

WHAT IS

CAREER, TECHNICAL, & AGRICULTURAL EDUCATION?

92% of high school students and 69% of college and adult students are engaged in CTAE, learning skills in the classroom and on the job.

CTAE is delivered at comprehensive and CTAE-dedicated high schools, magnet schools, area technical centers, community and technical colleges, and some four-year universities.

CTAE students earn industry certifications and licenses, postsecondary certificates, associate degrees, bachelor's degrees, and higher.
