

7th Grade Math Class

2024

Mrs. Landon

2025

Contact Info

M-F 8:42-9:25
and
Mondays and Fridays
12:17-1:00

Email:
clandon@usd232.org

Phone 913-422-1100
ext. 2442

Concepts we will learn:

- Ratio and Proportional Reasoning
- Expressions and Equations
- The Real Number System (fractions, decimals and integers)
- Statistics and Probability
- Geometry

CLASSROOM MATERIALS

- Binder
- Pencils/Grading Pens
- Expos
- Homework
- Earbuds and Charged MacBook
- Positive Attitude
- Willingness to Learn

Grades- Homework 10pts, Quizzes 20—30 points, and Tests 100 points

Homework- is graded and recorded in class by the students. It can be corrected for half credit back.

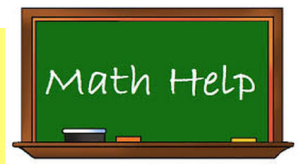

Quizzes- no retakes, 1-2 per unit

Tests- retakes are possible with certain protocols on the back.

Extra credit - given after every test for up to 10 points, not upon requests.

Late Work- 10% off after homework is one day late. It can be turned in anytime until the test. After that, it will remain a zero.

Students will organize each unit with their notes and homework to study and turned in the day of the test for 10 points.

Most of you will come across a topic that requires more explanation. Student can come in before school with your 7:35 pass, WIN time, and after school. The TSP (Timberwolf Success Program) is available Tuesdays through Thursdays from 3:00-4:30. I want you all to be successful, so you must take responsibility for your own learning. I expect **students** to advocate for themselves and for their grade. When your math teacher is absent, please see the other 7th grade math teacher, Mrs. Ayers, for assistance.

Re-Take Policy

Students may retake a test that they earned a D and F. To qualify for a retake, a student cannot have any missing math assignments for that unit, come to a study session and complete corrections on the problems missed.

KSS (Keeping Skills Sharp) is given on Mondays and due on Fridays. Students have a chance to turn it in early as many times in the week to be graded and handed back for another chance to complete.

Students must show all work all the time.

Phones will not be used in class and will remain in student's backpacks.

It is going to be a great year in math!!!
I hope you are as excited as I am!!!
