## ***In Partnership***

To maintain continued enrollment at Ursuline Academy, students must uphold behavior that aligns with our core values and educational philosophy, both on and off campus. These values are reflected in our Student-Parent Handbook and encompass a broad range of policies and principles designed to support our mission of nurturing a values-based, Christian education.

It is equally important that parents and guardians support and adhere to these standards of conduct, as established by Ursuline Academy. We believe that a collaborative effort among students, families, and school officials is crucial for the success and well-being of each student.

While we strive to address and resolve any philosophical differences that may arise between families and the school, there may be exceptional cases where Ursuline Academy, at its sole discretion, may determine it necessary for parents or guardians to withdraw their daughter from the school.

Our goal is to ensure that every student benefits from a supportive and cohesive educational environment that reflects the values of Ursuline Academy.

As part of the Ursuline mission to develop the whole person, Ursuline students are encouraged to advocate on their own behalf as the first line of communication with all school personnel.

Ursuline expects all students and parents to follow appropriate protocol when addressing issues concerning academics, discipline, activities, athletics, make-up work, or any other school-related matters. All concerns must first be addressed with the specific teacher, coach, moderator, or individual most directly involved. Only after contact with the teacher has been attempted should the appropriate administrator be contacted. The President should only be contacted once the preceding steps have been exhausted.

### *Nondiscriminatory Policy*

*Ursuline Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at its schools. Ursuline does not discriminate on the basis of race, color, national or ethnic origin in administration of their educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.*

# An Ursuline Education

## Mission Statement

*Ursuline Academy of New Orleans, founded in 1727, prepares confident and compassionate leaders for a diverse global society through Catholic spiritual formation, academic excellence, and a life-long commitment to Serviam: I will serve.*

## Our Promise

To succeed in tomorrow's world, we believe girls must learn to think creatively, articulate their ideas confidently and compassionately, and solve problems collaboratively. Our girls will be ready.

Through highly interactive experiences powered by STEM and the arts -- and a nurturing community diverse by design -- we develop tomorrow's brightest independent thinkers, innovators, and community builders

## Core Values For Ursuline Sponsored Ministries

Ursuline ministry is rooted in a tradition of formation and innovation which dates back to 1535, when St. Angela Merici founded the company of St. Ursula in Brescia, Italy. It was among the first non-cloistered communities of women in the history of the Church and among the first religious communities for women begun by a woman.

Inspired by the call of the Gospel and challenged by the needs around her, Angela reached out in service and love to rich and poor alike. A true educator, she sought to draw out the giftedness and potential in each person. Her writings offer a philosophy of formation and education which is personal and attuned to the needs and situation of each individual. Her legacy as a woman of peace and reconciliation encourages unity, mutual love, and respect.

Ursuline Sisters and their collaborators continue today the approach to ministry that draws its life and vision from Angela's spirit and philosophy.

Inspired by the call of the same Gospel, and challenged by the needs of our time, we, like Angela, ground our mission in the following core values:

- **Spiritual formation and faith development**
- **Respect for the uniqueness of the individual**

- Development of the whole person
- Development of a nurturing community spirit
- Commitment to peacemaking
- *Serviam* (I will serve) as a lived reality
- Academic excellence

## Ursuline Ideals

Courtesy, Loyalty, Courage

## Ursuline Motto

*Serviam*: I will serve

## Foundational Expectations

### Adult Code of Conduct

The choice of Ursuline Academy by families includes a commitment to be governed by the school's policies, procedures, rules, our Catholic/Christian values and the teachings of St. Angela. All parents/guardians, volunteers, visitors, and staff are expected to follow these policies, procedures, and rules in addition to conducting themselves in a respectful, professional manner in all areas involving the school's students, personnel, and related school business (i.e., academic, athletics and extracurricular activities). As a faith-based school, we consider it the responsibility of all adults to conduct themselves in such a manner that they serve as Christian models for our children, following Ursuline Academy's core values. It is through our actions and behavior that our children learn how to conduct themselves. We must all share this responsibility and work together to provide our girls with the best training and education possible for them to become strong faith-filled people. If issues arise between parents/guardians and staff, they are to be addressed in a timely manner using Ursuline Academy's protocol policy found in the parent/student handbook.

### Parental Cooperation

Ursuline Academy expects strong cooperation from parents/guardians. Parents/guardians are responsible for maintaining current updated numbers and records for contact and other purposes. Parents are responsible for reporting and updating medical conditions and/or information concerning students in writing as situations change throughout the school year.

Ursuline's strength lies in programs. Parental involvement is a key to the success of the school. Parents/guardians are expected to volunteer and participate in school activities.

Parents who fail to support the school or follow the Adult Code of conduct, may be required to withdraw their student(s) from the school or the school will unenroll the student. Parents who harass others (students, coaches, other parents or faculty and staff) at Ursuline Academy and/or disrupt the educational atmosphere of the Academy, or spread inflammatory or false information about Ursuline Academy may be required to withdraw their student(s) at any time. The President will decide when this sanction is appropriate.

## Respect for Others Boundaries

An Ursuline student respects the space, time, body and health of others. Creating empowering boundaries is an important part of respecting others and oneself.

Ursuline Academy embraces behavior which contributes to, rather than detracts from, an academic atmosphere and is appropriate to a young Christian woman. Public displays of affection (PDA), including but not limited to holding hands, long embraces, close dancing and kissing are not to be displayed while on campus or during school sponsored activities, including dances.

## Publicity

Throughout the year, Ursuline Academy publishes articles, press releases and advertisements for publicity and recognition purposes. These publications (honor rolls, school awards and achievements, community service, club participation, recruitment advertisements, brochures, etc.) are coordinated through the Communications Office.

All publicity is handled appropriately with adult supervision. Occasionally, candid pictures (i.e. athletics) may appear. All publicity is generated to reflect Ursuline in the best manner possible. We firmly believe that our students represent us best.

Your consent to publish your daughter's name and photo is requested on the Handbook Acknowledgement Form in Blackbaud.

## Residency

All students must reside with their parents or legal guardians while enrolled as students at Ursuline Academy.

The policy may be referenced [HERE](#)

## **Ursuline Academy follows the Archdiocese of New Orleans Office of Catholic Schools PRINCIPLES OF ETHICS AND INTEGRITY IN MINISTRY:CODE OF ETHICS**

### **Ursuline Parents Club**

The objective of the Parents Club is to promote a strong sense of community in partnership with the school and to facilitate communication, cooperation, and involvement between parents and the school community. A list of annual events is published in our school calendar and all current families are encouraged to participate, attend, and welcome new members into our community. Any volunteers associated with school activities organized and approved by the Parents Club and The Academy need to have a current and verified background check.

### **Academics**

#### **Blackbaud Learning Management System**

Blackbaud is a family of interactive web portals for parents, students, and teachers. These tools will allow parents to follow their daughter's academic progress. Parents and students will be given log in credentials at the start of the year in order to set up an account to view this information online. To protect the student's privacy, students and parents are urged not to share log in with anyone. Parents are expected to review Blackbaud regularly to keep informed on their daughter's progress in school. Parents and students can elect how often they wish to receive e-mail notifications regarding new data posted to Blackbaud. Blackbaud also allows parents to communicate any concerns directly with teachers via e-mail. Teachers will post course descriptions, a grading category breakdown and course requirements/expectations. They will update grades

weekly. The student directory, found on Blackbaud is available to current Ursuline Academy parents, faculty and staff. Its information is solely for the purpose of improving communication between these groups about matters that pertain to the Academy. We thank you in advance for not using the directory for any other purpose or sharing any information found in the directory.

## Ursuline Academy K-7 School Academics

### Honor Code

Inspired by St. Angela Merici, I will model the Ursuline ideals of Courtesy, Loyalty, Courage, and *Serviam* in all aspects of my life. Guided by the spirit of Truth, I strive for honor in all my endeavors and pledge to uphold the highest standards of academic integrity.

### Class Assignments

The class assignment process is designed to make classes as balanced as possible. As professional educators, every decision made focuses on what most benefits students. Parent requests for students to be placed in a class with certain friends or with a certain teacher will not be honored. To keep the process completely fair, changes will only be made at the discretion of Ursuline Administration.

### Communication of Progress

Parents may check grades at any time via Blackbaud and are welcome to contact the teacher with concerns.

Parent/Teacher conferences are scheduled twice a year to discuss the progress of each student. However, a parent may request a conference with a child's teacher by calling the school office (861-9150) for an appointment or by contacting the teacher via email. In view of teachers' schedules, appointments are mandatory.

## Examinations

The last test of each quarter for grades 6-7 will be a cumulative test from the material for the whole quarter. This cumulative test may count more in the quarter than other tests.

## Grading Policies

The weight given to homework, projects, quizzes, tests, etc., in each course is determined by the teacher and is used to calculate quarter grades. All quarter grades are rounded to the nearest whole number.

## Grading System

The K-4 and 5-7 grading scale is as follows:

**A** 94-100      **B** 86-93      **C** 78-85      **D** 70-77      **F** 69 or below

A student must earn a score of 70 to pass each subject for the grading period.

Kindergarten through second grade will receive a standards-based report card.

Teachers will use the following proficiency scale marks and descriptions on the report card to communicate student progress toward meeting essential grade level standards for all subject areas.

**E**-Exceeding      **M**-Meeting      **P**-Progressing      **B**-Beginning

**E** - Student has demonstrated mastery of grade level standards and is able to extend and apply concepts with a greater depth of understanding to new situations.

**M**-Student Demonstrates mastery of grade level standards.

**P**- Student shows basic understanding and is progressing toward mastery of the grade level standard.

**B**-Student is beginning to demonstrate understanding but is not yet meeting grade level standards.

The following grading scale will be used for specialization classes:

**B**-Beginning      **P**-Progressing      **S**-Secure

Grades will be imputed as a number grade. At the end of the quarter the number grades will be converted to the special classes' grading scale.

## Homework

Formal home study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for particular lessons through experience.

### Parents can assist by

- Providing an atmosphere in the home conducive to study;
- Checking to see that homework is completed;
- Encouraging the student to read;
- Stimulating the student's interest in hobbies, travel, and reading.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. If a problem arises, the teacher should be contacted.

When a student is absent, a parent should call or email the school office before 8:30 a.m. to arrange for homework assignments. Any necessary materials can be placed by Date Door by 3:15pm. Work cannot be gathered before 3:15pm as teachers are still in class. For short absences, students and parents are encouraged to check Google Classroom regarding assignments.

## Accelerated Courses

Eligibility for accelerated courses is based on an application and review of standardized test scores, past academic achievement (GPA), and teacher recommendations. Each summer administration assesses each student's performance according to the admissions criteria. Student participation in seventh grade accelerated courses does not automatically qualify a student for high school honors classes.

## Promotion and Retention

Advancement to the next grade at Ursuline is based on a student's daily performance, test results, recommendations of teachers and her ability to complete work successfully.

Promotion to the next grade level depends on successful completion of all subject areas. If a student fails any subject for a final grade, the administration may recommend one of three options: retention; successful completion of a summer program; or denial of admittance for the following school year. Any student who fails two or more subjects will either be retained or will not be able to return to Ursuline.

Parents will be notified regarding the need for summer school. All arrangements must be made with the approval of the Dean of Curriculum and Instruction. Verification of successful completion of the summer school program must be sent to Ursuline by August 1st.

## Report Cards

Students receive a report card every nine weeks. Quarter grades are based on the following components:

- Class participation;
- Homework and daily classroom assignments;
- Periodic assessments (quizzes, tests, projects, reports, group assignments, practicums, etc.)

## Academic Probation

A student whose academic performance indicates serious deficiencies may be placed on academic probation.

## Awards

Students from each grade who have achieved excellence in scholarship are presented with academic awards at the end of the school year. These subject area awards recognize the diversity of talent found among the girls.

The following awards are presented at the end of the school year:

- **All A Honor Roll:** Students in grades 3-7 who achieve all **As** all four quarters in academic subjects and conduct
- **A Honor Roll:** Students in grades 3-7 who achieve **As** in all subjects and conduct for their final grade
- **A/B Honor Roll:** Students in grades 3-7 who achieve all **As** and **Bs** in all subjects and conduct for their final grade.

Students in grades 8-11 will take 7 courses a year. In addition to the core academic subjects, students will also take elective courses. Seniors may take a half or whole year of a study period in lieu of elective credits as long as they are on track to graduate.

## Scheduling Process

Scheduling will take place during the second semester. Students will schedule online through Blackbaud with guidance from advisory teachers and counselors. Blackbaud will suggest the appropriate courses for a student to take along with any electives the student may choose to take, if her schedule permits. Any student enrolled in an honors course with a D or an F at the end of the first semester will be recommended to move into the academic program for the course in the next school year. To request a move into an honors, AP, or DE course, a student must have exemplary grades in their current course, high test scores, and the recommendation of her teacher.

Parents are encouraged to review students' course selections in Blackbaud during the scheduling process. Please note, once the construction of the master schedule begins, there is no guarantee that a schedule change request can be met. All current tuition and fees, including registration fees for the next school year, must be paid in order for a student's schedule to be processed.

## Honors Diplomas

### High Honors

High Honors will be awarded to students graduating with 4.50 weighted GPA or higher who have completed 3 years of the same foreign language.

### Honors

Honors will be awarded to students graduating with a weighted GPA 4.00 to 4.49 who have completed 3 years of the same foreign language.

## Grading System

G.P.A. (Grade Point Average)

To determine a student's grade point average, the following quality point values are assigned to each grade:

A 100-90 4.0

B	89-80	3.0
C	79-70	2.0
D	69-65	1.0
F	64-0	0.0

One quality point (1.0) is added to the grade for honor courses if a student has earned “C” or better. Honors credit will be granted to transfer honor courses that were available to Ursuline students on the same grade level.

A student’s Ursuline grade point average is determined using seven units per year. Excluded from the student’s Ursuline grade point average and class rank are outside classes such as Driver’s Education, summer school courses, college courses, and performing arts classes taken **outside** the normal school day. **Concurrent enrollment** at the New Orleans Center for the Creative Arts (NOCCA) or any college that offers concurrent enrollment classes during the regular academic day will be counted in the student’s Ursuline grade point average provided that they do not exceed the seven units.

Cumulative grade point average and class rank are based on semester **letter grades**.

## Grading Policies

Grades for core courses will use the following weighting

	<b>Summative/Major</b> (Tests, Projects, Lab Reports, Etc.)	<b>Formative/Minor</b> (Quizzes, Activities, Mini-Labs, Etc.)	<b>Daily Grade/ Participation</b> (HW, Class Discussion, Notes, Etc.)
<b>Academic</b>	55%	25%	20%
<b>Honors/AP</b>	60%	30%	10%

Dual Enrollment courses will follow grading defined by the University.

For process based electives such as visual and performing arts, a total points system and the Ursuline grading scale will be used to determine quarter and semester averages. Courses will include at least two summative assessments per quarter. All quarter grades and semester averages are rounded to the nearest whole number.

A clear statement of the teacher's policy will be given to students at the beginning of each course. A consistent remediation opportunity across all high school courses will be communicated to students through course syllabi.

Grades are available in Blackbaud and teachers will post assignment grades within a week of the assignment's due date.

### **Summative Assessment Remediation**

If a student earns a D or F on a summative assessment, the student will be given the opportunity to remediate. Only students with a D or an F can be given this opportunity. The method of remediation and grade adjustment is at the discretion of the teacher and must adjust the original test grade. The final grade for a remediated summative assessment cannot be higher than the lowest C (70 for HS and 78 for ES).

### **Makeup Work**

Students with planned absences should discuss the work they will miss with their teachers before the absence in order to make prior arrangements for make-up work. In the case of unexpected absences, a student is responsible for checking Google Classroom for any missed work. Students are also encouraged to contact their teacher for clarification or to schedule a time to meet upon return. The number of days to complete missed work for full credit is equivalent to the number of days the student was absent.

Tests and quizzes must be made up within a week of a student's absence. If the student and teacher can not independently establish a makeup time, the student may make up the assessment during one of the weekly makeup times before or after school.

If a student must make up a test, teachers will wait no longer than 15 minutes past the designated time scheduled for the makeup. Students who fail to show for a make-up test, may have their grade reduced by 10% of the value of the test. A student who becomes ill and leaves school must inform the teacher that she cannot meet a scheduled appointment.

Generally, in the case of extended absences, students are responsible for scheduling their make-up work within three days of their return to school. Faculty will determine the nature and scheduling of the make-up work. Any student who must make up more than

one test in any one-quarter will be required to have a conference to determine whether or not additional make-ups will be allowed. All tests and quizzes must be made up typically within two weeks of a student's return to school.

## Penalties for Late Work

Major projects and Special Assignments are due on the assigned date. Assignments not turned in when due will be graded accordingly. (Non-school days are included in the count for any assignment that can be turned in electronically.):

- One day late—10% deduction prior to grading
- Two days late—20 % deduction prior to grading
- Three days late—30% deduction prior to grading
- Four days late—50% deduction prior to grading
- More than 4 days late---work not accepted, and no credit is given for the assignment

## Honor Rolls

To be named to an honor roll, a student may not have any incomplete (I) grades. Honor rolls are determined at the end of the first semester and second semester. Alpha Honor Roll students must have no grade lower than an A; Beta Honor Roll students must have no grade lower than a B.

## Semester Examinations

There is an examination period at the end of each semester. All semester exams are cumulative for that semester with the exception of AP classes. The weight of the exam in determining the semester grade is 20%, while each quarter's numeric average is weighted at 40%. Failure to take a scheduled exam will result in a zero. A student absent from exams must make up the missed exam the next day they are present at school. The student must schedule her make-up exam with administration the day she is absent.

Students taking Advanced Placement courses are expected to take the College Board AP Exam for an additional fee. Students who are not enrolled in Advanced Placement courses who choose to take the AP Exam are still required to take the course semester exam. Students in AP courses will take the AP exam in lieu of a second semester exam. Any student enrolled in an Advanced Placement course who would like the opportunity

to raise their second semester average, may choose to take the teacher-made second semester exam in addition to the AP exam. The student must inform the teacher, in writing, that they would like to take the teacher made exam the same day 4th quarter grades are finalized. The grade on this exam **WILL** be used to calculate the second semester average.

Students enrolled in dual enrollment courses will take the designated college semester examination for the course(s).

## Exam Exemptions

For full-year courses, all students regardless of grade level who have earned an “A” for the first semester, an “A” for the third quarter, and an “A” the fourth quarter are automatically exempt from their second semester exams (if students meet all requirements stated below). The semester average for students who are exempt from the semester exam will be computed by averaging the two quarter’s numeric grades. Students enrolled in Dual Enrollment courses are not eligible for exam exemptions.

Although all religion classes are semester courses, students who have earned an “A” for the first semester, an “A” for the third quarter, and an “A” for the fourth quarter are automatically exempt (if students meet attendance requirements) from their second semester exam provided they have completed their service hour requirements by the assigned deadline and have complied with all other exemption rules. Only seniors may be exempt from semester courses (Theology) provided they have earned A’s for both quarters of that semester.

Because the commitment to service is vital to the Ursuline community, failure to complete required service or to submit the community service documentation each year – by the due date – will result in the student not being exempt from ANY second semester exams. (Refer to Service Learning Program section.)

In order for a student to be eligible for an exemption in any class, she may not miss more than four days per period per semester. Due to the attendance requirement, exemptions will be announced on the last class day before exams. Although the office will usually send an email concerning absences, the student is responsible for keeping track of her attendance.

## Failures

A student who has failed a subject for a semester or for the year will be required to pass that subject in a state-approved summer school before returning the next fall. Students who failed classes must obtain a summer school permit before attempting to enroll in a summer school program. A student who does not successfully complete required summer courses will not be readmitted to the Academy and tuition and fees will not be returned. The maximum number of summer school credits permitted to be earned is two (2) units. A student must provide documentation of the completion of the course and credit earned before participation in orientation activities for the following school year.

As prescribed by the Office of Religious Education of the Archdiocese of New Orleans, all religion classes in 9<sup>th</sup> through 12<sup>th</sup> grades are semester courses. Therefore, any single, semester-long religion course in which a student does not receive a passing grade must be made up in summer school.

## Technology in the Classroom

Google Classroom is a free web service that is utilized in high schools, colleges, and universities around the world. Ursuline Academy has access to Google Classroom through the Google Workspace for Education. Students will be given log-in credentials at the start of the year. Log-in credentials will be provided via email or through a class code provided by the teacher. Each course will have an individual Google Classroom page. Students will have access to the School Announcements Page as well as the page of each course in which they are scheduled. Google Classroom pages are designed to provide an on-line educational experience that utilizes multimedia materials to develop a thorough understanding of high school subject content. Students will gain understanding through text, audio, video lessons, interactive activities, and worksheets. Teachers will be able to monitor students' progress through activities and assessments conducted on the course Google Classroom page. Additionally, Google originality checker scans student submissions for potential plagiarism. Parents are not given log-in capabilities, but can request to be added as a "guardian" to Classrooms in order to receive weekly email updates.

Ursuline Academy will use a Google Workspace for Education Enterprise Admin Console to manage student Chromebooks.

LanSchool Air will be used to monitor students on their Chromebooks during class

times. Even during remote teaching, students' chromebooks will be monitored during normal class times. The active hours for LanSchool will be set as a default to Monday through Friday 7am to 3pm. Active hours will be turned off during holidays and breaks.

Ursuline Academy uses BARK digital monitoring safety services for school issued accounts.

## Artificial Intelligence

Use of generative AI programs including but not limited to ChatGPT by students on graded assignments is prohibited, except with the express permission of the teacher, in which case the use of AI must be cited by the student. Unauthorized use of AI on graded assignments by the student will be treated as a violation of the Honor Code.

Student's Google accounts are for Ursuline related purposes only. Student @uanola.org email profile picture may not be added. All students must have the standard signature line. No emojis or additional wording may be added.

## Summer Reading Requirement

Each summer, students are required to read a specific number of books designated by the English Department.

## Awards

Ursuline Academy recognizes the significant achievement and participation of its students in academics, athletics, clubs and service. Among the awards available to students in each grade level are the following: the St. Angela Award, presented to students who give of themselves with great generosity and in the true spirit of Ursuline's motto *Serviam*; the Principal's Award, given in recognition of students who are motivated, who demonstrate responsibility, hard work, and perseverance, who make as much academic progress as they are capable of making, and who strive to reach their potential as best they can; the Service Pin, presented to students who perform one hundred hours of service in the community, and academic awards in each subject. Student achievement in various areas is also recognized by many local and national service organizations, by corporations, and by academic institutions and organizations.

The following are among the awards reserved for seniors and presented at Baccalaureate or Graduation: the CLC Medal, in recognition of the student who, in the opinion of the faculty, has best exemplified the Ursuline ideals of Courtesy, Loyalty, and

Courage; the *Sedes Sapientiae* Medal, in recognition of the student whose scholarship, achievement and loyalty, in the opinion of the faculty, have been consistent and outstanding; the Sr. Damian Marie Aycok Award in recognition of outstanding humanitarian service, determined by vote of the senior class; and the *Cor Unum* Award, presented by the Ursuline Alumnae Association of New Orleans to a graduating senior based solely on her love for Ursuline and for her honest expression of what Ursuline means to her.

## Valedictorian and Salutatorian

To be valedictorian or salutatorian, a student must meet all of the following requirements:

- She has been enrolled at Ursuline Academy for at least four years.
- She has earned the highest (or second highest) GPA in her senior class.

The valedictorian and salutatorian are determined by rank in class at the end of the senior year. If there are multiple students with the highest GPA they will all share the rank of first in the class and share the title of Valedictorian. If there are multiple students with the second-highest GPA they will all share the rank of second in the class and share the title of Salutatorian.

All high school credit courses will be counted in the cumulative GPA.

## Attendance Policy

Ursuline Academy stresses the importance of regular and punctual attendance. Exceptions can be made only in the event of extended personal illness as verified by a physician and at the discretion of the principal.

## Grades 1-7 Attendance

1. Responsibilities imposed by state laws and regulations:
  - a) Students must attend school from age 7 to 18 years of age or until they graduate from high school. A student below the age of 7 who enrolls in school shall attend school. Any child below the age of 7 who legally enrolls in school including Pre-K and Kindergarten students shall also be subject to compulsory attendance.

- b) Students are required to attend school regularly and must attend at least 167 days to earn credit and be eligible for promotion to the next grade.(absent up to 10 days)
  - c) The responsibility for a student attending school lies with the parents or the legal guardian. If the student is chronically absent or chronically late (tardy) to school, the parent and/or student may be referred to the Louisiana Department of Child and Family Services (DCFS).
2. Students may be excused for the whole or part of a day absence for two or fewer consecutive school days for the following reasons:
- a) Personal illness;
  - b) Serious illness in the student's immediate family;
  - c) Death in the student's immediate family not to exceed one week; or-
  - d) Natural catastrophe and/or disasters.
3. Ursuline Academy shall notify a student's parent, tutor, or legal guardian when that student has been excessively absent from school and at intervals thereafter. This notification shall be provided each semester for those high schools operating on a semester basis.

If a student has been absent with a communicable disease or is absent for more than three consecutive days, a letter from a doctor is required before the student is allowed to return to class. The letter must be sent to the office where it will be placed in the student's file.

Parents may foster good attendance by:

- Notifying the office of the student's absence by telephoning 861-9150 or emailing [attendance@uanola.org](mailto:attendance@uanola.org) by 8:30 a.m. Advanced notification of absences are accepted and voice messages may be left.
- Scheduling medical and dental appointments for after school hours, or on Saturdays, when possible.
- Signing a student out from the office when she leaves the campus before dismissal time.
- Informing the school by note, email, or telephone call if a child is to go home by means other than her regular means of transportation.
- Scheduling vacation trips to coincide with school vacations. Should a child miss school because of vacation, all class work must be made up upon return. Teachers are NOT required to send work home ahead of time.

**Please Note:** Students must attend a half day of school in order to participate in an after-school activity. These include, but are not limited to, performances, athletic events, club meetings, etc.

Excessive absence may result in: a report to the Department of Child and Family Services; retention; or disciplinary action, including expulsion.

## Long-Term Absences

The policy for dealing with lengthy absences for extraordinary reasons will be individually determined as the circumstances dictate. Students should contact the counseling department and the teachers regarding make-up work for the long-term absences. Students under a doctor's care who are not allowed to attend a full day of class may not attend extra-curricular activities without permission from the administration until released by the doctor.

## Make-up Assignments, Tests, etc.

Parents must notify the school office of a student's absence and request the day's work by 8:30am on the day of the absence. The student's work will be placed by Date Door by 3:15pm. Work cannot be gathered before 3:15pm as teachers are still in class. Should a student miss an assignment or any type of test, it is her responsibility to contact her teacher to arrange to make up the incomplete work within three days after her return to school. A longer make-up period will be given to any student who is absent a week or more and returns with a doctor's verification.

Students with planned absences shall discuss the work they will miss with their teachers before the absence in order to make prior arrangements for make-up work.

## Tardiness

The school day begins promptly at 7:55 a.m.; therefore, students should arrive at school by 7:45 a.m. A student who is tardy must report to Date Door before she can be admitted to the classroom. A student is marked tardy if she arrives at her classroom after 7:55 a.m. If a student arrives at school after 10:30 a.m. or leaves school before 1:00 p.m., she is considered absent for one-half day. If a student leaves school before 10 a.m., she is marked absent for that day.

Parents will receive a tardy letter to address habitual tardiness. Persistent tardiness will result in a parent/principal conference. If tardiness persists, a student may be asked to withdraw from Ursuline.

## High School Attendance

To attend an extracurricular activity, including sports events and school dances, students must attend at least half of that school day.

## Tardiness

A student who arrives after 7:55 am must present a signed parental note to the office indicating the reason for her tardiness; if she does not present a signed note, her parents will be contacted.

A student who arrives after the tardy bell must report Date Door to obtain a tardy slip to be admitted to class. A student will be marked absent from a particular class if she misses more than half of that class. A detention will be issued to a student who accumulates five instances of tardiness each semester. Students with more than 10 tardies a semester will be placed on an attendance contract.

## Absences

Parents should report a student's absence to [attendance@uanola.org](mailto:attendance@uanola.org) or 504-212-6819 within 30 minutes of the first bell the day their daughter is absent. In your communication, please provide your name, your daughter's name, her grade level and the reason for the absence.

A student who is absent for more than thirty minutes of any one class is counted absent for that entire class. Three (3) tardies or early departures in a course will counts as one absence.

If an absence is **planned** ahead of time, parents should contact the school in advance. If the absence is unexpected, parents should contact the office before classes start on the morning on the absence.

If a student is going to **check out early**, parents can email, call, or send a note with the student on the day of the absence. All students must have parental permission before checking out of school.

If a student is going to be out for an **extended period** due to illness, the parent should contact the school nurse to discuss. The nurse will communicate the student's absence to the attendance office and the high school. A student who has been absent three (3) or more consecutive school days due to an illness must also present a doctor's certificate upon returning to school. The student is responsible for making up all assignments, projects, quizzes, and tests.

Liturgy and community meeting days, such as awards assemblies and counseling presentations are an important part of the education of an Ursuline student. These Liturgies and assemblies are integral to the development of the whole person as well as the Ursuline faith community. Therefore, students will be marked absent from the period directly following all Liturgies and assemblies should they be absent from the Liturgy or assembly. Should the assembly/Liturgy occur at the end of the day, the absence will count against the class directly preceding the assembly/Liturgy. Students who are absent on St. Angela's Feast Day, Rally, Field Day or her class retreat day will be counted as absent from all periods.

### Absence Categories

Category in Blackbaud	Example (not inclusive)	Student allowed to make up work?	Counts toward the total allowed by the state?
<b>Absent Unexcused</b>	Family vacation	No	Yes
<b>Absent Excused</b>	Documented doctor appointment Illness	Yes	Yes
<b>Absent Exempt</b>	College Visit (3 days per year allowed grades 10-12) UA-related event Educational Evaluation	Yes	No

	Religious Holiday Long term illness		
<b>Tardy or Early Departure Unexcused*</b>		No	3 tardies or early departures in a course will counts as one absence

\*Students who miss half a class period or more will be marked absent.

## Long-Term Absences

The policy for dealing with lengthy absences for extraordinary reasons will be individually determined as the circumstances dictate. Students should contact the counseling department and the teachers regarding make-up work for the long-term absences. Students under a doctor's care who are not allowed to attend a full day of class may not attend extra-curricular activities without permission from the administration until released by the doctor.

## Excessive Absences

According to Nonpublic Bulletin 741, in order to be eligible to receive grades, high school students shall be in attendance a minimum number of minutes per course each semester. Therefore, any student that acquires more than six (6) absences per course per semester is required to make up instructional time.

For each absence over six (6) in a course within a semester, a student will make-up one hour of coursework. Both the student and parent will be contacted about excessive absences and procedures for making up the time. Failure to make-up this time will result in a student not receiving credit for the course for the semester.

Excessive absence may result in denial of credit and/or disciplinary action including expulsion.

## Check-in and Check-out Procedure

Once a student arrives to school, she must be in the designated areas of the building immediately. Once a student has arrived on campus, she may not leave without checking in and signing out on the appropriate form at Date Door even if the first bell has not rung. Once a student has signed out at Date Door, she must leave campus immediately. Students who violate check-in and check-out procedures will serve a detention. No student may sign out within 15 minutes of the end of the school day.

Students must be picked up promptly at the announced ending time of any activity (including but not limited to early dismissal days, dances, sporting events, Rally, etc.) or a fee of \$1.00 per minute will be charged after a grace period of 15 minutes has elapsed.

## URSULINE'S IDEALS K-7 DISCIPLINE POLICY

### Discipline Philosophy

The provisions and statements in the student code of conduct apply to all employees and to all enrolled K thru 12<sup>th</sup> grade students. This student handbook provides the Code of Student conduct and information for parents regarding Ursuline Academy's management of student behavior and discipline. The overall goal of the student code of conduct is to provide a positive climate that is safe, peaceful and orderly atmosphere conducive to learning.

### Restorative Practices

In the spirit of cooperation, with the wisdom of St. Angela in mind, Ursuline Academy's administration, faculty, staff and students aim to live "in harmony, united together." The development of a nurturing community spirit and a commitment to peacemaking are the core values of our school that are embraced when disciplinary issues arise. Ursuline Academy's standards of behavior promote responsible decision-making, accountability and self-discipline. The personal growth of each student and a path to better decision

making are the marks of Ursuline Academy's discipline system. Following restorative discipline practices, the focus is on repairing harm and trying to create meaningful accountability.

Any disciplinary action will consider the student's age and maturity, disciplinary record, severity of the infraction and the number of people involved.

The Ursuline student is expected to follow the rules and responsibilities set forth by the administration and supported by the faculty. While a supportive administration is in place, a partnership between parents and guardians is essential to the success of the students.

Corporal punishment in any form is prohibited by Ursuline Academy.

Disciplinary action will consider the student's age and maturity, disciplinary record, severity of the infraction and the number of people involved. On the pages below, disciplinary practices are outlined by developmental stages:

## **Ursuline Ideals at school**

### **Courtesy**

*A courteous person is one who is responsible for her actions towards herself and others(peers, teachers, administrators/staff). Courtesy is a reflection of respect for the well-being of others.*

### **Loyalty**

*A loyal person is one who has pride in their school, exhibits a professional decor/demeanor in dress and attitude, respects the boundaries of others, and has a positive outlook on life.*

### **Courage**

*A courageous person is one who stands up for what is right even when it is unpopular or difficult.*

## **Kindergarten- 4th Grade Discipline Policy**

For K-4th grades, infractions are categorized as violations of Ursuline's ideals: *courtesy*, *loyalty*, and *courage*. Each student in grades in K-4th will follow the policies set forth by

the student's teacher in accordance with her classroom rules and procedures. Students in these grades may receive a conduct notification, and points may be deducted if deemed necessary.

Infractions are categorized as violations of Ursuline's ideals: *courtesy*, *loyalty*, and *courage*. Each infraction is considered a minor or major infraction and results in a point-deduction from the student's quarterly conduct grade which is recorded in Blackbaud.

- **Minor infractions** result in a one to three point deduction from the conduct grade.
- **Major infractions** result in a five-point deduction from the conduct grade

## 5th - 7th Grade Discipline Policy

In 5th-7th grades, infractions are categorized as violations of Ursuline's ideals: *courtesy*, *loyalty*, and *courage*. Each violation accumulates a given number of points. When a student reaches 5 points, she will be required to attend a Detention Workshop.

- **Minor infractions** result in a 1, 2, or 3 point infraction (see list below).
- **Major infractions** violate the integrity of the Academy's mission and/or threaten the safety or well-being of one or more community members. Major infractions result in detention, suspension, or expulsion at the discretion of administration

Detention empowers students to take responsibility for their actions through reflection. The restorative approach asks four key questions: *What happened? Who was harmed or affected by the behavior? What needs to be done to make things right? How might I behave differently in the future?*

*Students may also perform various activities that benefit the Ursuline community.*

## Suspensions

In-school or out of school suspensions may be issued, but not limited to, the following:

- Defacing school property
- Flagrant disrespect for authority
- Academic dishonesty
- Use of vulgar language
- Causing disgrace to the Academy including any action that is inconsistent to the school's mission and/or has a detrimental impact on the school's learning environment; behavior that endangers the physical, moral, or emotional well-being of a person and/or actions, which are detrimental to the common good, as well as are harmful and offensive to the members of the school community including on social media and/or Internet
- Bullying/Cyber bullying
- Not reporting to class and/or being in an unauthorized area
- Accumulation of four detentions

A student may be sent home and not allowed to attend class for a stated period of time. The student must make up all missed work.

Any student who is suspended may be placed on disciplinary probation with terms of the probation determined by the school administration. A student who violates the terms of her probation may be required to appear before the Discipline Board, and/or she may be asked to withdraw from Ursuline Academy.

## Expulsion

Expulsion is an extreme measure used only after repeated warnings concerning behavior or after severely inappropriate behavior. Specific warnings and parental notification will precede expulsion, except in cases where immediate expulsion is deemed necessary. Parents have three days after notification of the offense to appeal the principal's decision. **Parents have three (3) days after notification of the offense to appeal the principal's decision to the President of the Academy.**

The following offenses may result in immediate expulsion:

- Flagrant disrespect toward administration, faculty, or any other school personnel, including non-verbal behavior
- The use, possession, distribution of, or being under the influence of alcohol use at school or at school-supervised functions
- The use, possession, distribution of, or being under the influence of marijuana and/or unlawful drugs or prescription drugs not prescribed to the student while at school or school-supervised functions

The President of the Academy may modify, reverse, or accept the recommendation of the principal on a case-by-case basis. The decision of the President is final.

### After-care

# High School Discipline Policy

## Academic Honesty and Integrity

Cheating and plagiarism, or assisting someone in the act of cheating or plagiarizing, are serious offenses that compromise both the student's academic integrity and her educational experience. Actions that are considered violations of academic honesty and integrity include the following offenses:

1. **Unacceptable Testing Behavior:** Students are not to look at another student's test or paper, use unauthorized notes or other materials, including any and all electronic devices, during an assessment, share information with another student, exchange verbal or nonverbal signals, talk during testing, write any information on oneself or other items in your possession or near you or engage in any other clearly-delineated behavior as specified by the teacher.
2. **Plagiarism:** Plagiarism is defined as the appropriation or imitation of the language, idea, and thoughts of another author and representation of them as one's own original work. The student's responsibility is to clearly distinguish between the words and/or ideas of someone else and her own words and/or ideas. Failure to accurately document the source of the materials used in student work or failure to accurately use quotation marks to indicate the use of another's exact words shall be considered a violation of Ursuline Academy's honesty and integrity policy.

Use of generative AI programs including but not limited to ChatGPT by students on graded assignments is prohibited, except with the express permission of the teacher, in which case the use of AI must be cited by the student. Unauthorized use of AI on graded assignments by the student will be treated as a violation of the Honor Code

The following are common examples of academic dishonesty and punishable as major violations:

- Open notebooks, texts, websites/documents, or other course-related material during a test, quiz, or exam without the explicit permission of the teacher.
- Concealed notes ("cheat sheets", writing/drawing on oneself, etc.) during a test, quiz, or exam.
- Communication with another student during a quiz, test, or exam testing period without the explicit permission of the teacher.

- Copying homework assignments from other students. Allowing other students to copy information is considered cheating as well.
- Plagiarism of essays, term papers, or research papers from outside materials that are not cited or insufficiently cited. Downloading, copying or pasting any part of an academic assignment or term paper from the Internet or another student is considered a serious act of plagiarism.
- Using an electronic device of any kind without the teacher's permission. (This includes calculators, cell phones, computers, etc.)
- Any other actions that the teacher and/or Dean of Students or Assistant Principal of Academics designate as academically dishonest.
- Students who are given permission to work together on an assignment must retain academic integrity and complete their own work that respects the work of the individual. All members of a group assignment may be penalized for any violation occurring in the group assignment.

Punishment for violations of academic honesty and integrity will include, minimally one grade deduction for the assignment in question (teachers have discretion for larger grade consequences for major assignments and repeat instances), and a mandatory Workshop Detention for the first offense; a mandatory one-day suspension, detention and a mandatory meeting with the student, her parents and the school administration for a second offense. A third offense may result in expulsion from Ursuline Academy.

## High School Discipline Policy

## Disciplinary Procedures In The Classroom

All classroom procedures are based on mutual dignity and respect among teachers and students. Teachers will address all inappropriate classroom behavior which disrupts learning. Classroom discipline policies will dictate proactive interventions and strategies. To be certain all students are treated fairly and with respect, the following steps are taken by teachers, who are the primary disciplinarians in the classroom.

- **Step One:** Verbal warnings to stop disruptive or inappropriate behavior (teachers may implement their own classroom consequence for warnings given to student)
- **Step Two:** Phone call or email notification by faculty to parent - Ursuline Academy considers parents as partners in their child's education
- **Step Three:** Workshop Detention - Dean of Students. The aim of a Workshop Detention at Ursuline Academy is restorative by design, building healthy relationships and empowering students to take responsibility for their actions. The restorative approach asks four key questions:
  - *What happened?*
  - *Who was harmed or affected by the behavior?*
  - *What needs to be done to make things better?*
  - *How might I behave differently in the future?*
- **Step Four:** Parent conference. This conference will include the parent or guardian, Dean of Students or other available Administrator, and Guidance Counselor

A student who engages in behavior which is substantially disruptive to the education process or substantially interferes with a teacher's authority in the classroom, may be removed from the class and serve an in-school suspension.

## Academy Students Services

### Theology Program

Ursuline Academy is a Catholic school for girls founded by the religious order of St. Ursula in keeping with the charism of St. Angela Merici. The mission of the Ursulines is educating young women for home, society and the Church. An essential component of the academic program of the school is the religious education program. The student body is comprised of girls of many faiths, and no student is denied admission because of religious affiliation. All students are expected to attend and respectfully participate in all theology classes, monthly adoration, class retreats, school Masses and prayer services.

### Campus Ministry Program

The Office of Campus Ministry focuses on the spiritual formation of the students. Catholic tradition, the counsels of St. Angela Merici, foundress of the Ursuline order, and the Ursuline philosophy of *Serviam* (“I will serve”) are the guideposts of the ministry. The primary focus of the office is to challenge and nourish the spiritual life of every student through promotion of active participation in daily school prayer, in Eucharistic Liturgies (Masses), prayer services, student service to the broader community (including local, national, and global) and to the school community, involvement in class retreats, and service of the peer ministers to the school community.

### Faith Formation & Class Retreats

Offering each student opportunities for faith formation and spiritual growth is essential to our Campus Ministry Program. Ursuline students experience class retreats K-12. Ursuline students in grades 7th-12th are required to attend a class retreat. If a student is unable to attend a retreat, the Campus Minister must be notified in advance. The

student must come to school on the day of the retreat to complete assignments provided by the Campus Minister to be completed by the end of that school day (a student must remain at Ursuline until the end of the school day).

## *Serviam*

Each Ursuline school shares a common commitment to forming students as servant leaders. The Latin word, *Serviam* (“I will serve”), inspires all Ursuline women. Starting with service projects initiated both inside and outside of school, the spirit of *Serviam* gives rise to lifelong dedication to serving the neighbor in need.

## Counseling Department

Ursuline offers the services of several counselors to assist students. The counselors work in a collaborative effort with students, parents, teachers, administrators, and the overall Ursuline community to help students focus on academic, behavioral, emotional, spiritual, and social development difficulties that may interfere with attendance, achievement, and adjustment in school. The Counseling Program’s primary goal is to guide students toward success in school and in life.

Counseling services include:

- Individual meetings that address academic, career, and social concerns related to school; Individual meetings with a counselor should not be seen as therapy sessions. The aim is to provide tools to solve issues.
- Small group sessions to address various topics such as problem solving, career choices, team building, conflict resolution, communication, educational planning, and peer relationships;
- Classroom guidance lessons; play time observations
- Parent and teacher consultations to help create a plan for a student and/or provide resources to families who may need assistance;
- Consultations with outside providers, and coordination of accommodations
- Referral assistance to other services and programs as needed;

Some examples for speaking with the counselor may include:

- Loss of a loved one or pet
- Friendship issues
- Academic difficulties
- Difficulty coming to school
- Conflict resolution
- New student transition

The counselor is not able to provide the following services to children or to their parents:

- Testimony in court in child custody matters other than as to facts and then only if subpoenaed.
- Clinical counseling or intensive long-term counseling services when they are needed by a child or family
- Scheduled visits for parents with regard to visitation rights for custody

Parents are required to make an appointment to visit with the counselor. If an emergency arises that requires a parent to meet with a counselor first thing in the morning, please leave her a voice message, and she will contact you at her earliest convenience. If a parent would like to meet with the counselor, appointments should be requested via e-mail or phone.

Counselors are available to students from 7:30 a.m. until 3:30 p.m. The counselors will periodically call in the students throughout the year. A student may request to see a counselor at any time but must have permission from her teacher to miss class. A teacher has the right to refuse to allow a student to miss class. Students may not miss a test to see a counselor and they have the responsibility to make up all work missed while meeting with the counselor.

In the spring of sophomore year every student will be invited to have an individual meeting with her parents and counselor regarding college planning. *The ultimate responsibility for meeting all deadlines for transcript requests, college applications, scholarships, test registration, financial aid applications and letters of recommendation lies with the student.* A written transcript request and/or letters of recommendation must be made at least **fifteen** school days in advance of the date required.

## Professional Disclosure Statement

All information shared by students, parents, and teachers is kept confidential consistent with applicable law, i.e., only to the extent that it is legally privileged, such as a health care provider-patient privilege, and except in certain situations where there is an ethical and/or legal responsibility to limit confidentiality and reveal information or records. Such situations include but are not necessarily limited to circumstances where the child reveals information about harm or possible harm to herself or to another person or where the child reveals information about abuse. The school counselor will act at all times in a professional manner that is consistent with the legal and ethical standards that all school counselors uphold.

## Elementary Learning Center

The Learning Center at Ursuline Academy is designed to address the needs of those students who have learning differences.

Students participating in the Learning Center will be required to meet all academic expectations for their designated grade level. By 3rd grade students must have a full educational evaluation on file to qualify for The Learning Center. A student must submit a full psycho- educational evaluation from a psychologist or psychiatrist within three years of the current academic year. The evaluation must include a DSM diagnosis, a list and summary of the assessments and test results used in the evaluation, and a list of suggested adjustments.

## Student Individual Needs and Evaluations

Ursuline Academy is designed to address the needs of those students who have learning differences. A student must submit an educational evaluation from a psychologist or psychiatrist within three years of the current academic year. The evaluation must include a DSM diagnosis, a list and summary of the assessments and test results used in the evaluation, and a list of suggested adjustments.

Parents should have all required paperwork submitted by the first day of school so that the counselor can arrange for a meeting with the Individual Needs Committee (INC) that will review all required information and determine if the student is eligible for an Individual Needs Plan (INP) and additional classroom adjustments that may assist her in achieving her academic potential. The INC consists of members of the Administrative team and the student's teacher(s). Should the INC determine that the student needs accommodations, the parents and student will review and sign a list of classroom adjustments, which Ursuline will provide. Students without a full current educational evaluation on file will not be afforded any accommodations in the classroom.

The INP does not address the needs of students requiring Special Education nor does it offer remedial courses. Students whose learning differences require ongoing services such as long-term individual tutoring and reading remediation must receive these services outside of the academic day from private sources. The INC determines which accommodations a student will receive and reserves the right to discern whether the accommodations suggested in the student's paperwork by doctors, psychologists, psychiatrists, and any other people forming an opinion on the student's personal needs will be met.

## Student Health

State regulations require that the office have a health form on file for each student. All new students to the Academy and all students who have updated health information must submit these forms to Blackbaud during the first full week of classes. Students who do not submit said form will not be permitted to attend any classes until the form is completed and returned to school.

## Notification of Asbestos Inspection and Management Plan Availability

In compliance with the Environmental Protection Agency's Asbestos Containing Material in Schools Rule of October 1987 and Louisiana Administrative Code Title 33:III.27, Ursuline Academy is required to notify you of the following:

1. Asbestos is a mineral fiber used in certain building materials such as floor tile, ceiling tile, insulation and several other applications for many years. Unfortunately, it has been determined that asbestos fibers can cause serious health effects, if they are not properly managed.
2. An Inspection has been conducted in all school buildings in our system to locate and assess the condition of asbestos containing materials. You may view a copy of the asbestos inspection report and the management plan for your school by contacting your principal's office or the main administrative office at 2635 State Street, New Orleans, Louisiana.
3. The management plan includes a description of asbestos containing building materials in the school, procedures for re-inspections and period surveillance by qualified individuals.
4. We want you to know that we have instituted procedures, which will document steps taken to maintain the remaining asbestos in a safe condition, until it can be removed or replaced. We will continue to keep you informed of new action regarding asbestos.

## Allergies

Students with food allergies must complete the Ursuline Academy Allergy Form in Blackbaud before the first day of school. If a student develops a food allergy during the school year, the Ursuline Academy Allergy Form must be resubmitted immediately upon diagnosis.

If a student is ordered an inhaler or epi pen, the parent must have the FARE emergency plan and medication order form completed by the physician. If the student is planning to

carry their inhaler/epi pen on their person, the medication order and/or FARE form must state that the student self-administered.

Please be cognizant that many children do suffer from serious allergies, especially to nuts. In order to maintain a healthy environment, please do not send snacks or treats to the classroom that contain nuts.

## Child Abuse Laws

Ursuline Academy abides by the Child Abuse Prevention, Adoption, and Family Services Act. This law mandates that all cases of suspected abuse and/or neglect be reported to Child Protective Services.

## Diabetes Treatment Plan (From Nonpublic Bulletin 741)

Any elementary or secondary school student who seeks care for diabetes while at school or participating in a school related activity shall submit a diabetes management and treatment plan on an annual basis. Such plan shall be developed by a physician licensed in Louisiana or adjacent state, or other authorized health care prescriber licensed in Louisiana who is selected by the parent or guardian to be responsible for such student's diabetes treatment. The diabetes management plan shall be kept on file in the school in which the child is enrolled and shall include:

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(A)(10), (11), and (15), R.S. 17:7(6), R.S. 17:10, R.S. 17:22(6), R.S. 17:391.1-391.10, R.S. 17:411, R.S. 17:170(D), R.S. 17:170(A)(1), and R.S. 17:436.3. HISTORICAL NOTE: Promulgated by the Board of Elementary and Secondary Education, LR 39:480 (March 2013).

## Head Lice

When a case of head lice is reported in a given class, the school is required to examine the hair of each child in that class. Additionally, should the infested child have a sibling in another class, that class must also be examined. The nurse will conduct the examinations. A parent will be notified if her daughter has head lice. Any child who is found to have head lice or nits must be sent home. The student may return to school once appropriate treatment has begun. Students must be rechecked by the nurse before returning to class. The same holds true if re-treatment is necessary.

## Illness/Injury

A student with a fever at or above 100.4 degrees must remain at home UNTIL she is fever free without medication for 24 hours.

A student with vomiting and/or diarrhea MAY NOT return to school until she has been free of vomiting and/or diarrhea for 24 hours.

A student who becomes ill or is injured at school, if she is able to do so, is to report immediately to the office. If a student does not feel well enough to attend class, her parents will be called to take her home. If parents cannot be reached, persons designated as emergency contacts will be called. Under no circumstances may a student call her parents to take her home unless the office has been notified.

In the case of an accident, student insurance, as indicated in the information sent home at the beginning of the year, is only a supplement to the parents' primary carrier. It pays only after the parent has paid the medical bills and has filled out the appropriate forms. In the event a student is injured at school and the parent wishes to make a claim on the student health insurance, the parent must notify the Business Office in writing within 10 days of the accident. The office will send the insurance form home. It is the parents' responsibility to file the claim in the appropriate manner within 30 days of the injury.

Should a student require assistance from the elevator then a letter must be on file from a physician stating the need for the elevator and the time period for which the elevator will be necessary. Students will receive a pass from the nurse and the pass must be visible. Students who take an elevator are responsible for getting notes or assignments from any class time missed.

## Immunizations

According to “Louisiana Immunization Requirements For Students In Accordance To R.S. 17:170 Student Immunizations, parents are required to send in an up-to-date record of their daughter’s immunizations, which are due the first week of each school year.

Following are the State’s guidelines:

LOUISIANA STATE LAW requires prior to school entry: 2 doses of MMR, 3 Hepatitis B, 2 Varicella and booster doses of DTaP and Polio vaccines on or after the 4th birthday and prior to school entry. A preschool dose is not necessary if the 4th dose of DTaP and the 3rd dose of IPV (provided it is administered at least 6 months after dose 2) are administered after the 4th birthday. Sixth graders (11 -12 years of age) are required: 1 Tdap, 2 VAR, 2MMR, 3 HBV, 1 MCV. Entry for institutions of higher learning requires 2 doses of MMR, 1 Td/Tdap and 2 doses of MCV4 OR 1 dose, if first dose was given on or after age 16.

If a student is not immunized, parents must submit a letter from a physician stating that the procedure is contraindicated for medical reasons or a written dissent.

## Limitations on Medical Care

Ursuline Academy endeavors to the full extent of its capability to provide a quality education for all students. At the same time, Ursuline does not have the capability to perform all medical services that a child may need. By signing the Handbook Release Form, parents and/or legal guardians acknowledge that Ursuline does not provide any and all medical services and that the school does not assume the role of health-care provider in diagnosing or treating its students; nor do the personnel (including the principal, faculty, and staff) have experience, knowledge, or expertise in providing emergency medical treatment that may be necessary for any student, including but not limited to—and by way of example only—any treatment for allergic or diabetic conditions. The school will take reasonable steps in a medical emergency to care for a student. In specific circumstances in which a student needs to self-medicate or requires

assistance with medication, the parents and/or legal guardians acknowledge that the school may be unable to accommodate the medical needs of their child/student. In the event such assistance is needed, this matter should be discussed directly with the school principal in order to determine what steps can be taken in regard to providing the student with medical assistance. In those circumstances in which the student needs to self-medicate or needs other medical assistance, the parents and/or legal guardians acknowledge that this must be discussed directly with the school principal.

## Medication

Over the counter medication (OTC) may be dispensed at school as long as a parent has sent the OTC medication to the school in the original container, in a bag labeled with the student's name along with a permission note signed by the parent. All prescription medicine must be delivered to the Date Door prior to the first bell along with a signed and dated parental note with instructions for distribution. Students may not carry their own medicine during the school day. If a child has to take any medication in school, which is prescribed by a doctor, that medication must be sent to school in the container received from the pharmacy and must have on its label the following:

- Child's name
- Name of child's doctor
- Dose
- Frequency
- Date

All prescription and non-prescription medication (cough drops, lip balm, etc.) should be taken to the receptionist at Date Door before school. We reserve the right to refuse to dispense certain medications.

## Unauthorized Substances

Ursuline Academy forbids the use, possession and/or distribution of alcohol and drugs by its students. Being under the influence of any mind-altering substance or in the company of someone using drugs and/or drinking alcohol will result in immediate consequences. Ursuline reserves the right to require drug screening tests, to be administered within 24 hours, to those students who exhibit behavior ordinarily associated with alcohol or illicit drug use. Parents who refuse to allow their daughter's being tested will be required to remove their daughter from the school. The hair drug test may be administered by and kept in the confidence of the Principal and Dean of Students. Parents will be responsible for the cost of any drug screen. Students may be asked to remain at home until the results of the drug screen are available.

## Extracurricular Activities And Clubs

### Grades K-7

Students are encouraged to participate in extracurricular activities for personal enrichment and to build relationships with the Ursuline community. Each club is led by a moderator. Permission must be obtained from the Dean of Students for all activities sponsored by Ursuline Academy, whether on school grounds or elsewhere. Students shall consult club moderators before initiating any action with regard to activities.

All students must maintain a **C** average and be in good standing with the Dean's office in order to participate in extra-curricular activities. A student will not be excused from a detention to attend an extra-curricular activity.

### High School

Each of the five grade levels (8-12) is led by its elected class officers and faculty class sponsors. The officers and sponsors are responsible for organizing and coordinating the efforts of class members in the execution of the activities of the class. All members of a class are encouraged to participate enthusiastically in the activities of their class.

Permission must be obtained from the Dean of Students for activities associated with the school, whether they are held on school grounds or elsewhere. Students should consult the Dean of Students before initiating any action with regard to a class activity.

### Clubs and Organizations

Students are encouraged to participate in extracurricular activities for personal enrichment and to build relationships with the Ursuline community. Each club is led by a faculty moderator and club officers. Application to begin a new club must be made with the approval of the Dean of Students. Clubs generally meet during lunch or after school and are overseen by the Student Council. Permission must be obtained from the Dean of Students for all activities sponsored by Ursuline Academy, whether on school grounds or elsewhere. Students shall consult club moderators before initiating any action with regard to activities. Directives of moderators must be followed in the planning and execution of club activities. All athletes must refer to the Ursuline Athletic Handbook for additional guidelines and rules.

## General Policies

### Safety

To ensure the safety of students and staff, Ursuline Academy maintains and enforces a high state of security throughout the campus. Be aware that all measures allowed by law are now in effect to protect the rights and lives of the entire staff and student body. All students should have their school issued identification on them at all times on campus, attending school activities off campus, and riding school authorized transportation. Students and parents are urged to refer to this handbook throughout the year for information and for explanations of policies. Handbook items updated throughout the year will be emailed to parents and students through our administrative software.

It is of utmost importance for parents to support Campus Safety policies. In addition, parents may not show up at any teacher's classroom for any reason including but not limited to dropping off supplies, for a conference, or to pick up a child. Supplies may be dropped off to the Office Administrative Assistant at Date Door. Conferences may be scheduled via e-mail or telephone, and students who need to be picked up will be sent to Date Door to meet their parents.

### Assault and Awareness Prevention

As required age and grade appropriate instruction is provided in the classroom instruction. Students may report to a school counselor or other school employee circumstances surrounding any abuse or assault. In addition, reports may be made to the toll-free hotline operated by the Department of Children and Family Services by calling: 1-855-4LA-KIDS (1-855-452-5437)

### School Crisis Management and Response Plans

Ursuline Academy maintains a crisis management and response plan for the school campus. The plans address school safety and incidents of a shooting or other violence at a school, on a school bus and at school-related activities. Each year the principal conducts a safety drill to rehearse components of the plan. In the event of a shooting or other violent incident or emergency situation notice will be provided to parents.

## Student Safety Reporting

Students who recognize potential threats to school safety that are posted on the internet, including but not limited to posts on social media should report such information to their principal immediately.

## Search and Seizure

The student's right to privacy is respected at Ursuline; however, where there is a reasonable cause to believe stolen items, illegal drugs, alcoholic beverages or other items specifically prohibited by law or school regulations may be in a student's locker and/or desk, said locker and/or desk may be searched by the administration. School officials may require a student to reveal the contents of her purse and/or items carried on her person – including any and all electronic devices - when there are reasonable grounds to believe that the student has items prohibited by law and/or school policy. When there is reasonable suspicion that a student or students have possession of illegal or stolen property, the student or students may be detained and an on-the-spot search conducted.

Any teacher, principal, school security guard, or administrator may search any building, desk, locker, area, grounds, or vehicle parked on school property for evidence that the law, a school rule, or Board policy has been violated. Ursuline Academy is the exclusive owner of all buildings, all desks and lockers, electronic devices issued by the Academy and all are subject to be searched. The permission granted to park an automobile or vehicle on any Ursuline property constitutes consent of the owner and/or operator to allow a search of the vehicle. As mentioned in the Student Handbook concerning Technology, Ursuline administration reserves the right to search a student's cell phone or computer when the administration has reason to believe these devices have been used to violate school policies or procedures.

The carrying of a firearm or dangerous weapon by a student on school property, at a school sponsored function, or in a firearm-free zone is unlawful in the State of Louisiana. It is unlawful for a student to carry or possess any firearm or dangerous weapon at any time while on a school campus, on school transportation, or at any school-sponsored function, including but not limited to athletic competitions, dances, parties, any extracurricular activities or within one thousand feet of any school campus. Carrying and/or possessing a firearm or dangerous weapon by a student is a major offense and may incur immediate expulsion. The administration, in accordance with state law, shall immediately report the name of any student who violates this policy to

the police department or sheriff's department and shall deliver any firearm or weapon seized to that agency. The principal will also immediately notify the student's parents

## Closing of School

Although Ursuline Academy is a private school and is not, by definition, an Archdiocesan high school, the school has elected to be included in the emergency closing procedure of the Office of Catholic Schools. Accordingly, the following constitutes Ursuline Academy's emergency closure policy:

The official announcement of closing will come from the Superintendent of Archdiocesan schools or the President of Ursuline Academy. The only official medium for announcements is radio station WWL 870 AM. In the event that it becomes necessary for only Ursuline Academy to close, the Office of Catholic Schools and radio station WWL 870 AM will be notified of our individual closing and parents will also be notified through *Bright Arrow*. If an emergency dismissal is necessary because of inclement weather or any unforeseen circumstance, the Emergency Dismissal Permit on file will be used to exercise the option determined by the parent.

## Campus Regulations and Safety

There should be no running in the halls or on the steps. A quiet atmosphere is to be maintained at change of classes, breaks, and dismissals. This is especially true in the locker areas. Students will show respect and reverence by being quiet in the Chapel area and silent in the Chapel so that others always have the opportunity to pray.

## Dining Hall

Noise shall be kept at a minimum in the dining hall areas. Loud singing and shouting are not permitted. In order to help prevent waste, students must only take one serving of items at a time then return for seconds. Students are required to clear their tables after eating and return all plates, bowls, utensils, etc to the designated areas in the Dining Hall. Students are not to ask to borrow things from the dining hall, and they are not to take dishes, trays, or utensils from approved eating areas. Respect must be accorded dining hall personnel and faculty members. Lack of courtesy, disrespect and inappropriate conduct are major offenses. Book bags are not allowed in the Dining Hall. Breakfast and afternoon snacks may be purchased by loading funds on your student ID card.

## Electronics

Cell phones, smart watches, radios, TVs, CD players, iPods, e-readers and electronic tablets or any other electronic equipment are not to be used during the school day except for the school-issued computer. All electronic devices must be kept in lockers prior to the first bell until dismissal. Any electronic device that is confiscated by the faculty or administration will be held by the Dean of Students until a parent comes to pick it up. A detention will be issued to any student who is in violation of this rule.

## K-7 Grade Carport Procedures

Responsibility for maintaining a safe and courteous carport operation rests on students, teachers and parents. Students are to remember that their prompt arrival at the carport is the only way to ensure a quick and smooth flow of traffic.

School representatives will not allow a child to be placed in a vehicle in a carpool when it is obvious that per applicable laws the child is in need of a car seat and none is in the vehicle. Parents/guardians are solely responsible for ensuring child automobile restraints are age, weight and height appropriate, properly installed and are used in accordance with the law. Please see the Louisiana Child Passenger Safety Laws for specifics regarding appropriate equipment: <https://www.lahighwaysafety.org/our-programs/child-passenger-safety/>

The following procedures must be followed for safety:

All parents dropping off and/or picking up will have to enter the Claiborne gate, drop off at the carport area where the security guard and a duty teacher will be waiting. Parents will then proceed to exit right at the first Nashville gate. Parents **must exit right** in order to keep the traffic moving. Your cooperation is very important and greatly appreciated.

Regular Dismissal time for Grades 1-7 is 3:05pm. Please **do not** enter the Claiborne gate before the designated time or you will be asked to exit and re-enter. No space will be available along the line for parents to park and wait.

The designated Claiborne area is the only entrance and departure location for the Elementary division.

An elementary school student in a carpool with high school students must bring a note from one of her parents or email [attendance@uanola.org](mailto:attendance@uanola.org), which gives her permission to enter and/or depart at the high school entrances. Students will not be allowed to remain in the high school area after 3:30 p.m. If an elementary student's ride is not leaving until

after 3:30 p.m., she must go to after-school care. **Students in unauthorized areas at unauthorized times will receive a Conduct Form.**

## Field Trips

### K-7 Grade Field Trips

- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- All grade levels do not always have the same number of field trips.
- Field trips are permissible for all grades when advanced planning, location and the experience ensure a successful learning opportunity.
- Individual teachers in consultation with the administration reserves the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip. **Verbal permission cannot be accepted.**
- Cell phones are NOT allowed on field trips.
- Students may NOT be checked out from the field trip location.
- All parent chaperones must sign the chaperone guideline form before chaperoning any event

Out-of-school activities that use parent/student transportation may not deviate from the planned trip as assigned by the supervising teacher/moderator of the activity. Any deviation from the planned trip nullifies the liability of the Academy and all Academy personnel involved in the activity. Any student involved in any deviation from a planned field trip may receive disciplinary consequences.

### High School Field Trips

Field trips provide learning opportunities unavailable in the regular classroom setting, and the students participating in them must be conscious of the educational purpose of a trip and conduct themselves accordingly. Students on field trips are expected to abide by the regulations set forth within the Student Handbook with regard to all aspects of their behavior. Students with a current grade of “D” or “F” will be approved only at the discretion of the teacher and administration. All students are responsible for making up any work missed due to their absence.

Only official off-campus activity forms will be accepted as permission slips for field trips. These forms must be signed by a parent or guardian and returned to the appropriate faculty member no later than the day before the event. School policy prohibits a note

from a parent being substituted for the official off-campus activity form that the student was given. Students who do not comply with the above policy must forfeit the privilege of attending the field trip. The teacher reserves the right to request an assignment to be completed by the student in lieu of the field trip.

Out-of-school activities that use parent/student transportation may not deviate from the planned trip as assigned by the supervising teacher/moderator of the activity. Any deviation from the planned trip nullifies the liability of the Academy and all Academy personnel involved in the activity. Any student involved in any deviation from a planned field trip may receive disciplinary consequences.

## Fire/Emergency Procedures

During fire and other emergency drills, students are required to conduct themselves in a manner reflecting their responsibility for the personal safety of themselves and of other occupants of the building.

Students must:

- Familiarize themselves with emergency information posted;
- Begin moving when the alarm is sounded, closing nearby windows and doors;
- Maintain orderly lines and silence;
- Respond immediately and appropriately to directions;
- Remain in the place designated after exiting from the building;
- Refrain from using any electronic devices;
- Return to the building immediately when the signal is given.

During the time before school, at lunch, or after school students shall, upon leaving the building, report to the nearest teacher and remain with the group.

### ***Please Note:***

A student who exhibits disorderly conduct during a fire drill or other emergency drill will receive an immediate detention. **The activation of an alarm as a prank is a reason for expulsion.**

## Illness or Accident

A student who becomes ill or is injured at school must report immediately to the nurse if she is able to do so. If a student does not feel well enough to attend class, a parent will be called to take her home. If a parent cannot be reached, persons designated on the student's Emergency Contact list will be called, and their instructions will be followed. Under no circumstances may a student call her parents to take her home until the office has been notified. All phone calls must be made from the school office.

Students who become sick with fever will immediately be moved to the isolation room. A parent or emergency contact will be contacted to pick up the child. The School Nurse will stay in contact with the student's family regarding the student's return to school.

The school nurse may dispense medicine indicated on the Database Information Verification Form as well as prescription medication that is packaged in the appropriately labeled current prescription container. All prescription medicine must be delivered to the main office prior to the first bell along with a signed and dated parental note with instructions for distribution. Also included in this policy are any over the counter medicines. Students may not carry their own medicine during the school day. It is a major offense for a student to dispense her own medicine.

Students are reminded of Ursuline Academy's policy regarding the use of illegal drugs as outlined under "major offenses" in the *Discipline* section of this handbook. It is a major offense for a student to take medication not prescribed for her or give any type of medication, be it over-the-counter or prescription, to another student.

In the event of an accident, the supervising adult must report immediately to the administration and complete the required accident report.

Ursuline Academy provides partial compensation for injuries caused by accidents to students while on the school grounds or while participating in school-sponsored activities. However, the student's personal insurance is the primary provider for all claims. If a balance for medical treatment remains after the insurance compensation has been paid, it is the responsibility of the student's parents or guardians to pay the balance.

State regulations require that the office have a health form on file for each student. All new students to the Academy and all students who have updated health information must submit these forms to the office by the end of the first full week of classes. Students who do not submit said form will not be permitted to attend any classes until the form is completed and returned to school.

Students with food allergies must submit the Ursuline Academy Allergy Form found on the Blackbaud portal, before the first day of school. If a student develops a food allergy during the school year, the Ursuline Academy Allergy Form must be submitted to Blackbaud immediately upon diagnosis.

## Lockers (including PE Lockers)

Lockers are property of Ursuline Academy even though they are assigned individually to students. Students are reminded that there are no areas on the school grounds that are absolutely private to students. As mentioned above, all lockers are subject to search and seizure by school administration.

Lockers must be kept locked. Failure to lock one's locker may result in a detention. Students who use lockers not assigned to them will be issued a detention. The school is not responsible for articles left in lockers or anywhere on campus. Students who lose their locks will be required to purchase a new one from the Dean of Students. Only locks approved by Ursuline Academy will be permitted on lockers (including PE Lockers). Students may not put anything on the outer or inner surfaces of the lockers that, in the opinion of the administration, will mar the surface of the lockers or is deemed inappropriate.

## Lost and Found

A Lost and Found is maintained in the school office. Books and other student possessions should be kept only in lockers or classrooms. Each student is responsible for her own personal belongings. The school cannot assume responsibility for such articles. Student possessions left in other areas, such as halls, bathrooms, etc., will be collected and may be claimed from the Lost and Found Department. Unclaimed articles will be donated to charity at the end of each semester.

## Messages to Students

Because of the number of students and the problems associated with disrupting class for messages, only emergency messages will be relayed to students during school hours. Parents, who find it necessary to deliver a message, uniform, or homework during the school day, should report to Date Door, not to the student's classroom. Only emergency messages, (the designation of "emergency" will be determined by the administration) will be delivered to students. End of day messages must be submitted to the office by 2:30. While parents may deliver forgotten homework to school, students will not receive the homework until lunchtime (when delivered in the morning) or the last five minutes of the day (when delivered after lunch). If homework is due after the parent delivers the homework but before the student receives it, it is considered late. In other words, class will not be interrupted for delivery of homework and students who do not have homework will be penalized.

## Off-campus Clubs, Associations and Organizations

Posters, announcements, fundraising, or activities associated with an off-campus club, association, or organization must have the expressed approval of the Ursuline Academy administration before they can be publicized on campus.

## Personal Items

Students are prohibited from bringing personal items that may serve as a distraction to the teacher, student or her classmates, such as fidget spinners, games, or any small electronic gadgets.

Elementary students will have a snack each afternoon. Middle school students will bring a healthy snack from home for snack time. Students are not able to leave carport during dismissal time to buy a snack.

## Birthdays/Treats for Classes K-7

Birthday celebrations are welcome at Ursuline. Parents should contact the classroom teacher at least three days prior to a birthday if they would like to bring an edible birthday treat. There should never be a time that certain students are singled out and given celebratory treats/gifts/acknowledgments. Ursuline encourages sharing and acceptance of all students. K-7 parents are welcome to join their child on their birthday during lunch. Those wishing to participate in the Sage Dining lunch should pay at the front desk. Parents must leave campus prior to the start of recess.

## Water bottles

All students may bring water bottles to school which can be refilled with water only throughout the day. All water bottles should be leak-free and must contain a top that can be completely closed. Straw-top bottles that do not close are not allowed. T2-4th grade

students should bring bottles that are no larger than 20oz. Water bottles may not contain another school's logo or name. They may not contain flavored drinks, soft drinks, or water with an add-in such as Crystal Light or MiO. Water bottles are permitted in all classes. Students may drink from their water bottle at any time to stay hydrated.

## **Socials**

The school is not responsible for class trips and/or socials organized by parties other than school administration. The school does not permit unauthorized trips, socials, etc., to be organized during school time or on school property. Invitations to parties may not be distributed at school.

## **Student Possessions**

Books and other student possessions are to be kept only in lockers. Students who leave possessions unattended will be issued a detention. These unattended items may be claimed from the Dean of Students. Unclaimed articles are disposed of at the end of each semester.

## **Telephone & Cell Phone Usage**

### **K-7**

Students must turn off cell phones upon arrival on campus. Cell phones will be turned into the student's homeroom teacher at the beginning of each day and will be returned at the end of the day. Students are not permitted to use their phone anytime during the school day, including carport and aftercare, until they have been picked up by a parent. Smart watches such as Apple Watch are not allowed during the school day. Students will be allowed to use their cell phones to contact parents after extracurricular activities such as sports, dance team, cheer, etc. If there is a dismissal change, parents may contact the office and the message will be delivered to the student. An Elementary student's misuse of this policy will result in a Conduct Form.

### **High School**

Cell phones and Smart Watches such as Apple Watch, may never be used during the school day (7:55am-3:05pm). If a cell phone or smart watch is used by a High School student between the hours of 7:55am and 3:05pm, it will be confiscated and held by the Dean of Students until a parent comes to pick it up and the student will be issued a detention.

## Textbooks

All school-issued texts must be kept free of marks and in good condition. Lost or damaged texts must be paid for, at the cost of a replacement copy. A final report card and all records will not be issued until all state textbooks are returned.

## Visitors

All approved visitors must enter at Date Door and sign in with the Academy Receptionist. Students are not permitted to have visitors at school (either on campus or in the immediate vicinity of the campus) without prior permission from the administration except for the student's parents or alumnae of Ursuline Academy. Unauthorized visitors will not be permitted to remain on campus either before, during or after the school day

## Restricted Areas of Campus

It should be noted that no areas on the school grounds are absolutely private to students, and there are certain areas where students are permitted only with the permission of the principal.

Students are not allowed on the second floor balcony.

Additionally students are not permitted in any other place that, in the judgment of the administration, is unusual or inappropriate. During lunchtime, unless conducting business with a teacher or counselor, all areas are off limits except the following: the dining hall, the designated picnic area, Coke Lobby, Lions' Den, a supervised study room, the Main Courtyard and Senior Lounge (seniors only).

Students are expected to utilize crosswalks and traffic signals when crossing the streets surrounding the Academy's campus, particularly when crossing Claiborne Avenue. Students who park in the school lot and have not completed the vehicle registration form will be issued a detention and/or lose parking privileges on campus. Students may not return to cars during the school day without permission from the Dean of Students.

### Student Marriage

Ursuline Academy's mission statement clearly states as its primary purpose the education of single girls. Having a married student enrolled at the Academy would be in direct conflict with the school's mission. In keeping with its mission statement, Ursuline Academy will not grant admission to married students. Ursuline Academy students who

decide to marry prior to high school graduation will be asked to withdraw from the Academy.

## Student Pregnancy

Ursuline Academy affirms the moral teachings of the Catholic Church and seeks to provide an atmosphere where Christian values and principles are fostered. Pre-marital sex is not in keeping with Christian morals and principles and is not considered acceptable for Catholic high school students; however, because of our concern for the welfare of each person, any student who becomes pregnant will be dealt with in a sensitive and Christian manner on an individual basis. A conference will be held with the student, her parents and the principal to determine the best alternative arrangements to insure continuation of the student's education in another venue during pregnancy.

## Work Permits/Driver's License Forms

Work permits and driver's license forms will be issued within 48 hours of request by the Counseling Department during the school year. During June and July, work permits will be issued within two weeks of request.

## Graduating Students Conduct at the End of the Year

- Any senior committing a school-related serious offense (i.e., alcohol/drug/indecent/inappropriate behavior, etc.) after the last regular class period, may be excluded from year-end activities. This specifically includes, but is not limited to, participation in graduation exercises.
- When a senior is prohibited from participating in graduation exercises, the diploma may be given or mailed to the student at the end of the school year.

Graduating seniors shall receive notice of this regulation in their senior orientation prior to the end of the year, and each senior will sign an appropriate document acknowledging receipt of these regulations. Parents will also receive a letter including information about these regulations.

## Graduation Information

Full participation in the graduation ceremony at Ursuline Academy is a privilege, and not a right, for the individual student and her parents. Therefore, the privilege of graduating with one's class on the stage on Graduation Day is governed by the following principles:

- Successful completion of the course of studies required by both the State of Louisiana and Ursuline Academy's Board of Trustees
- Adhering to the guidelines for graduation dresses (see below) and all directives given at Graduation Practice for the actual mass and ceremony
- Attendance and participation in all senior events leading up to graduation, including Senior Ring Ceremony, Senior Retreat, Senior Mass and Awards Ceremony, and graduation and Baccalaureate Mass practices (students who are tardy to any of these events may face disciplinary consequences)
- All financial obligations to Ursuline Academy must be met
- The 25 hour service requirement must be completed by the deadline.

## Honor Societies

Selection to any of Ursuline's honor societies is limited to current sophomores, juniors and seniors and is a privilege, not a right. Membership is not automatically granted simply because a student has achieved a specified level of academic performance. Eligibility is based on courses, clubs and service through Ursuline Academy. To be considered for membership or maintain membership, a student must complete her service hours on time each year. Members who violate the Ursuline Academy Honesty and Integrity Policy, a rule in an honor society constitution or handbook, or commit a major offense as determined by the High School Administration as being a violation of the honor societies standards, will have the right to appear before the Honor Societies Faculty Council. The Council will determine consequences which may include suspension from the Ursuline Chapter of an honor society or possible dismissal from the national organization.

If the right to appear before the Faculty Council is forfeited by the student and/or her parents, the student will automatically be dismissed from the Ursuline chapter of any honor society to which she is a member for the remainder of the academic year. She then must appeal to the Dean of Students, in writing by September 1 of the next academic year, for consideration for reinstatement by the administration.

## **Conflict between Classes and School Related Activities**

When student participation in an Ursuline-related activity is in conflict with the school day, students will be required to complete an Off Campus Activity Form. These absences will be recorded as school related and will not be counted against the exemption or attendance for credit policies. Included in these school related activities are transit to and from athletic events and participation in state tournaments.

## **NOCCA (New Orleans Center for Creative Arts)**

Students attending the New Orleans Center for Creative Arts (NOCCA) may enroll in the Academy for the current year and graduate from the Academy upon the successful completion of the guidelines set forth in the contract the student will be expected to sign. In addition to her course work completed at Ursuline Academy, the student will be expected to earn elective credits from the New Orleans Center for Creative Arts (NOCCA).

Regarding daily attendance at Ursuline Academy, the student must be present every school day for her first period class. Failure to report to school on time will be treated as either tardiness or an absence (Refer to Attendance section). The student is also

required to sign out in the high school office when she leaves for NOCCA each day. At a minimum, the student may not leave Ursuline Academy until 12:15 p.m. each day. Failure to follow check-in or check-out procedures may result in a termination of the student's concurrent enrollment in NOCCA.

Students are also required to attend the following events regardless of conflicts with scheduled classes at NOCCA: All service site visits, St. Angela's Feast Day, Retreats, and Graduation Activities (including practices). \*For retreats, students will not be allowed to leave the retreat at any time. Failure to attend any of these Academy events without due cause (verified illness, family emergency, or other extenuating circumstances) may result in the termination of the student's concurrent enrollment in NOCCA.

It is the responsibility of the student to request a letter from the Administration to serve as documentation, for NOCCA, of any required activity at Ursuline Academy.

I wish to voluntarily utilize the exercise and fitness equipment at Ursuline Academy to improve my physical fitness and health. However, I understand that there may be risks associated with physical activity and the use of exercise or fitness equipment. I hereby represent that I do not have any heart, respiratory or other type of medical problems or disabilities that would prohibit me or make it inadvisable for me to engage in the physical exercise and activities customarily performed with the exercise equipment in the exercise facilities provided by Ursuline Academy. In consideration of Ursuline Academy granting me permission to use its exercise facilities, I, on behalf of myself, my heirs, successors and assigns, family members and their respective heirs, successors and assigns, hereby release and waive all claims against Ursuline Academy including its directors, officers, employees, in connection with any and all liability, claims, actions, causes of action, demands, or damages of any kind and nature whatsoever by reason of any and every injury, arising from any and all causes whatsoever, that may be sustained by me while using the exercise facilities, and I agree to indemnify and hold harmless Ursuline Academy, including its directors, officers, and employees, against any and all such liability, claims, actions, causes of action, demands, or damages.

I further agree to:

- Exercise according to my fitness level and capabilities and monitor my own condition in order to minimize my risks;
- Ask for assistance from a knowledgeable person when I am unfamiliar with a piece of equipment I am using or exercises I am performing;
- Stop exercising immediately if any symptoms of chest pains, shortness of breath, fatigue, feeling faint, or any other discomfort occurs;
- Refrain from using any exercise equipment not in working condition and to promptly report the problem to the Athletic Director;
- Utilize the exercise and fitness equipment only during the hours use is permitted;
- Limit the use of the exercise and fitness equipment to employees of the company.

I understand that the ultimate responsibility for the proper utilization of the exercise and equipment lies with me. I also understand and agree that the Athletic Director has the right to deny my use of the exercise and fitness equipment with no explanation required. **Your consent to allow your daughter to use the exercise and fitness equipment is requested on the Handbook Acknowledgement Form.**

## Promotion/Graduation/Ring Ceremony Dress

### Seventh Grade Promotion/Awards Dress

The seventh grade promotion ceremony combines Ursuline's tradition with a celebration of the hard work and dedication of students. Dress should reflect the occasion. Dresses should be STARK white. Ivory, candlelight, magnolia, eggshell, snow white, wedding white and similar shades are not white on stage and would appear in marked contrast to other dresses.

- Rhinestones, sequins, beading, pearls and such are not allowed on any clothing.
- Glitter of any kind is not allowed on the skin or clothing.
- Any sash, ribbon, trim, and such must be STARK WHITE.
- A STARK WHITE jacket over the dress is acceptable, but no shawls or capes are permitted.
- 

**Style/cut of the dress:**

- Necklines must be modest and cover the chest. Low cut, form fitting, revealing styles are not acceptable.
- Both shoulders must be covered. The shoulder strap of the dress must cover **two and one half inches across the shoulder**. Spaghetti straps, off-the-shoulder, cold-shoulder cuts, etc. are not acceptable.
- Hemlines cannot be shorter than two inches above the knee. Dresses cannot be to the ankles or to the floor. The shorter style dress is for the 7th grade. Long formal gowns are for the high school graduation.
- Trains (even in a bustle), hoops and/or bouffant petticoats are not permitted.
- The back of the dress must be modest. There must be opaque material from the bottom of the shoulder blades to the bottom of the dress. No cut outs of any kind are allowed.

**Shoes, hair, jewelry, etc:**

- Shoes must be ALL stark white. (No wooden heels, adornment of any color, etc.)
- Shoes must be dress shoes. (boots, casual sandals, etc. are not allowed)
- Shoes may have a moderate heel. (no higher than 3 ½ inches)
- All shoes must have a back. (A simple strap is allowed)
- Flats and shoes with a very low heel are encouraged!
- Jewelry must be kept to a minimum. Dangling earrings should not be worn. Students may have only one earring in each earlobe. One simple necklace and bracelet are allowed. NO large face watches or exercise gadgets are allowed. (ex. Smart Watches, Fitbit, etc)
- Hair styles should be moderate. No adornments of any kind unless pre-approved by administration (no tiaras, wreaths of flowers, bows, etc.)
- Hair must be of a naturally occurring color.
- Make-up should be appropriate for the occasion.
- Bras should be nude or white in color (no sports bras)

**Approval:**

- Dresses must be approved by the Dean of Students. All questions regarding dresses should be addressed to the administration. Failure to wear the EXACT dress which was approved will result in the student not being allowed to graduate on stage.
- All dresses must be approved by **May 3, 2024**. A student will not receive her ceremony admit cards until her dress has been approved. The student must wear the shoes she will wear to the ceremony when the dress is approved.
- The full promotion dress with shoes must be tried on for the Dean of Students in order to be approved.

If there is ANY question over the color of the dress and whether or not it is stark white, confirm the color with the Dean of Students, not the sales clerk at the store. Many stores have been known to convince students that their dress is white when it may not be. A good test is to place a sheet of computer paper next to the dress. If they match, then the dress is stark white. Do not purchase a dress from a store that does not allow you to have a swatch to bring to school for approval of the color or that does not allow returns.

## 2024-2025 Senior Graduation Dress Guidelines

As a member of the 298th graduating class of Ursuline Academy, you are expected to be dressed appropriately. In selecting your dress, makeup, hairstyles, and shoes, please keep in mind that the rule of thumb is SIMPLICITY. We ask that you comply fully with the guidelines in a spirit of cooperation and respect for the tradition that has prompted their writing. It is because 297 classes before you have been faithful to those standards which Ursuline has set before its students that you and your class will be able to become a part of the tradition of perhaps the most beautiful high school graduation in the city.

### Color of the Dress

- The dress must be STARK WHITE. Ivory, candlelight, magnolia, eggshell, snow white, wedding white and similar shades are not white on stage and would appear in marked contrast to other dresses.
- Silk or any silk blend is **not allowed** because it looks ivory next to many dresses. Although other materials may be stark white, the best way to assure your dress is stark white is to purchase polyester satin.

### Adornments on/to the Dress

- **A slip must be worn with all dresses.**
- Rhinestones, sequins, beading, pearls and such are not allowed on any clothing.
- Glitter of any kind is not allowed on the skin or clothing.
- Any sash, ribbon, trim, and such must be STARK WHITE.
- A stark white jacket over the dress is acceptable, but no shawls or capes are allowed.

### Style/cut of the Dress

- Necklines must be modest and cover the chest. Low cut, revealing styles are not acceptable.
- Both shoulders must be covered. The shoulder strap of the dress must cover **two and one half inches across the shoulder**. Spaghetti straps, off-the-shoulder, cold-shoulder styles, etc. are not acceptable.
- Hemlines must cover the top of the shoe but not reach the floor. You should be able to easily walk in the dress without having to hold it up.
- Trains (even in a bustle), hoops and/or bouffant petticoats are not permitted.
- The back of the dress must be modest. There must be opaque material from the bottom of the shoulder blades to the bottom of the dress. No cut outs of any kind are allowed.
- No slits are allowed in the front of the dress. Back slits must not come any higher than the bottom of the knee.

### Shoes, hair, jewelry, etc

- Shoes must be ALL stark white. (No wooden heel, adornment of any color, etc.)
- Shoes must be dress shoes. (boots, casual sandals, etc. are not allowed)
- Shoes must have a moderate heel. (no higher than 3 ½ inches)
- All shoes must have a back. (A simple strap is allowed)
- Flats and shoes with a very low heel are encouraged!

- Hair styles should be moderate. No adornments of any kind unless pre-approved by administration (no tiaras, wreaths of flowers, bows, etc.). Hair must be of a naturally occurring color.
- Make-up should be appropriate.

### Approval:

- Dresses must be approved by High School Administration. All questions regarding dresses should be addressed to the administration. Failure to wear the EXACT dress which was approved will result in you not being allowed to graduate on stage.

- All dresses must be approved by the stated date. A senior will not receive her Graduation admit cards until her dress has been approved. You must wear the shoes you will wear to graduation when you have your dress approved.
- You may get pre-approval of the dress and color by High School Administration.
- If there is any question over the color of the dress and whether or not it is stark white, confirm the color with Administration – not the sales clerk at the store.
- Please do not purchase a dress from a store that does not allow you to have a swatch to bring to school for approval of the color. The Administration has final say-so, not the store.

Each year Ursuline and individual graduates receive many compliments on how beautiful the graduation ceremony has been. One of the contributions to the beauty of it is the cooperation of the seniors with these guidelines for dresses. Complying with these guidelines is one concrete example of class unity and of school loyalty. The administration asks for your full cooperation in this matter. The administration will keep a list of the seniors whose dresses have been approved. Your cooperation in having your dress approved by the deadline set will be appreciated.

### Ring Ceremony/Baccalaureate Mass Guidelines

You will wear your graduation gown (which you will receive in early September) to Ring Ceremony and your gown with the cap and tassel to Baccalaureate Mass. Under the gown you must wear a dress that follows the guidelines for Ring Dance dresses

- Simple white or off-white
- Appropriately fitting and modest
- Has a hem no more than 2in above the knee

If you are wearing a dress that does not meet those guidelines under your gown then your gown must be fully zipped the entire time you are on campus for both occasions. All other guidelines (shoes, jewelry, hair, etc.) must follow the same guidelines as are stated above for graduation. Any cords or special adornments received from honor societies or other positions may only be worn to Baccalaureate Mass by active members in good standing with Ursuline Academy Chapters. Students may only wear adornments provided through Ursuline Academy.

## Service Requirements

Each Ursuline school shares a common commitment to forming students as servant leaders. The Latin word, *Serviam* (“I will serve”), inspires all Ursuline women. Starting with service projects initiated both inside and outside of school, the spirit of *Serviam* gives rise to lifelong dedication to serving the neighbor in need.

### 5th-7th Grade Service Hour Requirements

Ursuline’s motto is *Serviam*, “We will serve.” Students live out this motto in many ways. Our goal for grades 5th-7th service hours this year is to develop the heart behind our motto. We would like the girls to have facilitated but student-led opportunities to grow in their awareness and delivery of service within our community, both Ursuline and New Orleans.

In place of required hours of service, each grade level will work on a service–learning project quarters 1-3 of the school year. Grades will be allotted to the students for their effort and participation in each project which will be determined by each grade level’s teacher. Each grade’s project targets a certain concept that will build on each other year after year, continuing to encourage growth in their heart for service as they grow and mature as young women.

5th Grade	Spread awareness and organize service within the Ursuline community
6th Grade	Spread awareness of needed service within the New Orleans community
7th Grade	Generating supplies and organizing service within the New Orleans community

### High School Service Learning Requirements

Ursuline Academy, through the five-year high school *Serviam* formation program, challenges its students to progressively explore the call to service and to Christian discipleship. The program is part of the ongoing spiritual formation process whereby Ursuline provides enriching opportunities to integrate and expand the student’s understanding of herself in relation to God, community, and the world.

All students who attended Ursuline in the High School Division during the 2023-2024 year may count hours for the 2024-2025 year beginning on March 14, 2024. All students who were in the Ursuline Middle School in the 2023-2024 year may count hours beginning March 14, 2024. Any student who attended any other school during the 2023-2024 year may count hours beginning June 1, 2024.

Service awards are given to any student who completes 100 hours of service in a year. Students who complete 100 or more hours every year of high school receive special recognition at graduation. Students will be awarded a service pin for five-years of service for completion of 100 hours or more from eighth through twelfth grade or four-years of service for completion of 100 hours or more from ninth through twelfth grade.

## History And Traditions

Founded in 1727 by the Sisters of the Order of St. Ursula, Ursuline Academy of New Orleans, enjoys the distinction of being both the oldest, continuously-operating school for girls and the oldest Catholic school in the United States. Convinced that the education of women was essential to the development of a civilized, spiritual and just

society, the Ursuline Sisters influenced culture and learning in New Orleans by providing an exceptional education for women.

An Ursuline education is rooted in a tradition of formation and innovation. It provides a nurturing environment for the learning and development of the whole person, based on a sound foundation of values drawn from the vision and philosophy of St. Angela Merici, founder of the Ursuline Order in Brescia, Italy in 1535. Ursuline Academy is dedicated to the moral, spiritual, intellectual and social growth of each individual, and these values are validated by our educational approach.

The Ursuline tradition holds many United States firsts in its dedication to the growth of individuals, including the first female pharmacist; first woman to contribute a book of literary merit; first convent, first free school and first retreat center for ladies; and first classes for female African-American slaves, free women of color and Native Americans. In the region, Ursuline provided the first center of social welfare in the Mississippi Valley, first boarding school in Louisiana and first school of music in New Orleans.

Ursuline Academy, in the past and in the present, remains committed to the Ursuline values of educating and shaping the lives of young women through an ongoing dedication to academic excellence and the spiritual and physical development of the individual, grades K through 12.

## Our Lady of Prompt Succor

The devotion of Ursuline Academy to the Virgin Mary under the title of Our Lady of Prompt Succor originated in 1810 with the desire of a French Ursuline, Mother Michel Gensoul, to join the Ursuline nuns in New Orleans in their missionary work. The bishop whose permission she needed was so reluctant to lose her services to the people of his jurisdiction that he told her she must get permission from the Pope. This was extremely difficult because of the political upheaval in nineteenth-century France, but Mother Michel Gensoul was undaunted. She wrote to Pope Pius VII and prayed to the Blessed Virgin for a “quick and favorable” answer to her request, promising to have the Virgin Mary honored in New Orleans under the title of Our Lady of Prompt Succor.

In 1815, many New Orleans families turned to Our Lady of Prompt Succor as the vastly outnumbered soldiers of General Andrew Jackson faced the British in the Battle of New Orleans. After the American victory, General Jackson came personally to express his gratitude to the Ursulines for their prayers for the safety of his men. In 1894 Pope Leo XIII declared the gold statue the “Miraculous Statue of Our Lady of Prompt Succor.”

With crowns donated by the grateful citizens of New Orleans, the statues of Our Lady and Baby Jesus were crowned in 1895.

Our Lady of Prompt Succor is honored as the patroness of New Orleans and of Louisiana. The National Shrine of Our Lady of Prompt Succor, visited by pilgrims and tourists from throughout the world, is located in the chapel on the Ursuline Academy campus. It is open daily to all Ursuline students and is used for liturgies and school functions. It is there at the feet of the statue that the Ursuline devotion to Our Lady of Prompt Succor is daily demonstrated as the people of New Orleans join the Ursuline Sisters and their students to pray with confidence, “Our Lady of Prompt Succor, Hasten to Help Us!”

## Saint Ursula

According to legend, St. Ursula, a British princess of the fourth century, and a group of young ladies embarked on a spiritual pilgrimage. When their boat docked at Cologne, Germany, they were attacked and martyred by the Huns because of their Catholic faith. The relics of these martyrs repose in the church of St. Ursula in Cologne.

St. Ursula and the companions she attracted touched the deepest aspirations of St. Angela by their faith, their virginity, their courage, and their fidelity. In St. Ursula, St. Angela chose a patron for her Company who embodied the ideals by which she and her companions would try to live. Her Feast Day is celebrated on October 21st.

## Saint Angela

During the religious conflicts of the 16<sup>th</sup> century, Angela Merici, a visionary and practical woman living in Brescia, Italy, founded a company of women to renew the church from within. In an age when women had only two options—marriage or the cloister—Angela showed women a new way to dedicate their lives to God in contemplation and service of others.

Angela lived in an era when women had no rights. She witnessed disease, starvation, ignorance, political and ecclesial corruption, and exploitation of the poor and of women—much as we do today. She had no illusions that she could solve all those problems, but she listened carefully to the Holy Spirit and decided to do what she could. On Nov. 25, 1535, this woman in her sixties gathered a company of two dozen young women to live the Gospel among the people and help all women recognize their importance and dignity.

St Angela Merici, St Ursula's College Kingsgrove, Australia, 2012 by E. Piccolruaz

The Holy Spirit was Angela's life-long guide; listening to God, she became a pilgrim, peacemaker, reconciler and leader. Through her writings, her company, which she placed under the patronage of St. Ursula, was left a permanent and available legacy of her spirit. (osucentral.org) Her Feast Day is January 27th.

## An Ursuline Prayer

Gracious God, we come before You and ask for Your blessing. Give us the grace to model the Ursuline values of service, courtesy, loyalty and courage by attitude and action. Guide us that, in the spirit of St. Angela, our relationships with others may be rooted in reverence, respect and loving kindness. Let deep faith, trust, and joy give energy to our efforts as we seek to serve you and your people with a generous and open heart. Grant this in Jesus' name. Amen.

St. Angela, watch over the days of our youth!  
St. Ursula, protect our future!  
Our Lady of Prompt Succor, hasten to help us!

## The Ursuline Alma Mater

The Alma Mater was written by an Ursuline student, Audrey May Meyer C 1933:

Ursuline, to dear old Ursuline,  
We pledge our endless love today.  
Ursuline, forever Ursuline,  
Though life may lead us far away.  
Lamp that lights the flame  
Of all our hopes and dreams.  
Beacon bright that guides us

Onward with its beams.  
Happy hours within your sacred halls.  
Cherished memories.  
Ursuline, to dear old Ursuline,  
We pledge our endless love today.  
Ursuline, forever Ursuline,  
Though life may lead us far away.

Alma Mater beautiful,  
Starlike ever shine,  
On our paths  
To guide our faltering steps,

Home at last,  
Dear Ursuline.

## The Seal of Ursuline Academy - *Ursula Laurus*

The Ursula Laurus Seal honors Saint Ursula, the saint for whom the Roman Union Ursulines are named. The laurel tree and laurel fronds—ancient Greek and Roman symbols of victory, achievement, and honor—celebrate Saint Ursula for her courage and honor in the face of challenges, risk and danger. The laurel tree rooted in the earth and spreading its branches also embodies being faithful to tradition with a commitment to branching across boundaries and into the future.

*Labor Victoria* is a Latin phrase for achieving “Victory through Work.” The white lily is a symbol of the purity of the Ursulines’ founder, Saint Angela Merici. In the center are the Sacred Heart of Jesus and the Immaculate Heart of Mary. A sword pierces her heart during the Crucifixion of Christ.

At the Old Ursuline Convent on Chartres Street, this shield is represented in a stained-glass window above the door of the Convent’s entrance.

The seal of Ursuline Academy bears the Latin words *labor* (work), *Victoria* (victory), *Ursula* (patroness of the Ursuline Order), and *Laurus* (laurel). Roman citizens were crowned with laurel wreaths when the results of their work brought victory; in its earlier history, Ursuline crowned its graduates with laurel wreaths.

Also on the seal are two sacred hearts that represent the dedication of Ursuline to Jesus and Mary; a palm branch that represents St. Ursula, the virgin martyr; and a lily that represents the purity of St. Angela, foundress of the Ursuline Order.

## Serviam Shield

Depicting a shield with stars, a cross and the word *Serviam*, the *Serviam* Shield dates back to 1931 when the Ursuline Prioress General, Mother St. Jean Martin, gave this emblem to Ursuline

students everywhere. She said, “Above the great cross of Jesus, a field of stars”. The ‘Little Bear,’ Ursula, like the morning star, lights the way that leads to unreserved Love. *Serviam*: I will serve. Word of honor and Christian self-sacrifice ... You will live it in serving God ... You will live it in serving the Church, You will live it in serving your country, your family ... in your joyful dedication to those closest to you ... Serve in obedience and love; let this be your project, for now and for the future.”

## **Serviam, an Ursuline Tradition**

*Serviam*, meaning I will serve, is the motto of every Ursuline student, and the commitment to service is an important component of an Ursuline education.

## **Ursuline Traditions**

Ursuline Academy's activities and observances have special meaning to students, faculty, and alumnae. Among High School traditions are the following: Mass of the Holy Spirit, Senior Ring Mass and Ceremony, Rally (intramural competition), New Student Induction, Pin Ceremony, Graduation Mass and Ceremony, and the passing of the senior class name to the freshman class.

Among Elementary School traditions are Mass, Living Way of the Cross, Living Rosary, May Crowning, Grandparents' Day, Spring Arts Festival and Mother-Daughter Luncheon. The Feast of Our Lady of Prompt Succor, Patroness of Louisiana, and the annual commemoration of the victory of the Battle of New Orleans are celebrated in January; the Feast of St. Ursula, Patroness of the Order of St. Ursula, is celebrated in October; the Feast of St. Angela Merici, a day dedicated to service, is celebrated in January.

The motto of Ursuline is *Serviam*, Latin for “I will Serve.” Through a learning process of developing mission effectiveness, students are encouraged to emulate the ideals of courtesy, loyalty and courage, and service to God by serving others.

The Academy colors are navy blue and white. The mascot is the lion.

## Alumnae Association

The Ursuline Alumnae Association has been in continuous existence since it was formally organized in 1900. Seniors formally become members of the Ursuline Alumnae Association at the Alumnae Induction Ceremony, which occurs at the end of the Baccalaureate Mass. All graduates of the Ursuline College and/or Ursuline Academy of New Orleans are automatically enrolled into membership of the Ursuline Alumnae Association. Membership is open to any former student who attended Ursuline College and/or Academy, who shall be designated “Associate” member upon request to and approval by the Alumnae Association Board. The Ursuline Alumnae Association of New Orleans may formally recognize the service and dedication of a woman who is not a graduate of Ursuline Academy, New Orleans as an Honorary Member. The Alumnae Association Board hosts several events throughout the year and members of the Association participate in masses, service projects, and on campus activities, such as Career Day. They are a constant reminder of the rich heritage of an Ursuline education.

At the annual Homecoming held each fall, the Distinguished Alumna and Reunion classes are honored. Individual class reunions are held. The Association also awards the Cor Unum award to one Senior every year.
