DAC Purpose

In Colorado, it is a statutory requirement for every school district to have a District Accountability Committee (DAC). DAC is made up of parents, teachers, DCSD staff, and community members and serves in an advisory capacity to the Douglas County School District Board of Education. DAC meets monthly throughout the year and makes recommendations to the Board regarding spending district money, charter school applications, improvement plans and parent engagement plans. DAC members also make recommendations for areas and issues for study, as well as teacher and principal assessment tools.

DAC values ongoing feedback from each school's School Accountability Committee (SAC) and provides information SACs can share with each school community.

- DAC shall have a minimum of 15 voting members selected by the school board and shall at a minimum consist of:

 - At least 2 teachers employed by DCSD: 1 from elementary level and 1 from the secondary level

 - At least 1 person who is involved in business in the community within the school district boundaries
