

## Magnolia ISD Prekindergarten Family Engagement Plan

**Magnolia ISD is committed to providing our youngest learners with a high-quality prekindergarten program. We strive to create a collaborative partnership with our families and community to support and promote the success of each student.**

**Family Engagement as defined by TEA is the mutual responsibility of families, schools, and communities to build relationships to support student learning and achievement, family well-being, and the continuous learning and development of children, families, and educators. Family engagement is fully integrated into the child’s educational experience.**

**We are dedicated to developing and maintaining collaborative relationships with parents and community partners to enhance the learning experiences for all of our students.**
