

Career & College Readiness Continuum

Fresno Unified School District

2024-25

Career Technical Education

- ▲ Academic and Technical Skills for College and Careers
- ▲ Hands-On Learning Experiences
- ▲ Real World Connections
- ▲ Industry Partnerships

“The programs and opportunities provide my students with real-life experiences which allow them to make connections to learning inside the classroom and gain life skills like teamwork, leadership, problem-solving, and perseverance. Learning becomes fun when they can experience it in real life!”

-Sara L. Medina-Baker
5th Grade Teacher
Gibson Elementary School

“When people say, ‘Thank God it’s Friday!’ I usually respond with a smile, ‘Yup, only two days until Monday!’ There’s some truth to that quip. I imagine a world where our workforce is happy and engaged, but we have some work to do. Thankfully, CTE is leading the charge by helping students explore and apply skills necessary to navigate joyful careers and a fulfilled life.”

-Edgar Blunt
CTE Advisory Chair

College & Career Readiness Department
