| Important Questions | Answers | Why this Matters: |
|---|---|---|
| **What is the overall deductible?** | **$5,000** person/**$10,000** family. Doesn't apply to In-Network preventive care. | Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**. |
| **Are there services covered before you meet your deductible?** | Yes, preventive care. | For example, this **plan** covers certain **preventive services** without cost-sharing and before you meet your **deductible**. See a list of covered **preventive services** at https://www.healthcare.gov/coverage/preventive-care-benefits/. |
| **Are there other deductibles for specific services?** | No. There are no other specific **deductibles**. | You don't have to meet **deductibles** for specific services. |
| **What is the out-of-pocket limit for this plan?** | Deductible is **$5,000** person/ **$10,000** family. Total out of pocket max is **$6,350** person / **$12,700** family. | The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met. |
| **What is not included in the out-of-pocket limit?** | **Premiums**, **balance-billing** charges, and health care this **plan** doesn't cover. 20% non PPO penalty applies annually up to **$2,000** person / **$4,000** family. | Even though you pay these expenses, they don't count toward the **out-of-pocket limit**. |
| **Will you pay less if you use a network provider?** | Yes. See **www.bcbsks.com /providerdirectory** or call 1-800-432-3990 for a list of **network providers**. | This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services. |
| **Do you need a referral to see a specialist?** | No. | You can see the **specialist** you choose without a **referral**. |
