“a school dedicated to excellence”

ATTENTION JUNIORS & SENIORS

Any Senior who still needs help applying to college and/or filling out FAFSA forms for financial aid can stop by the guidance office for help!

SAVE THE DATE: The Penn York College Night will be held on March 19 at St. Bonaventure University from 6-8 pm. Over 50 colleges and universities will be on hand to meet with prospective students. It is never too early to start the college search process!

Attention Juniors: SATs and ACTs are important tests for college bound students. Any Junior who is thinking about the possibility of college should plan to take one or both of these tests. College entrance exams are one piece of information that many colleges look at when considering students for admission. Other considerations include: grades, course selection, class rank, activities, community service and recommendations.

Students must register online to take these tests. See Mrs. Heaney for help or for more information. Keep the following dates in mind.

Register for the SAT at collegeboard.org

The test fee is \$47.50 for the SAT without the essay test and \$64.50 for the test with essay. Fee waivers are available for qualified students.

Test date	Register By
March 9	Feb 8
May 4	April 5
June 1	May 3

Many students find they do better on one test over the other, so it is a great idea to take BOTH the SAT and ACT. Colleges and scholarship programs will look at either test.

For the ACT register at actstudent.org

The fee is \$50 without the essay and \$67 with the essay. Fee waivers are available for qualified students.

Belfast Reads!!!

During February, we're going to have a month long celebration of reading. Here are some ways that you can help your child celebrate:

Friday, February 1

- **World Read Aloud Day:** Read a favorite book aloud at home.
- **Read My Shirt Day:** Wear a shirt with words on it to school.

Friday, February 8

- **Oh the Places You'll Go Day:** Wear a College T-Shirt or a shirt from a favorite vacation destination.

Friday, February 15

- **Drop Everything And Read Day:** Students will be reading all day at school. (We have lots of great reading activities planned!) Spend some time reading at home, too!

Friday, March 1

- **Dr. Seuss' Birthday:** Dress up like your favorite Dr. Seuss book. You might wear green for Green Eggs and Ham, or crazy socks for Fox in Socks, or silly patterns for Wacky Wednesday. Be creative!

All Month Long

- We will be doing an author study of Kate DiCamillo. See if you can check out any of her books at the local library to read together at home. (We'll be reading some in school, too.)
- Keep your eyes out for student created video reviews and book trailers that will be streaming on our school website and social media.

Bonus: Thursday, March 14

- Open House
 - ▷ **Library Cards:** Belfast Public Library will be here to help you sign up for a library card if you don't already have one.
 - ▷ **Book Swap:** Do you have books that you or your child has outgrown? Drop them off and you'll be able to swap out a new book for each one you bring in. Both adults and children may participate.
 - ▷ **Family Book Crate:** Reading together is a special time and your books deserve a special place. You will be able to create a book crate together as a family to take home.

February's Favorite Foods!

This month each grade is getting their very own day on the Breakfast and Lunch menu. We had every child in school vote for their top five favorite breakfast and lunch menu items. Can you guess what your child voted for? I hope the students enjoy this menu full of BCS favorites!

Building Project Update

With the approval of the Capital Project in October, it is important to keep our community as informed as possible on the progression of the project. Currently, the project is in the 'design phase,' which means BCS staff and members of the Clark Patterson Architecture firm are collaborating with stakeholder groups (teachers, BOE members, office staff, etc.) on every facet of the project to address the needs of the District. Critical items for each group are addressing safety and security, the functionality of every space, and the needs of our students.

A general timeframe for the project is below:

- November 2018-June 2019:
project design phase
- June 2019-August 2019:
project submission to SED for review and approval
- Fall 2019:
bidding period for work to be completed during the project
- Spring 2020:
construction to begin as early as possible
- August 2020:
construction to be completed before school opens for the 20-21 school year

We will be working with everyone to limit the number of disruptions to the normal functions of BCS, and we will try to communicate changes as soon as possible with the community. Please continue to check our web page for updated information.

Thank you for your continued support for our students and school.

Dr. Wendy Butler, Superintendent

Hat/Dress Down Days

On a Friday morning has your child asked you for a quarter or said they want to wear a hat in school? Maybe you've been in our school on a Friday and have noticed faculty and staff wearing jeans or students wearing hats. Every other Friday we have "hat/dress down days" where students can pay a quarter to get their hand stamped with a special designated stamp to wear a hat; faculty and staff donate money to wear jeans to school. The money we collect is donated to various worthy causes in our community. Thank you for your support as we continue our "hat/dress down days" throughout the school year.

Income Tax Code

New York State resident income tax returns IT200 and IT201 require you to enter the name and code number of the public school district where you were a resident on December 31, 2017. The Belfast Central School code number is 044.

THANKS

Thank you to all of those Belfast central staff members and the community members who made donations to help support Michaela Pastorius as she goes through chemotherapy at Roswell Park Comprehensive Cancer Center. Her benefit in December was a huge success. Also a big thank you & shout out to Faith Roeske and Tom Parks for thinking of Michaela when planning the alumni basketball game and donating the proceeds to her.

~ You are wonderful! Pam, Travis & Michaela Pastorius

The Comfort Closet

Sarah Beck, Social Worker at Belfast Central School, has organized a large assortment of clothing, sneakers, coats, boots and winter accessories for children and teens. The sizes range from 2T to XL.

IMPORTANT Attendance Reminder

Please remind your child that they are required to be IN first period class at 8:05 a.m.

Note that excused and unexcused Absent, Tardy, and Early Dismissal dates are documented. At the end of each quarter a letter will be sent home with report cards to inform parents of attendance dates. Excuses are required in order to change "A"=(Absent) to "E"=(Absent Excused), and "T"=(Tardy) to "L"=(Tardy Excused). Excuses should be sent in within 24 hours of returning to school. A list of excused absences is in the student handbook.

When a parent request is made for a student to be excused early for a Doctor/Dentist/Ortho/Counseling/Professional visit, a note from the professional's office should be turned in to the school within 24 hours of returning to school. You may also request doctor's notes be faxed to 585-365-2648. You do not have to take your child to a doctor to have an illness excused. A note stating that your child is ill, briefly tell why (symptoms), with a signature and dates of absence is still an acceptable excuse.

GREAT December Attendance

Mrs. Miller won GREAT DECEMBER ATTENDANCE for K-4, with only 2 unexcused absences!

Mrs. Miller's class received ice cream coupons compliments of Principal Hess.

Cub Scouts

Cub Master Jim Caiazza accompanied Pack 760 to the Belfast Manner. The Pack entertained residents with Christmas carols, and shared cookies with all who attended.

Nurse's Corner

**Happy February!
And greetings from the School
Nurse!**

I hope everyone is staying warm, and enjoying the New Year!

I thought since we just had the dental clinic we would talk about dental care.

February is National Dental Health Month!

Lifelong habits begin at home. Make dental health part of your daily routine and share these reminders with your whole family:

☉ Brush your teeth at least twice a day with fluoride toothpaste, especially after breakfast and before bedtime. Drinking water after eating also helps to clear your teeth of food particles.

☉ Floss every day. An adult should help children under the age of eight to floss. Older children should be ready to floss on their own.

☉ Limit the number of times you eat snacks, especially the sticky ones and long lasting ones.

☉ Visit a dentist regularly for a routine check-up and a cleaning.

☉ Protect your teeth by wearing a mouth guard when playing sports.

☉ Don't forget to change your tooth brush regularly, and after an illness.

Sweet snack facts:

Eating a lot of snacks with sugar may cause cavities.

Every time you eat sugar, plaque in your mouth mixes with the sugar to make acid. The acid hurts the teeth and causes decay over time. This can be painful!

Since I see a lot of nose bleeds, lets get some facts out there! Here are some tidbits for nose bleeds.

What causes Nose Bleeds:

The nose is a part of the body rich in blood vessels (vascular) and is located in a vulnerable position protruding on the face. As a result, trauma to the face can cause nasal injury and bleeding. The bleeding

may be profuse, or simply a minor complication. Nosebleeds can occur spontaneously when the nasal membranes dry out and crack. This is common in dry climates, or during the winter months when the air is dry and warm from household heaters. The incidence of nosebleeds is higher during the colder winter months when upper respiratory infections are more frequent, and the temperature and humidity fluctuate more dramatically. In addition, changes from a bitter cold outside environment to a warm, dry, heated home result in drying and changes in the nose which make it more susceptible to bleeding. Nosebleeds also occur in hot, dry climates with low humidity, or when there is a change in the seasons.

How to stop Nose Bleeds:

- Lean forward slightly with the head tilted forward. Leaning back or tilting the head back allows the blood to run back into the sinuses and throat, and can cause gagging or inhaling of blood.
- ◆ Spit out any blood that may collect in your mouth and throat. It may cause nausea, vomiting, or diarrhea if swallowed.
- Pinch all the soft parts of the nose together between the thumb and index finger.
- Hold the nose for at least five minutes. Repeat as necessary until the nose has stopped bleeding.
- Sit quietly, keeping the head higher than the level of the heart. Do not lay flat or put your head between your legs.
- Apply ice (wrapped in a towel) to the back of the neck to help slow the nose bleed.
- ◆ When it stops remember no blowing the nose. This will restart the bleed.
- ◆ Don't put anything in your nose (fingers, tissues) this will also restart the bleed.
- ◆ Take it easy, relax and sit down for a bit.

IF ANY NOSE BLEED LASTS LONGER THAN 10 minutes AND IT HAS NOT SLOWED DOWN PLEASE GO TO THE ER, or CALL YOUR PHYSICIAN!

Any questions or concerns please contact me.

Students Love the New Big-Little Student Mentoring Program

Elementary Judo

Judo classes have started in the cafeteria every Wednesday at 5:30pm. Students have been working hard learning the fundamentals of the sport, which is using maximum efficiency with minimum weight. These students are catching on fast! Please visit our Facebook page (Belfastjudo) if you would like more information about the club.

Belfast Public Library News

Along with Black History Month, International Friendship Month, and American Heart Month, February is also, Library Lovers Month. We want to know what you love about your library! We will have a display board set up for you to place hearts, that you make, telling us what you love about the library!

You can also come in for a "blind date" with a book. We will have some of our books set out with paper covers hiding their titles and we will give you a brief description or just the genre and you take your chances. It might end up being the best book you have ever read. ☺

Upcoming Programs:

February 2nd is National Take Your Child to the Library Day. Bring your kids in for a fun filled day of activities, crafts, snacks and BOOKS!

February 7th is National Send a Card to a Friend Day. Come in between 3-7 and make a card or two, to send to your friends. Valentine's Day is the following Thursday so it's a great time to get your cards made!

February 23rd we have a returning program favorite. Due to popular demand, we are bringing back our Story time with ferrets! Kids and adults can handle and interact with Tagg and Beowulf, our friendly, furry little ferret friends, as well as hear a story and make a fun craft. This will be from 11-12, our regular Saturday story time.

All month long we will have crafts out at the children's annex, so stop in and ask a clerk to help you get started! During mid-winter break (16th-23rd) we will have games and activities set out, so come down and join in!

Every **Wednesday from 11 to 12** we have story time and crafts with a snack, for children who are under age 5. This is a great opportunity for parents and caregivers to get your little ones out and socializing! We are focusing on animals this month during story time and we will be working on some great crafts, such as polar bear paintings and pet rocks! Check our Facebook page for pictures of what we've been having so much fun doing.

Our featured children's book this month: **Lovely Beasts: The Surprising Truth by Kate Gardner.**

Spiders are creepy. Porcupines are scary. Bats are ugly. Or are they . . . ? This captivating book invites you to look beyond your first impressions at these awe-inspiring animals in the wild. After all, it's best not to judge a beast until you understand its full, lovely life. New to the Children's Annex this month! This book will challenge and educate your children on the creatures we perceive as "beasts" in the world. Take a closer look at octopuses, sharks, hyenas, lions and more. Lovely Beasts takes us through the animals and points out what's beautiful about each one.

Would you be interested in showing off your skills and volunteering at the library? Do you have a program or event that you would like to see us do? Suggestions are welcome! Message us on Facebook, stop in or call.

BCS Mentoring

BCS is in need of adult mentors to spend an hour or two with a child every Tuesday. Our mentoring program is in its third year and the need for more mentors is robust.

We have mentors that have been with us since the inception of the program. We have lost a few mentors due to job changes, relocation, and lifestyle adjustments. The veteran mentors are very committed to the program and see large gains in the student that they work with. Because we meet in a group setting, all mentors and students have the structure of a very secure and planned event every Tuesday.

The photos from a January 2019 session involve making cakes, decorating cakes and creating graham cracker "gingerbread" houses.

Other sessions have themes or a central activity, but also allow for reading with, playing games, or conversation with students and adults.

For more information, please contact Jane Foster, Home to School Coordinator, at 585-365-2646 ext 2210.

Belfast Record Breaker

Congratulations to the Belfast Bulldogs Boy's Varsity Basketball team! On January 12th, the Varsity Basketball team took part in the Dan Barkley Showcase tournament at Alfred State. Belfast played Avoca, the New York State's #1 seed ranked Class D school. Belfast was able to edge out Avoca in overtime 82-77. Adam Enders broke the Belfast Central school record for most points in a single game with 54. (I attached a pic of the final shot but it's not the greatest.) The previous record was 52 held by John Covell in 1969. Every player on the team had an important role in this win and did exactly what was needed. Way to go Bulldogs!

Yeah, I am WEIRD:

(W)onderful,
(E)xciting,

In order to better protect our children, Belfast Central School is asking **PARENTS** to take a very important step in helping us to keep your child safe. Please call the school if your child is at home sick or absent from school for any reason. Our policy is to account for the attendance and absence of every child. We want to make sure that every child who leaves home for school arrives here safely, therefore **PLEASE** call **365-2053** if your child will be absent. Thank you again for helping us to keep your children safe.
