Fall 2023

Fall Sports Recap

It has been another great season for GV/BC fall sports. The soccer teams are winding down their seasons, looking forward to a sectional run. The girls' soccer team has a 12-2-0 record with two games left in their schedule. The boys' soccer team has a record of 7-5-2 and they also have two games left. The volleyball teams' seasons last a little longer but they, too, are looking toward sectionals. Cross country has their league championships on Oct. 28. All of the teams had successful seasons and we wish all of them good luck in the playoffs.
