Greetings and Welcome Kendrick Middle School family to another amazing school year where we strive to “Build a Better Tomorrow Today”! My name is TiOndra Edwards, and I will serve as your Community / Parent Liaison at Kendrick Middle School this 2024 - 2025 year. My role here at KMS is to provide parents and stakeholders with informational support, as well as community resources to ensure you and your student thrive.

I invite you to visit Kendrick Middle School Virtual Parent Resource Center which is full of valuable information to assist with academic success such as homework tips, study guides, academic workshops and free academic brochures and pamphlets that address a wide range of family and educational topics. In addition to our academic support and material you have access to employment resources, parent updates, volunteer information and newsletters. All our workshop information will be located on the Kendrick Middle School website.

My experiences include over 19 years of service to Clayton County Public School through classroom teaching and various other positions, prior to parent liaison work and more. Parents, I am here to support you, and I trust that you will support me by logging into our upcoming workshop sessions and providing input whenever requested. If you have any further questions, I may be reached at 770-472-8400 ext 524126 Monday through Friday 8:20 am to 4:00pm. I may also be reached via email at tiondra.edwards@clayton.k12.ga.us

Respectfully,

TiOndra Edwards M.Ed.
Community / Parent Liaison
