Relations with Law Enforcement Agencies

A cooperative effort shall be maintained between the officials of the school district and law enforcement agencies. It is paramount that the rights of the school, the home, the civil authorities, and the individual be clearly understood and protected.

The district may utilize a School Resource Officer and may collaborate with local law enforcement agencies to engage the use of School Resource Officer. In such situations, the Superintendent is authorized to develop and implement a Memorandum of Understanding with local law enforcement relative to the use of School Resource Officer.
