Superintendent's Corner

It is crazy to think that the school year is coming to an end, which is a great time for reflection. Students spend roughly seven hours a day, five days a week, for forty weeks in school, which is approximately 1400 hours a year at BCS. If a student spends their entire K-12 time at Belfast, they will spend nearly 18,200 hours in our walls, before considering extracurricular activities and events. It is with this frame of mind that I am writing to update our community on the initiatives underway at BCS.

As a District, we have spent the 18-19 school year focusing on the importance and impact relationships and empathy have on student learning. When students have relationships with teachers, administrators, and other school employees, they are more likely to attend school and to work harder on their academics. Students who feel and understand empathy develop higher order thinking skills, have increased performance, and better communication skills. BCS is committed to supporting the emotional needs of students, which is why these areas are critical to the time emphasized during the school day.

Additionally, the District has spent the year planning for the capital project that was approved by the Belfast community in October. The plans have been submitted to SED for approval and construction is on track to start in December of 2019. The overall impact of the project will improve facilities for our students and community.

Lastly, our teachers have participated in numerous hours of professional development to enhance instruction and increase student academic progress. Teachers have engaged in learning opportunities and data analysis to target instruction and to develop programs to target specific student instructional needs.

The direction our District is heading in is designed to maximize the outcome of the 18,200 hours each student attends Belfast Central School. Our goal is to support the academic, social/ emotional, and physical needs of our students and staff to create an educational environment that makes everyone proud! #BCSBulldogPride

Dr. Butler, Superintendent

We Can Help

Food security is an increasing problem in our society. Our Home to School Coordinator attempts to offset this challenge for families each week.

Cuba Cultural Center in Cuba, NY provides us with backpack food for children each week. Boxed macaroni and cheese, cereal, juices, canned soup, peanut butter, canned tuna and canned vegetables are available for students to help families provide nutrition for their children every weekend.

In addition, local churches generously donate snacks and other food items for students.

Recently, farm fresh produce from our aquaponics program is available in limited quantities. Lettuce, swiss chard and kale may be obtained by appointment only. Occasionally, locally produced eggs are also available for families to pick up by appointment. Delivery is also an option where transportation is problematic.

For more information, please contact Jane Foster at 365-2646 ext 2210.

Nurse's Corner

As this school year ends and summer begins remember to be safe in the sun. Make sure your kids are covered with sun protection. Every child needs sun protection. The lighter someone's natural skin color, the less melanin it has to absorb UV rays and protect itself. The darker a person's natural skin color, the more melanin it has. But both dark- and light-skinned kids need protection from UV rays because any tanning or burning causes skin damage. The American Academy of Dermatology (AAD) recommends that all kids — regardless of their skin tone — wear sunscreen with an SPF of 30 or higher. Whatever sunscreen you choose, make sure it's broad-spectrum (protects against both UVA and UVB rays) and, if kids are in or near water, is labeled water-resistant. Apply a generous amount and re-apply often.

A reminder for students that have medications, inhalers, and epi-pens in my office needs to have parents pick up medication by June 26th, 2019. If special arraignments are needed please contact me. And remember Physicals for next year for grades Pre-K, K, 1,3,5,7,9,11 will be due 30 days after the first day of school unless you let me know there is an appointment made later. Any questions please contact me. **And for sports – Physicals are due every year for sports!**

Have a fun and safe summer! I will miss all the kids and their stories! I can't wait for all the new stories next school year!

I will be checking my email through out the summer feel free to email me or call the school and the office can always reach me for questions or concerns.

Thank you,
Amy Giboo RN • 585-365-2646 x2205

GREAT April Attendance

Mrs. Koehler's class won **GREAT APRIL ATTENDANCE** for K-4 in April!

The class received ice cream coupons as complements of Principal Hess.

Mindfulness

Mrs. Nelson has been teaching the students in Kids Club about mindfulness throughout the school year on Tuesday afternoons. Being grateful is one way to become more mindful. It has been found that our bodies will calm themselves when we think about someone or something we truly appreciate. In order to promote this mindset, students from Kids Club created a gratitude tree to express thanks.

JOIN A SUMMER GROUP!

Please contact Mrs. Nelson for more information on groups that will take place over the summer. Depending on interest, the following programs will be offered:

- ❖ Safe Dates (an adolescent dating abuse prevention curriculum)
- ❖ Banana Splits (support program for children of divorce)
- ❖ The Council (a strengths-based group approach to promote boys' & young men's safe & healthy development)
- ❖ Girls Circle (promoting resiliency in adolescent girls)
- ❖ Mother-Daughter Circle

DON'T BE BORED THIS SUMMER! SUMMER RECREATION FOR 1ST - 12TH GRADE!

Summer Recreation sign-ups will be held on Monday, June 3 from 5:00-6:00 pm, at the Belfast Town Hall. This program is for student entering 1st grade through high school. The fun will begin Monday, July 1 and end on Friday, July 26. Summer Rec runs each weekday from 9am-3pm. Activities will include Friday field trips, swimming, bowling, roller-skating, games and crafts. Cost is minimal for activities.

The Belfast School will provide a free lunch (11:30-12:30) and daily snack. Bagged lunches are also provided for our Friday field trips.

There will be an afternoon bus drop off in Caneadea and Oramel.

Please contact Lisa Denning at (585)610-7779 for information or questions.

Assistance may be available for those who cannot afford the entire cost for Summer Rec.

FIRST ANNUAL BCS BASKETBALL CAMP

This summer Belfast Central School is holding a basketball camp open to boys and girls entering the 4th – 9th grades. This camp is promoting a positive atmosphere for competition and dedication to basketball. Planting for Knowledge

Belfast Lions and the NYSDEC partnered again this year to distribute Eastern White Pine seedlings to students through the School Seedlings program. Forester John Cleveland and Lion Sheree Gielow met with Pre-K and Fourth Grade students on May 17th. The students learned about trees, the environment, and how they can help by becoming Pre-K Tree Care-Givers and Fourth Grade Foresters. Many thanks to Forester John, the Lions Club, teachers, and students.

National Archery in Schools Program

BCS is pleased to announce that it will be participating in the National Archery in the Schools Program in the 2019-20 school year. The program is open to students in good standing, grades 4th through 12th. NASP is a program that teaches archery as well as others life skills such as focus, self-control, discipline and patience. Participants will have an opportunity to compete locally and possibly at the state and national levels. Equipment will be provided by the school. No personal equipment is necessary, in fact it is not allowed. NASP requires that all archers shoot using the same standardized bows and arrows. The program at Belfast will be headed by Mr. Robichaud and Mr. Harrington. More information on the NASP program can be found at <https://www.naspschools.org/about/about-nasp>. Watch for more details as they become available.

Thank You !!!

Belfast Central School would like to thank the many community organizations, agencies, business's, entities and individuals who assist our students in a variety of ways throughout the school year.

Foremost, we want to thank our faculty, staff, coaches and administration who go above and beyond for our students every single day. Many give anonymous donations to assist specific students in a variety of ways.

No less importantly, our caring and compassionate community is comprised of countless people who assist our school district in a multitude of avenues. We could not deliver the educational services and supports that we are able to offer without your dedication and unflinching support.

The Comfort Closet

Sarah Beck, Social Worker at Belfast Central School, has organized a large assortment of clothing, sneakers, coats, boots and winter accessories for children and teens. The sizes range from 2T to XL.

The clothing closet is available for all students at any time during the school day. Students can discreetly contact Ms. Beck, Mrs. Nelson, Mrs. McGarvey or Ms. Foster to help them gain access to the closet.

In addition, there is a large assortment of hygiene supplies including deodorant, shampoo, conditioner, toothbrushes, toothpaste, combs, hairbrushes and other items.

All items are free. Hygiene supplies are recently purchased by generous donors. Clothing is gently used and clean.

We are currently not accepting clothing donations, but always appreciate the donation of new hygiene supplies. Please call Ms. Beck or Ms. Foster with questions about hygiene supply donations.

BCS Musical Department Represented at Six Flags Darien Lake Music Festival

The Belfast Music Department was well represented at the Six Flags Darien Lake Music Festival. The Junior High Choir received a Gold rating. Both the Senior High Choir and SWE (Symphonic Wind Ensemble) received the Gold distinction as well as 2nd place finishes with commemorative plaques!

Big-Little Bulldogs Tie-Dye

The Big-Little Bulldogs had 20 students in attendance at the Tie-Dye event. Students were able to tie-dye t-shirts and had fun doing a tie-dyed milk experiment.

Go to <https://www.cdmfun.org/tie-dyed-milk> for directions and enjoy doing this at home with your family. This program has been a huge success in its first year up and running. Thank you to all who have participated and supported the Big-Little Bulldogs this year. Please be on the lookout for new applications for the 2019-2020 school year!
