In the case of ties in seniority, the last four digits of the employee's social security number will determine the order of seniority. The higher numbers will be deemed to have more seniority. An employee must have the qualifications for the position assumed under the above procedure and the competency to perform in the position. The decision on qualification and competence shall be made by the District and is grievable. An employee who assumes a different position as a result of the above procedure assumes the classification wage schedule and hours, which apply to that position.

Section 6. An employee who exercises bumping as stated above and starts work in another program shall be on a probationary period of forty (40) working days. During the probationary period, the School District shall have the right to transfer the employee to another program or position if the employee's performance is not satisfactory.

Section 7. As an alternative, the employee whose position is eliminated may accept layoff. An employee on layoff will be recalled to any open position for which the employee holds qualification and competence and is senior. Employees will be notified in writing of a position to which they are recalled. During the school year, an employee who is recalled shall have three (3) calendar days following receipt of the recall to accept an offered position; failure to respond in writing within this time limit shall be construed as a rejection of the offer. During the summer months, an employee who is recalled shall have seven (7) calendar days following receipt of the recall to accept an offered position; failure to respond in writing within this time limit shall be construed as a rejection of the offer. Employees must maintain a current mailing address with the School District office. An employee who rejects more than three (3) times a position equal to or greater in hours and rate to the position occupied by the employee at the time of layoff shall be removed from recall status.

Section 8. Layoff notices will be provided to employees determined to be without a position after the bumping process is completed. An employee who is being laid off shall be given a written notice of such at least two (2) weeks before the intended layoff.

Section 9. Recall: To expedite the recall process the district may call an interpreter on the recall list for an open position. The district will create a phone log of calls made to interpreters.

Subdivision 1. Full-time employees who have exercised their above stated rights and received fewer hours and/or wages as a result shall be entitled to a preference, even over people on layoff, for any subsequent full-time position opening for which the employee is qualified and has the requisite competence.

Subdivision 2. An employee may refuse to return to an open position not equal in hours and/or at a lower wage rate than the position previously held by the employee before being laid off without jeopardizing further recall rights.
