Dear Parent(s) or Guardian(s)

Upon enrollment, a language other than English was noted on your child's Home Language Survey. According to state and federal law, our school district is required to assess the English language proficiency of your child in listening, speaking, reading, and writing. Based on the results of the ACCESS for ELLs 2.0, a state-approved assessment for measuring English language proficiency, we are pleased to inform you that your child has demonstrated English language proficiency and is not eligible for services for English Language Learners. Below, please find results that have informed our decision, information about our language programs, and your rights as a parent.
