Family Gift Giving

It is that time of year again! Community members would like to host the 7th Annual Family Gift Giving event for our students here at school. This will take place at the Belfast Town Hall Monday, Tuesday, and possibly Wednesday December 17-19. We are asking for any donations for gently used or new gifts for any family members (brothers, sisters, parents, etc.) or even wrapping paper/gift bags. Students PreK-6 have a chance to come "shop" for their family members and get their gifts wrapped to take home for Christmas presents. Our kids enjoy this each year. If you have any items you would like to donate or if you would like to volunteer to help wrap, please contact one of the following people: Gail DeRock (585) 307- 4171, Ethel Denning (585) 365-2282, or Lisa Denning (585) 610-7779. Thank you for your support! We will open it up to Belfast families Tuesday evening from 4-6pm.

Belfast Best

The following are this month's... Belfast Best

~ School Nurse, Amy Giboo

Amy has on multiple occasions shown that her care and concern for our students goes beyond the hours spent at school. She always has a welcoming smile and gives her time freely. Amy has shown her kind professionalism time and time again by offering medical service, advice, encouragement, or just a friendly ear.

~ Charlotte Marsh

Charlotte Marsh has a heart the size of Texas! A student was carrying in cupcakes for his birthday. He dropped his container, losing all of his cupcakes. Mrs. Marsh made a new batch for the student and his class. She saved the day and turned his birthday frown back around!

~ Thayne Cobb

Thayne Cobb deserves a Belfast Best award for trying every day to be a good friend to someone who is difficult to be friends with. He makes sure no one sits alone at lunch. Thayne has great character and compassion.

Preschool Has Been Busy!

Preschool has been busy these past few months! In September, we had to learn many new names and routines. In October, we went to the Farmer's Market in Caneadea, and then we had our own market in our classroom. In November, we've been busy playing in our Native American Teepee and our Pilgrim home as we learn about the first Thanksgiving. December is around the corner and we will be busy making gifts and learning songs! We all love Preschool!

Elementary Art

Art students created cityscapes based on graphic artist Ton Schulten from Germany. They also designed Charles Burchfield inspired Haunted Halloween houses, Mondrian collages, and autumn leaf pastel drawings. Jungle paintings inspired by Henri Rousseau, line drawings, Grant Wood inspired paintings, Japanese scroll art, and Australian Aborigine dot paintings are some of the work grades K-6 have been working on.

Students also have participated in a Recycling Poster Contest, and a DEC Bat Habitat Poster Contest. Student art work is kept in art portfolios in the art room during the school year. Work is saved for the Open House in the Spring, when art from grades K-6 is displayed. There are so many talented artists in Belfast, that it's always a bit difficult to decide which to save for the art show and what to display in school.

Hat/Dress Down Days

On a Friday morning has your child asked you for a quarter or said they want to wear a hat in school? Maybe you've been in our school on a Friday and have noticed faculty and staff wearing jeans or students wearing hats. Every other Friday we have "hat/dress down days" where students can pay a quarter to get their hand stamped with a special designated stamp to wear a hat; faculty and staff donate money to wear jeans to school. The money we collect is donated to various worthy causes in our community. Thank you for your support as we continue our "hat/dress down days" throughout the school year.

Income Tax Code

New York State resident income tax returns IT200 and IT201 require you to enter the name and code number of the public school district where you were a resident on December 31, 2017. The Belfast Central School code number is 044.

Middle School Ice Skating Trip

Middle School Ice Skating trip to the William O. Smith Center on November 16!

Nurse's Corner

Wow, this school year is buzzing past us so quickly!

Flu season is upon us and it is not too late to get yours' and your children's flu vaccine! You aren't just protecting yourself but everyone around you.

Be sure to bundle up before going outdoors. If you have need for a winter coat, gloves, hats, and or boots. Please contact me, I can help!

With cold weather comes winter sports. Here are some tips to stay safe and still have fun!

Safe Winter Sports and Activities

Set reasonable time limits on outdoor play to prevent hypothermia and frostbite. Have children come inside periodically to warm up.

Using alcohol or drugs before any winter activity, like snowmobiling or skiing, is dangerous and should not be permitted in any situation.

Ice Skating

- Allow children to skate only on approved surfaces. Check for signs posted by local police or recreation departments, or call your local police department to find out which areas have been approved.
- Advise your child to:
 - o Skate in the same direction as the crowd
 - o Avoid darting across the ice
 - o Never skate alone
 - o Not chew gum or eat candy while skating
 - o Consider having your child wear a helmet, knee pads and elbow pads, especially while learning to skate to keep them safe.

Sledding

- Keep sledders away from motor vehicles.
- Children should be supervised while sledding.
- Keep young children separated from older children.
- Sledding feet first or sitting up, instead of lying down head-first, may prevent head injuries.
- Consider having your child wear a helmet while sledding.
- Use steerable sleds, not snow disks or inner tubes.
- Sleds should be structurally sound and free of sharp edges and splinters, and the steering mechanism should be well lubricated.

Amy Giboo RN

- Sled slopes should be free of obstructions like trees or fences, be covered in snow (not ice), not be too steep (slope of less than 30°), and end with a flat runoff.
- Avoid sledding in crowded areas.

Snow Skiing and Snowboarding

- Children should be taught to ski or snowboard by a qualified instructor in a program designed for children.
- Never ski or snowboard alone.
- Young children should always be supervised by an adult. Older children's need for adult supervision depends on their maturity and skill. If older children are not with an adult, they should always at least be accompanied by a friend.
- All skiers and snowboarders should wear helmets. Ski facilities should require helmet use, but if they do not, parents should enforce the requirement for their children.
- Equipment should fit the child. Skiers should wear safety bindings that are adjusted at least every year. Snowboarders should wear gloves with built-in wrist guards. Eye protection or goggles should also be used.
- Slopes should fit the ability and experience of the skier or snowboarder. Avoid crowded slopes.
- Avoid skiing in areas with trees and other obstacles.

Here at Belfast Central school we will be starting a dental program with Gundlah Dental Center. Packets will be coming home, if you don't receive one please let me know!

Thank you, and have a wonderful Holiday season! As always please contact me with any questions or concerns.

IMPORTANT Attendance Reminder

Please remind your child that they are required to be IN first period class at 8:05 a.m.

Note that excused and unexcused Absent, Tardy, and Early Dismissal dates are documented. At the end of each quarter a letter will be sent home with report cards to inform parents of attendance dates. Excuses are required in order to change "A"=(Absent) to "E"=(Absent Excused), and "T"=(Tardy) to "L"=(Tardy Excused). Excuses should be sent in within 24 hours of returning to school. A list of excused absences is in the student handbook.

When a parent request is made for a student to be excused early for a Doctor/Dentist/Ortho/Counseling/Professional visit, a note from the professional's office should be turned in to the school within 24 hours of returning to school. You may also request doctor's notes be faxed to 585-365-2648. You do not have to take your child to a doctor to have an illness excused. A note stating that your child is ill, briefly tell why (symptoms), with a signature and dates of absence is still an acceptable excuse.

Middle School News

Veterans Day

Belfast Central School celebrated our Veterans during our annual Veterans Day celebration. We thank our Veterans for their service!

For the first time, Belfast sent teams to the local LEGO League competition at Houghton College on Saturday, November 17th. Since September, three teams have been practicing twice a week after school in preparation for this tournament. The tournament consisted of four parts: a research project presentation, robot design, a team building exercise around the LEGO League Core Values of generous professionalism and communication, and our favorite—the robot competition! The theme this year was “Into Orbit.” For the research project, the Space Mission team researched waste in space and specifically the International Space Station. They came up with a washer/dryer for the space station so the astronauts don’t have to throw their clothes away. The Rovers team created the idea of an app astronauts could use to communicate with their families and friends. The Space Nuggets created a sound proof door for astronaut sleeping pods so they can sleep better. While we learned a lot doing our research projects, we enjoyed coding our robots the most. At the competition we had three different chances to complete our missions and collect as many points as we could for our team. For each round we have two and a half minutes to complete as many missions as we could. We worked in pairs to set up our team robot and run a program we had created previously. The students were able to compete and made huge improvements throughout the day. We are excited to come back next year and be apart of this amazing event BOCES puts on for us. If you are in 4th-8th grade next year and want to join us, look for try outs in the spring.

BCS Volleyball Team Support the SPCA

Belfast-Friendship Varsity Girls Volleyball

Our team showed great improvement and promise this year with a record of 6-11. We started the year with 11 players, 7 Belfast and 4 Friendship, but were down 2 for most of the season due to injuries. The seniors of the team, Ashley Estabrook and Jadyn Golden, often led the stats with aces, digs, hits and blocks. Their strengths on the court will be missed. Fortunately, each player remaining on the team improved their skills and confidence throughout the season. Some girls are already making plans to attend summer volleyball camp at Houghton College in preparation for next season. When reflecting on the season, Coach Ross replied "It was a fun group to be a part of and I'm proud of what we accomplished. I can't wait to see what is in store for us next year."

Players on the team participated in community service projects including helping with the SPCA auction, collecting blankets for S.T.A.R., and preparing a meal for a local family in need. After serving others, a few players commented on how good it felt to "help". As their coach, I felt that helping my girls recognize the power of giving was even more gratifying than watching them succeed on the court. I'm proud of these young ladies and feel blessed to have had them as part of our team. – Coach Joanne Ross

Special notes of thanks: snacks – Grandma Estabrook, substitute book keeper - Lynn Kunz, scoreboard keeper - Mrs. Struckman, line judges – Kevin Ross, Christina Cunningham, Scott Hamer, Wayne Ross, bookkeeper – Mrs. Burr, Assistant Coach – Kayla Ross, Mr. Sullivan, all of the custodians, bus drivers, school administrators and board, and of course ALL OF THE PARENTS, FAMILIES and spectators for supporting our girls! ☺ We couldn't do it without you!

A special thanks to Marion Brundage for the great job she does each morning serving our high school students at the Breakfast Cart. She greets each one by name, and is always pleasant and kind.
~ Mrs. Arnold

Adam Enders

Congratulations to Adam Enders who received Section V Class D2 Player of the Year and the Jeff Farnsworth Small School Section V Player of the Year.

THANKS

A special thanks to Marion Brundage for the great job she does each morning serving our high school students at the Breakfast Cart. She greets each one by name, and is always pleasant and kind.

~ Mrs. Arnold

Girls' Varsity Soccer

I would like to thank our Girls' Varsity Soccer players for the hard work you all put in to our team. We set some goals on Aug. 13th and were able meet these goals, and then some. As a team we were led by two seniors who have been with the soccer program for at least 4 years and have shown great work ethic and leadership. These two ladies, Mackenzie Hurd and Kayleigh Blocho, led our defense and will be missed more than they know. The team's leading scorers this year were: Hanah Helms (17 goals) Harley Proctor (3 goals), Cierra Wallace (2 goals), and both Kayleigh Blocho and Alicia Borden each had 1 goal. We played the first round of sectionals against Scio and won the home match 2-1, which sent us into the semi-finals to face off with Hinsdale. Hinsdale ended our season. We are still a very young team, but if we continue to improve like we have the past two years we will be the team to beat in our division. I look forward to next year, just to see how much they all have improved.

We had two Allegany County All-Stars this year: Hanah Helms and Cierra Wallace. Great job ladies! Kayleigh Blocho was selected to the Section V Exceptional Senior team.
~ Coach Schneider

Boys' Varsity Soccer

This year the Boys' Soccer team ended up with a record of 15 wins and 3 losses and 1 tie. They started off the season by winning the Belfast Tournament. We entered the playoffs as the #2 seed. The team won two playoff games and fell short in the championship game.

There were many awards that players on this team earned throughout the season. All of these awards could not be achieved if they did not play and work like a team. Hunter Enders, Alex Enders, Matt Weaver, Mackenzie Cox and Adam Enders were recognized as All-Stars for Division Two in Allegany County. Adam was also selected as the player of the year. Adam was voted as the small school player of the year. Caleb Caiazza, Adam Enders and Andrew Blocho were selected to the All-Tournament team which is voted on during sectional play.

This was an amazing group of young men that showed great teamwork, dedication, and work ethic in achieving the team goals that they had set prior to the season. We will be losing seven Seniors this year: Adam Enders, Alex Enders, Kevin McCumiskey, Noah Bentley, Trent Dowd, Johnny West, and Mackenzie Cox. The team and I would like to

thank these guys for everything they have done to contribute to the soccer program here at BCS. We wish you the best of luck in your future. I will be looking forward to working with the boys who will be returning next fall.

The team and I would like to give a big thank you to all of the people at the school and the community who supported and showed off their BCS pride and spirit throughout the season.

~ Thanks, Coach Sullivan

Co-ed Modified Soccer

This year the co-ed Modified Soccer team ended with a record of 6 wins and 5 losses. The team made great strides in their skills and teamwork throughout the whole season. The team displayed positive sportsmanship during the season. The team and I would like to thank Mrs Mahon for keeping the book, and Dan Geyer for running the clock. I had a lot of fun coaching this young group of soccer players.

Keep up the dedication and hard work!

~ Coach Fuller
