NORMANDY SCHOOLS COLLABORATIVE

STAFF SPOTLIGHT

Each member of the Student Support Services team plays a crucial role in advancing NSC by ensuring student well-being inside and outside the classroom. They go above and beyond to assist families to ensure they are engaged with their child's learning, provide extracurricular support, and foster and strengthen community partnerships. SSS staff ensure accurate attendance data, facilitate students' return from alternative placements, and prepare students to be college and career-ready after their time with the district. Our dedicated staff exemplifies our commitment to supporting students where needed.
