers’ classrooms)
- Band, choir, art and physical education teachers will be available in the gym

**6:00 pm in the Auditorium - Grades 7-12 will receive schedules, student handbook review. Immediately followed by Senior’s mandatory meeting in the new cafeteria.**

**Raffle drawings in the Auditorium @ 6:45 pm (must be present to win)!**

There will be inflatables and face painting for students of all ages. Popcorn, cotton candy & snow cones for everyone! Water games are available at 6:30 pm. Bring a towel. No one will be allowed in the school on our freshly waxed floors after playing water games.

**We are looking forward to seeing you!!  
Come join the fun!!**

**First Day of School - Tuesday, September 3**

## Superintendent's Corner

### Preparing for Construction!

BCS is making significant progress on the 2018 Capital Improvement Project. The plan was submitted to the State Education Department for approval in June and has undergone architectural and engineering approval during the summer months. The approval process has successfully aligned with the project timeframe that was established by the Board of Education. Pending final SED approval, the project will go out to bid in September.

It is important that our community has as much information as possible as we undergo the construction project. The general timeframe for the project is as follows:

- September/ October 2019- Project components will go out to bid.
- November 2019- The BOE will award bids and sign contracts.
- December 2019- Construction will begin in the auditorium, music rooms, and office areas.
- February 2020- Remodeling of the bathrooms by the gymnasium will begin (after basketball season).
- Spring 2020- The site work for the new parking lot will begin.
- Spring 2020- The new auditorium, music spaces, offices, and secure vestibule will be completed.
- Summer 2020- All other components of the project will be addressed.

Because the construction project will begin in December, BCS has undergone changes over the summer to make it easier to start construction as soon as possible. **For the 19-20 school year, the principals and guidance counselor's offices will be in room 124 (which has been the elementary computer lab). The main entrance for families to enter to drop off or pick up students will be through the door used to enter the building for the fitness center. A camera and buzzer will be moved to the entrance before the start of the school year.** The District office will move to room 140 over Christmas break, and the business office was moved to the bus garage over the summer.

As construction progresses, we will do our best to communicate changes to our community. The goal is to have the project completed by the fall of 2020.

Additionally, the Board of Education awarded contracts for the capital outlay project to be completed by May 31, 2020, at the August meeting. The softball field will be renovated this fall, and initial work on the locker rooms will begin over breaks. Thank you in advance for your patience as we undergo the building renovations and for your continued support of BCS.

## From the Desk of Jessica Hess

*Pre-K - 4th Grade Principal*

It's hard to believe that it's already August and we will be back to school shortly! Teachers and staff have been busy learning and growing their craft this summer. Our teachers have attended many professional development opportunities to become familiar with the Next Generation Learning Standards, learn new teaching practices in reading, writing, and math, as well as expand and grow their knowledge on restorative practices in order to better support your child's social-emotional needs. If you are unfamiliar with restorative practices, check out <https://www.iirp.edu/restorative-practices/what-is-restorative-practices> to learn more!

We also have many new faces joining our elementary BCS family this year. Miss Jasmine Shephard will be teaching our students in our new Kindergarten through 2nd grade 12:1:1 class. Working alongside her as classroom and 1:1 aides will be Ms. Tammy Dahill and Ms. Jessica Buchholz. We will also be welcoming Ms. Sarah Noniewicz as a classroom aide in Mrs. Hamer's kindergarten room and Ms. Kristina Gould and a 1:1 aide in Mrs. Ross's pre-k room and as a support to our high school students. We welcome back Miss Emma Leigh who will be our new second grade teacher and Miss Lizzy Austin who will be our new fourth grade teacher. Please wish them well when you meet them and welcome them to the BCS family!

I look forward to seeing you all at our Back to School Picnic on August 27 from 5:00 to 7:00!

## From the Desk of Mike Roche

*5th - 12th Grade Principal*

As I write this it is hard to believe how quickly summer is flying by. Despite the rapid passing of summer vacation, I can honestly say I am looking forward to the return of our students on August 27th for our annual Back to School night, and then on September 3rd for the first day of classes.

Many of your teachers have already spent countless hours writing new curriculum and lesson plans, attending workshops, and researching educational ideas and techniques all in an effort to enhance and to continue to provide the best education for our students.

The custodial staff has been hard at work doing all that needs to be done in order to have our school polished and shinning for our opening day. While they are not yet done with everything, I know they will have everything all set for September 3rd.

When you receive your copy of the Belfast Code of Conduct, I encourage you to take time to read through the document and become familiar with it. Over the summer a great deal of time was spent reviewing and rewriting the Code of Conduct. As a result of this, major changes were made to the document.

In the closing weeks of summer vacation, I encourage you to spend some time as a family setting educational goals for the 2019-20 school year. One goal I would encourage all families to adopt is the creation of a homework-friendly area/environment in your home that will allow your children to excel. Your children receive the best education when you and our dedicated teachers work together as a team. It is the family's enthusiasm, support and involvement that inspires children to do their best, and a teacher's ability to teach what they need to learn. Working together we can achieve great things. Again, I look forward to seeing you at our annual Back to School night August 27th.

**DON'T LIKE WHAT'S ON THE LUNCH MENU? NO PROBLEM! STILL EAT FREE!!!**

The cafeteria staff and I are looking forward to another exciting year of trying new things! Remember, ALL STUDENTS grades PreK - 12 EAT FREE BREAKFAST and LUNCH!! This can even include packers if your child doesn't like the main meal. How? Easy! Pack your child a sandwich and then have them get at least 3 of the 5 components from the lunch line, and it's free! The five components are: Fruits, Vegetables, Grains, Meat/Meat alternative and Milk. For example, they can pick up a fruit, milk and a roll (or any combination of the 5) from the lunch line and that constitutes as a free lunch!

To help us with any future grants and funding, we ask that you please fill out the simplified **Free/Reduced Lunch Application** that is located on

the Belfast School web site. You can find it under "For Families", as well as under "Departments: Cafeteria". This information is kept confidential and is only used for school related purposes.

Also, don't forget you can put money on your student's account for extras and snacks through [myschoolbucks.com](http://myschoolbucks.com) (there is a small fee when using this site). You can keep track of how much your child has on their account and also be notified when they are getting low on funds.

If you have any questions, please give me a call 585-365-2646 ex 81107 or email me at [menders@belfastcsd.org](mailto:menders@belfastcsd.org).

*Mrs. Enders, Food Service Manager*

**2019-20 New Free and Reduced Lunch Form**

With the start of the CEP (Community Eligibility Program) grant that allows all students to receive one free breakfast and one free lunch, the annual free and reduced lunch application is no longer required. However, many grants offered to school districts require some form of income eligibility guidelines to verify that our district is eligible for various funding opportunities. With that in mind, we are requiring all families to fill out the much shorter version of the free and reduced application included below. If you have any questions, please feel free to contact Bob Lingenfelter at 585-365-8289.

List all occupants within your household below (parents, students and other occupants whether related or not):

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Please choose your annual household income range below:

_____ \$0 - \$20,000	_____ \$50,001 - \$75,000
_____ \$20,001 - \$35,000	_____ \$75,001 - \$100,000
_____ \$35,001- \$50,000	_____ \$100,001+

Please return the form either with your beginning of the school year paperwork to your child's homeroom teacher or send it to the Superintendent's office, attention Gina Larrabee.

# IMPORTANT Attendance Reminder

Please remind your child that they are required to be IN first period class at 8:05 a.m.

Note that excused and unexcused Absent, Tardy, and Early Dismissal dates are documented. At the end of each quarter a letter will be sent home with report cards to inform parents of attendance dates. Excuses are required in order to change "A"=(Absent) to "E"=(Absent Excused), and "T"=(Tardy) to "L"=(Tardy Excused). Excuses should be sent in within 24 hours of returning to school. A list of excused absences is in the student handbook.

When a parent request is made for a student to be excused early for a Doctor/Dentist/Ortho/Counseling/Professional visit, a note from the professional's office should be turned in to the school within 24 hours of returning to school. You may also request doctor's notes be faxed to 585-365-2648. You do not have to take your child to a doctor to have an illness excused. A note stating that your child is ill, briefly tell why (symptoms), with a signature and dates of absence is still an acceptable excuse.

## Drop Off / Pick Up Reminders

### Drop Off and Pick up of Students

All students will enter the building through the cafeteria door. We are asking that parents drop students off in the parking lot behind the school. Please remember that students should not be in the building before 7:45 AM.

### Sign in/out Procedure for all Students

- Students who are late or being picked up early, will be brought to, or picked up at the Fitness Center door located on the front corner of the school. Use parking lot on King Street.
- Parents and guardians must personally sign their children in and out.
- All parents and guests to the school will need to have a picture ID to enter the building, which will be scanned.

### Dismissal of Walkers

Student walkers will leave by the playground doors.

## BUS PICK UP TIMES

**For the safety of all our students, BCS will no longer be publishing students' bus pick up times in the school newsletter. Families will receive a letter from the school informing them of their children's morning bus pick up times.**

## DISTRICT TRANSPORTATION PROCEDURES

### **Please make note of the following regarding student transportation.**

Students will have only one pickup and only one drop off address. These may both be the same or may be two different addresses. Example: a student may be picked up at home and dropped off at a childcare provider. Both addresses must be within the boundaries of the school district. We will not pick up or bus students to any other address but the two provided us. (The district will not transport students to social functions such as parties, overnights, or youth group activities.)

Should you wish a permanent change in either of the two addresses, we will make those changes upon written notification to the office. The request must be received two days prior to the requested change. **Phone calls requesting changes WILL NOT be accepted. Requests for changes must be made in writing.**

The only exception to this procedure will be for baby-sitting situations involving a student in grades 7 -12 watching a student in our Pre K-6 program. We will allow, on occasion, either the Pre K-6 student or the 7-12 baby-sitter to change buses provided the following procedure is followed: A note from the Pre-K-6 student's parent/guardian and a note from the parent/guardian of the baby-sitter is submitted to the appropriate office by 8:05 AM the day the change will occur. The student will then be given a bus pass that must be presented to the bus driver of the bus they will be riding.

Bus drivers are not authorized to allow students who are not regular riders onto their buses without a bus pass signed by office personnel.

# Notices and Reminders

## BE A GOOD SPORT

Did you know that fans, players, and coaches of each school are rated for sportsmanship after each game? We would like to encourage all BCS sports fans to be positive in their comments to all players and referees. It is important to remember that as adults we need to set positive examples for the young people around us. Let's all make a concerted effort to encourage others by what we say and do. Be a good sport!

## GENERAL NOTICE

The Belfast Central School District complies with all applicable Federal and State regulations, laws and requirements including, but not limited to the following: the Rehabilitation Act of 1973, Americans with Disabilities Act and Section 504 Laws, Family and Medical Leave Act of 1993, Education Amendments of 1972, Title IX, Civil Rights Act of 1964, Title VII, Age Discrimination Act of 1975, Drug Abuse Office and Treatment Act of 1972, as amended, and the requirements of any other non-discrimination statute(s) which may apply.

The District does not discriminate in employment practices or in the planning and implementation of its educational programs because of factors such as age, race, creed, color, national origin, sex, disability, marital status, or arrest record. Anyone wishing to obtain information or lodge complaints on the part of the school district is asked to contact the Superintendent of Schools at 365-9940.

## SMOKING/ALCOHOL BANNED ON PROPERTY

Included in Education Law are provisions that impact every school district that directly or indirectly receives Federal funds. The regulations ban smoking, alcohol, e-cigarettes, vapor cigarettes, and the possession of firearms on school grounds. Belfast Central School will abide by those regulations. Everyone's assistance is necessary!

## NOTICE OF ASBESTOS REINSPECTION

In compliance with the U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), we performed re-inspections of each of our school buildings for asbestos-containing building materials. The inspection findings and asbestos management plans are on file in the school administrative office.

The EPA requires us to perform re-inspections of the asbestos materials every three years. Six-month inspections are performed during the school year.

All asbestos material in this school remains in good condition, and we will continue to manage them in place, as recommended by EPA guidelines.

You are welcome to view these materials anytime during normal school hours (Monday through Friday 8 a.m. until 4 p.m.) The Asbestos LEA Designee is available to answer any questions you might have about asbestos in our school building; the phone number is 365-2646.

## FIREARMS IN SCHOOL, MAINTENANCE OF PUBLIC ORDER

The Belfast Central School District has adopted various Board of Education Policy statements over the years relating to various issues focusing on public order. Pursuant to various laws and regulations be advised that firearms or other weapons are not allowed on school property. Education can flourish only in an environment of mutual respect, self-restraint, civility, and trust among all groups and individuals. The failure on the part of individuals to live by our rules for the maintenance of public order and discipline will be addressed in a prompt and serious manner.

## POLICY ON SEXUAL HARASSMENT

The Belfast Central School District has a policy concerning sexual harassment. The entire school and community is alerted to the fact that acts of sexual harassment are contrary to school district policy and will not be tolerated in the school district environment. In accordance with applicable laws and regulations, this policy applies to all staff members and students. Sexual harassment creates an unhealthy atmosphere destructive of the School District's educational purpose. The Board of Education will investigate alleged harassment and will affect an appropriate remedy when an allegation is determined to be valid. Such conduct violates Education Laws 3214, 3020A, and Civil Service Law 75. Any complaints are to be reported to the Superintendent of Schools who shall investigate the complaint.

## PARENTS "RIGHT TO KNOW" ADVISORY

Under the federal No Child Left Behind legislation, parents are required to be given several official notifications:

1. Parents may request information regarding the qualifications of their child's Title I teachers and paraprofessional staff. Parents may request specific information as to the following: ["Title I" Teachers are those supported by Federal Title I funds]

- whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- the teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees; and
- if the child is provided services by any instructional aides or similar paraprofessionals and, if so, their qualifications.

2. Section 9528(a)(1) of the legislation requires that each school district receiving Title I funds under No Child Left Behind shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses, and telephone listings. A student or a parent may request that such information not be released without prior written parental consent. In order to make such a request, please contact the high school guidance office at 365-8297 for further information. If you do not wish to have your student's information released to the military or to colleges without your expressed permission, you must send a signed, written statement to that effect to the high school guidance office.

Under the Sex Offender Registration Act (Megan's Law) information that is disseminated to the School District regarding the presence in the community of a convicted sex offender will be communicated to staff, community, and local law enforcement officials in order to ensure that the offender does not have contact with children.

Any information that the School District receives regarding a sex offender from a source other than the Sex Offender Registry, and which is maintained independent of the requirements of Megan's Law, will be available from the District, upon written request to the District Office, in accordance with the Freedom of Information Law.

## HEAD LICE PROCEDURES

Schools often experience problems with head lice when students return from extended vacation periods. If you have any reason to believe that your child may have come into contact with head lice during this vacation period, please consider checking your child's hair carefully before he/she returns to school.

The following is a listing of the procedures followed at Belfast Central School in regard to head lice.

1. Upon receipt by our health office personnel of reliable, confidential information, students in various classes may be checked for the possibility of head lice infestation.

2. Upon the discovery of head lice or nits (lice eggs), the school sends notification to all parents with children in the affected classroom(s), indicating that such a condition exists, along with recommendations for dealing with the situation. We trust that this information is helpful to you, and that you may then play a role in minimizing the possibility of contagion.

3. Upon the discovery of head lice or nits (lice eggs) for the third time in the same family in a given school year, county health authorities may be contacted and asked to intervene to help to remedy this situation. The family involved is informed that contact has been made.

## YOU CAN HELP!

1. If you discover that your child has head lice and treat your child at home, please notify our health office that this has occurred. We will confidentially check your child upon his or her return, and we may then check the other children in your child's classroom. Please check your child's hair regularly.

2. If you feel that you have reliable information regarding possible lice infestation in any child in our school, you might also consider notifying our health office. The information will be treated confidentially.

If you have any questions at all about any aspect of head lice, please contact the Health Office.

Thank you for your continued cooperation.

## HEALTH OFFICE

If a student becomes ill or injured in school or during a school activity, she or he should report to the school nurse, who will then make an assessment. When students are ill, they may not leave the building without permission. If the nurse is not in, students are to report to the Main Office. All students must be signed out before leaving school.

## DENTAL HEALTH CERTIFICATES

Dental Health Certificates are recommended and kept on file for grade Pre-K, K, 2nd, 4th, 7th and 10th.

## HEALTH PROBLEMS

If your child has any health problems, please let the school nurse know. This information will only be shared with those who need to know. If students have had illnesses or injuries over the summer, please inform the nurse.

# BCS 1st Annual Basketball Camp was a Huge Success!

## **VARSITY SOFTBALL**

**Coach Wilson**

This season was nothing short of a learning experience for every single one of the girls and myself. To be led by two seniors, and field three 8th graders behind them is incredible, but also slightly nerve-racking. Our record, at the end of the season, did not do justice for what these girls accomplished! We sat down at the first practice and talked about the importance of team work, and coming together as a family. I told them it didn't matter if we won a game, as long as at the end the girls came together as one. I can confidently say that was accomplished by sectionals. I'm so proud to have had this experience and to have coached such a great group of girls. They are young, but are on their way to greatness.

## **VARSITY BASEBALL**

**Coach Kenyon**

The varsity baseball team finished the season with an 11-6 record. We were undefeated in the league for the 3rd straight year going 6-0. We won the Allegany County Division II Championship for the fourth year in a row taking their league record over the last four years to 28-0. The boys won an epic semi-final game against Elba to earn the right to play in the section V championship game for the second straight year, unfortunately the season ended with a loss to Avoca.

- The 2019 team had 3 all-star selections; Adam, Kevin, and Johnny.
- Nick Ellison was voted MIP
- Adam and Kevin were also voted the County Co-MVP and team Co-MVP.
- Adam was voted Class D player of the year for the second year in a row.
- Kevin, Johnny and Adam added their names to numerous Section V and state records in their 5 yr. varsity baseball career.

## **MODIFIED BASEBALL**

**Coach Fuller**

The 2019 Belfast Modified Baseball team demonstrated great heart and diligence, which really showed how much pride they have in being a Bulldog! This group of kids performed positively together: first time getting a hit or bunting to stolen bases, catches, and pitching! They worked very hard all season and improved on all levels! The Modified team has great fans to cheer them on every step of the way! There will be great things to watch for from this group of kids, and it shows off the field, too!

**Great job to all of you Bulldogs!**

Special thanks to our bookkeeper and scorekeeper Dan Geyer, and the crew that kept our fields maintained!

Payment of taxes may be made during the month of September with no penalty or in October with a 2% penalty. No taxes will be collected in November at the school, by mail or at Allegany County Treasurer.

**Pesticide Notification**

The Belfast Central School District utilizes an Integrated Pest Management Plan that emphasizes the use of non-chemical solutions when pest removal from the district buildings or grounds is necessary. This plan is available for inspection in the district of office. This plan promotes proper storage of food items and to prevent any possibilities of unwanted pests. If it becomes necessary to eliminate pests, traps, environmental modifications, and/or mechanical means are utilized whenever possible. Occasionally, chemical pesticides may be used for serious or unsafe pest infestations for which other non-chemical means are either inappropriate or ineffective. You have the right to be informed prior to any pesticide application made to the school grounds and buildings. In certain emergencies, pesticides may be applied without prior notice. For more information contact the superintendent's office at 365-9940.
