Welcome McAnnulty Families to the 2024-2025 School Year!!

We are thrilled to start this year in our Kindergarten Center as we embrace a time of incredible growth and exploration! All of the McAnnulty Staff are excited to begin this magical journey together! I am so excited to announce that we will have a Disney Themed school year!

At McAnnulty, we are committed to developing the social, emotional and academic growth of all learners. Our upcoming initiatives are designed to be innovative, inclusive and developmentally appropriate, ensuring that your child receives the best possible start to their Kindergarten year! We believe that by fostering a nurturing and supportive environment, we can prepare our children not just for school, but for a bright future! The district's commitment supports our student's future through A Journey of Highlander. A team of educators, students, and community members have developed what success looks like for our students.

Collaboratively, we have identified five areas that we believe will become a reality for every student as we strive to create meaningful learning experiences every day! These five areas will be discussed in detail with you and your child as the year progresses!

As we prepare for the school year, I have attached a Google Form for you to complete if you are planning on driving/picking up your child from school. If your child will be riding the bus, you don't need to complete the form! In the next few days, you will be receiving information about your child's teacher, staggered start date and transportation.

Open House is being held on Thursday, August 29th from 6:30-8:30. You will be able to meet the teachers, take a tour of the building and ride the bus around the block! It is going to be a wonderful night you won't want to miss!

See you soon!
