WINTER 2022-23

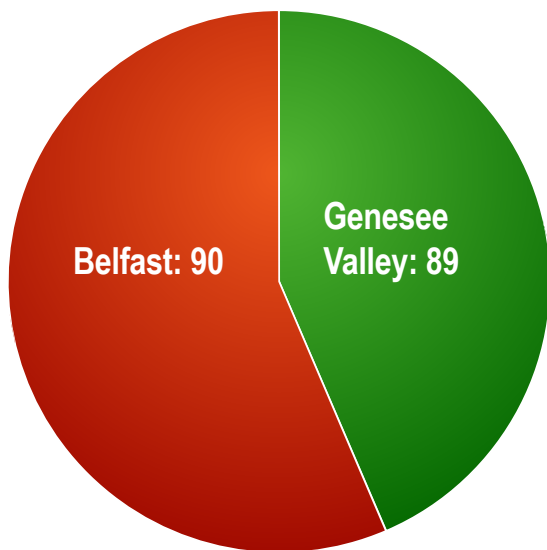

Combined Sports Update

Fall seasons went well under the second year of the merger. All teams did well, including a spectacular sectional run by the girls' soccer team that lost a heartbreaker in the Sectional Finals in OT. It was great to have so many students participating in all of the fall sports.

Winter sports have started off strong. This is the first year of merging boys' basketball. That is a change from last year, so it has taken some adjustment. In addition, we added bowling to this winter's line-up of sports. We've had over twenty participants on the team and practice squad for bowling. The team is doing very well for their first season. Swimming, boys' volleyball, and girls' basketball are all doing well and enjoying their seasons. Cheerleading is off to a great start, too. They have had one competition and have several more coming up.

Winter Sports: By the Numbers
179 total students

Combined Sports

Sport	Total Athletes	GVCS	Belfast
