

Replicating School Application

Mid-Ohio Educational Service Center mission as a Sponsor is:

The mission of the Mid-Ohio Educational Service Center (Mid-Ohio ESC), as a sponsor of community schools, is to establish a strong public community school by adhering to quality authorizing practices and oversight of the school in accordance with the role of a quality sponsor, and to provide an opportunity to students who may not otherwise participate successfully in public education, in a student-centered manner that results in a high standard of education.

It is the priority of Mid-Ohio ESC, as a sponsor of community schools, to foster and support the academic growth and social skills of the students we serve, in order for them to be successful, contributing members of society.

We expect those seeking to replicate a school to have done significant planning and to demonstrate a strong, evidence-based community school curriculum which is mission-driven and serves a need otherwise not being met in the community.
