

“a school dedicated to excellence”

Class of 2018 - Top Five Students

Valedictorian

MEGAN ROSE

Salutatorian

ETHAN BLOCHO

BCS is proud to announce the Valedictorian for the class of 2018 is Miss Megan Rose! Megan is the daughter of Mary and Everett Rose and has earned a cumulative GPA of 95.74! Megan is Class President and has been actively involved in many things throughout high school including soccer, basketball and softball. She is the president of the National Honor Society and the Student Council. Megan has been a part of numerous theatrical productions over the years. She is a member of the Allegany County Teen Advisory Board. Megan has attended the highly competitive and rigorous New Visions Health Professions program this year and between the credits she earns there and additional college courses she has taken at BCS, Megan will graduate with 37 college credits (all-time high for BCS) and enter college as a Sophomore! Next year Megan will attend the University of Pittsburgh at Bradford majoring in Nursing! Congratulations, Megan!

The Salutatorian for the class of 2018 is Ethan Blocho! Ethan is the son of Larry and Mary Blocho and has earned a cumulative GPA of 95.26! During high school, Ethan has been a member of the soccer, basketball, baseball, and track teams. He has served as a class officer and a member of the National Honor Society. Ethan was selected to attend the Hugh O'Brien Youth Leadership Seminar and was an American Legion Boy's State representative. Ethan has been active in the instrumental and vocal music programs at the local, county and state levels. Ethan has attended the New Visions Health Professions program this year and has earned 34 college credits over the past two years. Next year, Ethan plans to attend the University of Buffalo majoring in Biochemistry.

SAMANTHA BURGIO

RYLEA COMSTOCK

GABRIEL LINDO

Superintendent's Corner

It is hard to believe the school year is coming to an end, and how fast the 18-19 school year will get here.

We are working on a plan to reorganize our building and morning procedures to enhance security in the building. In September, all offices, except the nurse's office, will be in the hall by the gym. The greeter's desk will be moved there over the summer, and families will use that entrance if they need to pick up or drop off their students during the school day. We will also have all students enter the building through the door that goes into the cafeteria upon entrance to the building next year. This will be the only student entrance in the morning. We will have someone stationed at the door to welcome our students every day. The District will send out reminders and specific details over the summer.

Our 18-19 school budget will also bring about some much needed updates to the building that will happen over the summer. This summer will be our first year implementing an annual summer painting schedule to paint classrooms and hallways. We will also be replacing stair treads to enhance safety. A new electronic sign will replace the current sign in front of the building.

Students and staff will also be greeted with new door security on the entrances and classroom doors when they return in September. We will be installing a card swiping system in our building over the summer, with the use of remaining building project funds. The new system will provide increased security and allow the building to go into a lockdown within five seconds of initiation if needed.

The 17-18 school year has brought about many changes in the District. The community support of our school has been outstanding. I look forward to continuing to lead this District.

Dr. Butler, Superintendent

MY SCHOOL BUCKS

Families who use MySchoolBucks to pay ahead for their school lunches, please be aware that MySchoolBucks **will not be accepting meal payments after June 8th.** The program will be up and running again starting mid-August. *Have a great summer!*

From the Desk of Mrs. Hess

As the school year draws to a close, I want to thank the BCS community for an amazing first year! From faculty and staff to parents to our amazing students, I have been met with a very warm welcome each time I have met someone new. I have thoroughly enjoyed my time as the Elementary Principal and Director of Pupil Services this year and look forward to what next year will bring.

This year certainly has been busy; our teachers have worked tirelessly to implement new curriculum, learn new teaching strategies, and provide our students with the best education possible. As we look towards next year, we will continue to align our curriculum, implement the new teaching strategies we have learned, and

improve our RTI system.

BCS is truly lucky to have the staff we have. Before the end of the school year, I urge you to take a moment and thank those who have worked with your child(ren) this year. Enjoy these last few days of this school year, rest up over the summer break, and I look forward to seeing everyone again in September! If at any time over the summer you have a question about your child's education or would like ideas on how to support your child's growth over the summer, feel free to contact me via email (jhess@belf.wnyric.org) or give my office a call (365-8847) and I would be happy to help in any way I can. Thank you again for making my first year at Belfast so amazing!

Belfast Best

The following are this month's... Belfast Best

Preston Outman - for turning in money to the office that he found.
Thank you for your honesty!

Mrs. Alessi and Mrs. Lingenfelter for being the terrific BCS Newsletter proof readers.

Jessica Weaver - She is an amazing helper, and the students absolutely love her.
Jessica always makes everyone around her smile!

Vicki Chamberlain - Vicki is incredibly kind and caring with our students.
She is willing to help students and teachers in any way that she can.

Wanda Weaver - Wanda always has a smile on her face, and a kind word to share.
She is so dedicated to her students, and our Belfast community.

Belfast Central School's Mission Statement

The mission of the Belfast Central School is to work together to provide a comprehensive, equitable, and quality education for all students based on the belief that all children can and will learn. The community, faculty, staff, parents, and students will cooperatively foster each individual's intellectual, moral, social, civic, and physical development so that Belfast Central School will continue to be looked upon as an example of excellence in rural education in New York State.

Great Monthly Attendance Award

Mrs. Miller's 1st grade class was awarded **GREAT APRIL ATTENDANCE** for K-4!

Mrs. Miller's 1st grade class won! Students will receive ice cream coupons complements of Principal Hess.

Mrs. Miller's class had only 2 unexcused absent/tardy for the whole month.

Great Job!!

April's Students of the Month

These students in May showed that they have growth mindsets by **Never Giving Up!**

- **Kindergarteners:**
Hannah Hill, Cooper Grastorf, and Caleb Stork
- **1st Graders:**
Savannah Miller and Conan Tallman
- **2nd Graders:**
Payton Booth, Khloe Jenkins, Alexis Preston, and Landon Wulf
- **3rd Graders:**
Derek Calanni, Afton Hamer, George Merrill, Sophia Rehler, and Kaylee Sortore
- **4th Graders:**
Alexa Ely, Donovan Fields, and Heather Padden

May's Students of the Month

These students in May showed that they have growth mindsets by **Encouraging and Celebrating Others.**

- **Kindergarteners:**
Evan Moore, Evan Trowbridge, and Tesslynn Weaver
- **1st Graders:**
McKylie Elliott and Lydia McDonald
- **2nd Graders:**
Kamdon Brown, Colden Caiazza, Alyssa Cole, Violet Edwards and Landon Wulf
- **3rd Graders:**
Richard Elliott IV, Carter Fenti, Grant Preston, Sophia Rehler, and Bill Truax
- **4th Graders:**
Monica Harriger, Kaylee Knorr, and Lucy Simzer

FINAL REGENTS EXAM SCHEDULE

All Regents Exams will be in the gym unless otherwise noted. Morning exams will start at 8 am and afternoon exams will start at noon.

Tuesday, June 5	AM	10th Grade Transition Exam in Global Studies
Tuesday, June 12	AM	English Language Arts
	PM	Algebra 1
Wednesday, June 13	AM	US History and Government
	PM	Living Environment
Thursday, June 14	AM	Earth Science
	PM	Algebra II
Tuesday, June 19	AM	Geometry
	PM	Physics
Wednesday, June 20	AM	Chemistry

Pre-K News

This year has ZOOMED by. We've had many special family events including making new placemats and nights just for Dads and Moms with their preschooler. A HUGE thank you goes to Dave Krivulka for his 29th year of building bird feeders with our preschoolers and dads at Dad and Me Night.

Preschoolers are taking advantage of the nice weather to improve gross motor skills on the big play ground. Ms. Lona, our occupational therapist visited our room to show us fun ways to strengthen our fingers and hands too. We even had pets visit the room. Allie had her sister and bunny came at Easter and James' dad brought Mitzi the 3-legged dog in for a visit too.

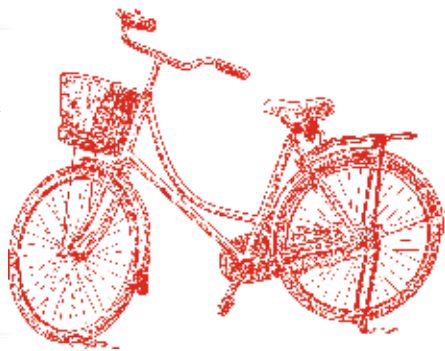

A favorite day is BEACH DAY and our students learned about oceans while enjoying some time at the beach. We play hard and work hard. Preschoolers acted as authors and read books to the class. Animal projects done both at school and home were created and presented to help us learn about the animals we will see on our zoo trip. We even planted a Rainbow Garden at the Main Entrance of the school for everyone to enjoy.

This year isn't even over and Mrs. Bogdan and Mrs. Ross are already meeting next year's preschoolers and families. It was fun inviting them to our classroom to meet us and each other. As this year comes to a close, another year is just around the corner. Preschool is a great place to be!

Bikes Available

BCS has bicycles to give away, while supplies last. Please contact Jane Foster at the Belfast Central School.

Second Grade News

Mrs. Romance's and Mrs. Weaver's second grade classes have been learning about and producing different types of poetry. Some of the kinds of poems they have produced are acrostics, alliteration poems, haikus, bio/character poems, autobiographical poems, and shape poems. They have been learning about rhyme, idioms, similes, metaphors, figurative language, stanzas, couplets, limericks, and much more. They also discovered that songs are actually poems! How cool is that? Shel Silverstein has become a favorite author during our poetry study, especially his poems from his book *Falling Up*.

★★ STAR LAB - First Grade ★★

This year our students had the pleasure of entering the Star Lab. Our host, Clay Nolan, gave us an overview of the different phases of the moon and our solar system. This was a great concluding activity for our class that wrapped up our unit on astronomy.

Earth Day Celebration

Our kindergarten and first graders were celebrating

our wonderful planet on Earth Day. The children chose an animal to research, and then they each created a presentation that included an Earth Day hat. We would like to thank all of the families and friends that came out to be spectators for our Earth Day Parade!

BCS Honor/High Honor Roll

3RD Quarter (2017-18)

HONOR ROLL

The following students earned an 85-92% average:

- **GRADE 5** - Matthew Barren, Sadie Estabrook, Dillion Kelley, Natalee Lindo, Danika Scott, Morgan Yackerren, Sophie Zillgitt
- **GRADE 6** - Carley Burrows, Michael Frazier, Cassandra Guilford, Tristan Jenkins, Aaliyah Knorr, Sean Mahon, Abigail Sullivan, Christopher Weaver
- **GRADE 7** - Tykota Burnell, Trevor Clark, Anna Drozdowski, Isabelle Male, Brianna Morton, Harley Proctor, Carter Stout, Canaan Sullivan
- **GRADE 8** - Alicia Borden, Selene Hamer, Christianna Hansgen, Max Miller
- **GRADE 9** - Kylie Francis, Christopher Fuller, Christian Lingenfelter, Christian Lopez, Kelsi Morton, Stephen Struckmann, Cierra Wallace
- **GRADE 10** - Andrew Blocho, Caleb Caiazza, McKayla Cross, Hunter Enders, Hanah Helms, Elisa Houser, Sarah Lindo, Kennedy Male, Rachel Marsh, Hailey Mitchell, Adelaide Sullivan, Ethan Treusdell
- **GRADE 11** - Noah Bentley, James Booth, Corey Brown, Alexander Enders, Hunter Lincoln, Kevin McCumiskey, Johnathan West
- **GRADE 12** - Sydney Ace, Daniel Geyer, Cassandra Hadaway, Dalton Hamer

HIGH HONOR ROLL

The following students attained an average of 93% or above:

- **GRADE 5** - Allyson Hazelton, Jenna Hill
- **GRADE 6** - Owen Heaney
- **GRADE 7** - Justin Hill
- **GRADE 8** - Jaiden Enders, Matthew Weaver
- **GRADE 9** - Nicholas Ellison, Melvin Hamer, Aidan Heaney, Emma Sullivan
- **GRADE 10** - Kyle Comstock
- **GRADE 11** - Adam Enders, Ashley Estabrook, Mackenzie Hurd, Julia Lindo
- **GRADE 12** - Ethan Blocho, Samantha Burgio, Rylea Comstock, Morgan Hamer, Gabriel Lindo, Megan Rose

Third Grade News

To celebrate our hard work on the state tests, the third graders went for a hike in the woods (at Allen Lake State Park). We had a blast building dams in one of the streams. Some groups built one big dam, while others built a series of dams to create small pools in between. We used what we had learned in second grade about rocks and mortar from a BOCES engineering kit to make our dams stronger. Thanks to the bus garage for transporting us and administration for letting us have this great learning experience.

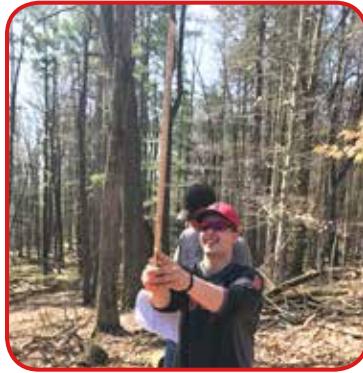

Lions Partner with the NYSDEC to Sponsor Arbor Day at BCS

Lions Cindy Struckmann and Sheree Gielow and Foresters Chris Enser and Dan Shaffer were able to distribute White Pine seedlings to Pre-K, Kindergarten, and Fourth Grade students on April 27th. Younger students learned how to become Tree Care-Givers and Fourth Graders received Fourth Grade Forester certificates. Many thanks to Chris and Dan for an excellent presentation about trees, our environment, and the New York State Saratoga Tree Nursery where our seedlings came from.

Envirothon

Kevin McCumiskey, Johnathan West, Mack Cox, Ethan Treusdell, and Ashley Estabrook participated in an academic environmental competition where we competed with other schools in Wyoming and Allegany county. They competed in Forestry, Soils, Aquatics, Wildlife, and Current Issues (Rangeland management). They learned a lot and look forward to competing again next year.

Fifth Grade Fiesta

Thanks to parent and student involvement and willingness to cook, bake, slice, dice, chop, shop... the 5th graders had a bit of a "fiesta" and were able to sample some typical Mexican foods, at the end of April. Fifth graders across the State, including here at BCS, read a book called *Esperanza Rising*, by Pam Munoz Ryan, which tells the story of Esperanza Ortega, a 13 year old girl who goes from "riches to rags" as she moves from a beautiful ranch in Mexico to California, during the Great Depression. In order to survive, Esperanza and her mother become migrant workers and live in a migrant camp, along with their former servants. There is much traditional Mexican food mentioned, as well as many fruits and vegetables which they farm, and so it is a fun experience for us to try some of those foods. We ate quesadillas, Spanish rice, guacamole, enchiladas, some traditional Mexican candy, almond cookies, and other goodies. Most kids were very willing to try new foods, and the help from the parents/grandparents/guardians was much appreciated by ALL of us!

Wellsville Library Art Show

Tia Hale recently participated in the teen photography art show at the Wellsville library. She had three photographs on display, one of which received an honorable mention award.

Recipients for the **Growth Mindset Learner Award** shown above: James Adams, Onalee Aronson, Delsin Bisig, Payton Booth, Jessie-Joe Chamberlain, McKylie Elliott, Pierre Lussier, Alexis Preston, Dustin Vaughn

Recipients for the **Outstanding Effort Award** shown above: Brianna Fields, Michael Frazier, Natalee Lindo, Harley Proctor

Recipients for the **Good Citizen Award** shown to the left: Braeden Geyer, Kyle McCumiskey, Carter Stout, Matt Weaver

Nurse's Corner

First and foremost, I want to say congratulations to the Class of 2018 graduating students! Good luck in all your future endeavors! Remember that life is what you make it!

Student medication pick-up is June 21, 2018. If medication is not picked up, it will be disposed of. Medication can only be picked up by an adult. If you are in need of a special time or day to pick up, please let me know so arrangements can be made.

Medications for the 2018-19 school year will need new authorization from the doctor; forms are available on the BCS website under *School Nurse*. This includes any over the counter medications such as Tylenol and Motrin.

NYS requires that all students in grades Pre-K, or K, 1,3,5,7,9 and 11 get a physical within the first 30 days of the school year. Physical forms are also located on the BCS website. Current physical forms and immunization records must be submitted to the nurse's office within the first month of school as well. Any questions or concerns, please contact me.

I wish everyone a happy and safe summer vacation! I look forward to seeing all your kids smiling faces September 4th!

Thank you!

Amy Giboo RN • 585-365-2646 ext 2205 agiboo@belf.wnyric.org

A Special Thank You from Amy Giboo, School Nurse

- To all the BCS staff, kids, and families for welcoming me this year to the school. I have enjoyed getting to know everyone!! And so excited for what is to come for next year!
- To Tina Lingenfelter and Gina Larrabee for always keeping me up to date . And always answering my list of questions! You are both an asset to BCS school and to me! Thank you both so much!
- To Charlotte Marsh for welcoming me and checking in on me! You are a wonderful person and I appreciate all you do!
- To Dr. Butler and Mr. Roche I thank you both for giving me this wonderful opportunity to be part of BCS!

Eighth Grade Project

Learning can be challenge for students with sensory issues or other learning challenges. Weighted lap pads may help students to feel emotionally grounded and better able to focus their attention during school. A few of Mrs. Marsh's 8th grade students sewed weighted lap pads for the elementary classrooms. With direct assistance from Mrs. Doris Warner who created a pattern, 4 lap pans were created by Alicia Borden, Matt Weaver, Ethan Babbitt and Ian Smith. Mrs. Hess Elementary Principal was so thrilled to have these available in our elementary classrooms.

Middle School Dance

THANKS

A special thanks to Matt Wooding:

“This young man opened and held the door open daily, and with a smile. It took all year for him to speak to me but he finally did. Every morning through rain, snow, sunshine he brightens many peoples day by being a gentleman and being a special person. Because Matt is a senior, I hope he always keeps the greatness he has.

Thank you for always being a great gentleman!!”

~ From Pam Litchner and Pre-K student Allie

New BCS Supper Club

BCS Art Show

Thank you to all who donated bottle caps and contributed to our school wide bottle cap mural project. Rosie Lanning and Mrs. Rhone worked on the design, while many student in Pre-k through 9th grade helped sort, cut, and arrange bottle caps. The finished design will be on display in the main foyer. We hope to make it a permanent installation in the school!

Thank you to Art Teacher Maria Rhone for making the May 15 Art Show at BCS a success!

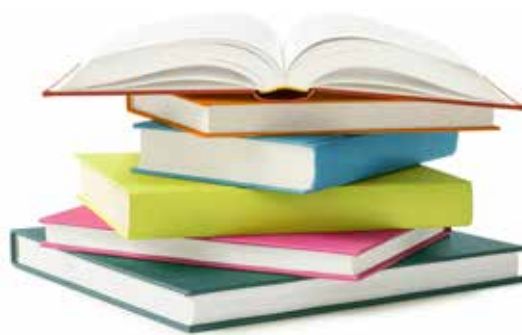

Literacy Day

Students in grades 1-4 had the opportunity to go to Houghton College as part of Literacy Day on Thursday, April 26. This is a day put on by Dr. Sunshine Sullivan, an education professor at Houghton and students in education classes, mainly college juniors. The college students were given spelling inventories ahead of time, analyzed the data, grouped students, and prepared an entire day's worth of lessons and activities to teach our children and give them an opportunity to experience different aspects of literacy. BCS students did word work activities, played games, read books, listened to read alouds, sang songs, did some writing, and so much more. They also got to take a tour of the campus. Thank you to Houghton College and Dr. Sullivan for hosting us again this year!

Belfast Public Library News

Things are heating up at the library for the summer! We have many upcoming events and exciting programs in the works. Our new materials are jumping off the shelves. We have added many new books and movies as well as non-traditional items like puzzles for kids and adults and new toys and educational games at the annex. We are in the process of planning resources for our homeschoolers. If you have any educational items or homeschool books that you no longer need, we would gladly accept donations. We are also putting together occupational play kits which we will be using for weekly themes through the summer and rolling them out to the public this fall. (Teachers, these would be great for your classrooms!) If you happen to be doing some spring cleaning and come across those gently used toys that your kids no longer play with and you would like to give them new life, bring them down to see if we can put them to use.

Our annual report is in and we're pleased to say that, along with the temperature, our circulation numbers are going up! We appreciate the support of the Belfast community. We like it when you pop in just to say hi, but we love it even more when you check out a book! Abbreviated reports are available at the library.

Upcoming events

- **Read and sign story time June 13th 11 am** - interactive ASL experience for children 5 and under with miss Megan and special guest, student interpreter Abigail Carls.
- **Dad and me day June 16th** - dads bring the kids down for a special day at the library with ice cream and games.
- **Story time is wrapping up on June 20th** watch our Facebook page for a special end of the year event
- **STEAM Maker space** - recycled book art on June 26th from 5-7, we will have materials available along with different project ideas for kids to choose from to encourage independent creativity.
- **Birds of prey on August 4th** - Our second annual event with Eagle Dream Rehabilitation Center. We will provide beverages and activities for the kids, this is a great opportunity to see wild raptors up close! It's going to be exciting as well as educational.
- **All of August we will be hosting live music** - for our annual Lawn Chair Concert Series at the town park on Monday evenings at 6pm with the exception of the finale starting at 5:30. Dates and performers are as follows:
 - **August 6th** - is Steve West (jazz, show tunes, classical, rock, country and blues)
 - **August 13th** - is Toothless Flamingo, Gary and Gavin Barteau, a grandfather/grandson duo from Angelica
 - **August 20th** - is John Wise (contemporary/classic Christian, classic rock/r&b)

- **August 27th** - is the finale with Taste of Belfast at 5:30, come and sample items from our local restaurants and be entertained by performers Leslie and Steve Gretz, a married couple who record and perform music together (folk, gospel, Americana, contemporary singer/songwriter influences)

Summer Recreation

Summer recreation sign-ups will be held on Monday, June 4th, at the Belfast Town Hall from 4-6 pm. This program is for students entering 1st grade through high school. Summer Rec runs Monday through Friday from July 2 to July 27 (except July 4th). Recreation starts at 9 am. and ends at 3 pm. Kids will be participating in fun activities such as crafts, games, roller-skating, bowling, swimming, and field trips every Friday. Cost is minimal for the activities.

The school provides a free lunch (11:30-12:30) and a snack daily for the duration of summer recreation. Bagged lunches are also provided for our Friday trips.

There will be afternoon drop off in Caneadea and Oramel. Please contact Lisa Denning at (585)610-7779 for additional information or with any questions you may have.

Assistance may be available for those who cannot afford the entire amount.

Non-Discrimination Statement

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly. In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulation and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Person with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign language, etc.) should contact the Agency (State or local) where that applied for benefits. Individuals who are deaf, hard of hearing or have speech disability may contact USDA through the Federal Relay Services at (800) 877-8339. Additionally, program information may be made available in languages other than English.
