## The School Plan for Student Achievement

---

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California *Education Code (EC)* Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to *EC 64001*.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

The District's Governing Board approved this revision of the school plan on \_\_\_\_\_.

**Recommendations and Assurances**

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district Governing Board for approval and assures the board of the following:

- 1) The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
- 2) The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.
- 3) The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

English Learner Advisory Council

Signature of Authorized Representative

*Brenda Luquin, p*

- 4) The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
- 5) This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
- 6) This SPSA was adopted by the SSC at a public meeting on 4-16-24.

### District Profile

Santa Paula Unified District is located in the city of Santa Paula, a small historical community serving approximately 30,000 residents within a 4.6 square-mile radius surrounded by rolling hills and citrus groves. Santa Paula City is approximately 65 miles northwest of Los Angeles and 14 miles east of Ventura. Santa Paula is situated in the rich agricultural Santa Clara River Valley. The City is surrounded by rolling hills and rugged mountain peaks in addition to orange, lemon and avocado groves. In fact, Santa Paula is referred to as the "Citrus Capital of the World." The community of Santa Paula was founded in 1872. Originally the area that is today Santa Paula was inhabited by the Chumash, a Native American people.

Santa Paula Unified operates an early childhood education program, six elementary schools, one middle school, one comprehensive high school, one continuation high school, one independent study school, and an adult school program. Santa Paula Unified School District has a large Latino and English Learner population that has made tremendous improvements in student achievement in the past few years. We are proud of the accomplishments of our students, teachers, staff, parents and the community that has made that achievement possible.

### District Vision

Committed to serving every student every day.

### District Mission

The Santa Paula Unified School District, in collaboration with educators, parents, and the community, will prepare all students academically, socially, and emotionally for college, careers, global citizenship, leadership, and lifelong learning. ### School Profile

Barbara Webster Elementary School is located in the city of Santa Paula and serves students in transitional kindergarten through grade five, and is one of six elementary schools in the district. In the 2023-24 school year, 343 students were enrolled, including 53.1% qualifying for English Language Learner support, 86% qualifying for free or reduced-price lunch, 21.9% special education, 1.7% migrant, and 9.9% homeless youth.

### Textbooks

Barbara Webster uses state/district adopted curriculum in all areas of instruction which are aligned to State Content Standards. The District/School has adopted curriculum that is in alignment with Common Core State Standards. These strategies include the following:

- **Language Arts:** Wonders ELA is used daily during the Language Arts period. This program is aligned with the California State Content Standards and is being used in every classroom during the literacy block. Assessments are aligned to California State Content Standards. The assessment data is monitored and analyzed through the io Assessment system. Tier II students receive intervention instruction from classroom teachers in small groups before/after school. Wonder Works Intervention materials are utilized with students participating in reading intervention programs, as well as in the Resource Specialist Program (RSP). Each of these was selected from the State adopted list of supplementary instructional materials.
- **English Language Development:** Wonders is the adopted curriculum for ELA/ELD. Along with the adopted curriculum, Barbara Webster Elementary School utilizes systematic ELD practices to provide English Language Learners (ELL) with explicit, direct instruction of English Language Development (ELD). This program is aligned with the California State ELD Standards and is being used in every classroom during the 45 minute ELD block in 3<sup>rd</sup> – 5<sup>th</sup> and 30 minute ELD block in K-2. Students are grouped by their language proficiency levels and receive instruction at their appropriate level of language development.
- **Mathematics:** Barbara Webster uses Math Expressions by Houghton Mifflin Harcourt daily in every classroom during the math block. This program is aligned with the Common Core State Standards. Targeted students receive small group intervention instruction from classroom teachers. Intervention groups receive instruction from a variety of supplemental materials. The ST Math Lab is also utilized in grades 2-5 to reinforce math standards.
- **History/Social Studies:** Barbara Webster uses Studies Weekly History/Social Studies program which is the District-adopted core curriculum for K-5 schools. This program is aligned with the Common Core State Standards.
- **Science:** Barbara Webster uses the Delta FOSS Science Program, the District-adopted core curriculum for K-5 schools. This program is aligned with the California State Content Standards.

The district has also purchased Mystery Science for each site to serve as a supplemental curriculum until there's a new framework. A comprehensive Science pilot and adoption will take place after the History Social Science pilot and adoption is completed.

### School Mission

Barbara Webster Elementary is a nurturing place for children to grow. Our mission is to develop the academic, social and emotional attributes of every child.

### Student Enrollment by Grade

### Comprehensive Needs Assessment

Barbara Webster Elementary School completed a comprehensive needs assessment survey of all students enrolled, including migratory students, which included the analysis of student performance in relation to the state academic content standards. During staff development activities and staff meetings, school administrators and the leadership team considered the results of the following to identify areas of strength and weakness:

- ✓ Analysis of Student Performance Data:
  - CAASPP Assessment Results
  - ELPAC Reports
  - Teacher Feedback
  - Local Assessments – Math
  - Math Unit Assessments
  - Literably Reading
  - BPST
  - District Assessments

Conclusions from the needs assessment survey were used to identify SPSA goals and program support goals.

### Transition from Preschool to Kindergarten

Barbara Webster Elementary School offers a Transitional Kindergarten program on campus. Transitional kindergarten is an early childhood education program that builds a bridge between preschool years and traditional kindergarten. Beginning in the 2024-25 school year, transitional kindergarten is designed for students who turn five (5) years old between September 2, 2024 and June 2, 2025 and who may benefit from an enriched foundational early childhood education program to prepare them for success in traditional kindergarten.

This program provides children with a well-planned classroom program to build necessary social and academic skills for success throughout their school careers. The program is based on the California kindergarten standards with focused instruction in literacy and numeracy along with strong emphasis on self-regulation and social engagement.

The transitional kindergarten program allows the full day schedule of traditional kindergarten with over a six hour program running from 8:00 a.m. to 2:16 p.m. daily.

Our daily schedule includes whole group instruction and activities, small group instruction, independent and “hands-on” learning. The transitional kindergartners enjoy lunch and recess and participate in activities such as music, art, and motor skills development throughout the year.

### Violence Prevention, Bully Prevention, and Student Safety

Barbara Webster Elementary School supports efforts to maintain a safe and healthy environment by accessing professional resources through local law enforcement, public agencies and private programs. The District works with school administrators to provide resources and support for both students and parents. During the 2024-25 school year, Barbara Webster Elementary School plans to provide the following programs for its students (and parents as applicable):

- **Anti-Bullying Presentations**
- **Parent Project Classes** – program designed for parents raising difficult younger children, ages 5-10 years of age.
- **CHAMPS** - Champions Against Bullying is a classwide positive behavior support program focused on improving classroom behavior, establishing clear behavior expectations, reduce misbehavior, motivating students to put forth their best effort, increasing academic engagement, and teaching students to behave respectfully and to value diversity.
- **HelloYello** – Part of the CHAMPS program.
- **Restorative Justice** – Restorative justice offers alternatives to our traditional juvenile and criminal justice systems and harsh school discipline processes. Rather than focusing on punishment, restorative justice seeks to repair the harm done.
- **Project 2-Inspire** - research-based collaborative project that helps schools establish a Family-School-Community leadership program that involves all stakeholders – families, community-based organizations, teachers, administrators and other school staff

## Nutrition Programs & Fitness Programs

The Santa Paula Unified School District Nutrition Services department is made up of a team of food and nutrition professionals that are dedicated to students' health, wellbeing and their ability to learn. We support learning by promoting healthy habits for lifelong nutrition and fitness practices.

Meals, foods and beverages sold or served at schools meet state and federal requirements which are based on the USDA Dietary Guidelines. We provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students.

The district offers a variety of free and reduced-price meal programs through the [National School Lunch Program](#) (NSLP), [Especially Needy Breakfast Program](#) (SNBP), [School Breakfast Program](#) (SBP), Meal Supplement Program (Snacks), [Child Care Program](#) (CCAFP), and the [Seamless Summer Feeding Option Program](#) (SSFOP). Barbara Webster Elementary School follows the nutritional guidelines component of the policy and incorporates the physical activity and health/nutrition education components into daily curricula. Nutritional programs sponsored at the school include:

- **National School Lunch Program** - a federally assisted meal program which provides nutritionally balanced, low-cost or free lunches to children each school day.
- **School Breakfast Program** - a federally funded program which provides nutritious breakfasts to children.
- **At-Risk After-School Meals Program** - students participating in after school programs receive nutritious snacks and dinner meal as a regular part of their afterschool activities. Meals are provided in accordance with the Childcare Food Program guidelines and reimbursement rates.
- **Seamless Summer Feeding Option Program** - students participating in summer school receive nutritious snacks and meals through the National School Lunch and School Breakfast programs.
- **Physical Education** - Classroom teachers and the PE Specialist provide physical education instruction for our students for a minimum of 200 minutes every ten days as mandated. The SPARKS physical education curriculum is currently being followed.

## Extended Learning Programs

Barbara Webster Elementary offers the following extended learning programs:

- **After School Intervention Class** - taught by teachers to ensure the alignment of instruction with the California State Content Standards.
- **Kindergarten Instructional Assistants** - provides one-to-one and small group instruction to support students in their efforts to attain academic proficiency in all areas.
- **ASPIRE (After School Program for Instruction, Recreation & Enrichment)** – program held daily from 2:45 to 6:00 p.m. which includes activities such as reading, computers, creative writing, math, homework tutorial help, sports, arts and crafts, self-esteem building activities, drug abuse awareness activities, games and recreation.
- **STAR-Nova Program** - STAR Education offers a wide breadth of exciting and original STAR NOVA enrichment classes in the areas of Academics, STEAM Education (science, technology, engineering, art and math), Language, Performing Arts, Sports & P.E., Recreation, Visual and Media Arts and so much more! STAR NOVA enrichment classes take place once or twice a week, allowing for a university quality class with a more individualized approach tailored to the specific needs and interests of each student. STAR collaborates with artists in residence, universities, and professionals in each field to create stimulating classes that give each student invigorating insight into the real world.
- **STEAM Literacy Coaches** – Provides direct services to students during science.
- **Learning Center** – Intervention program that offers support during school hours Monday through Friday for grades K-5 in a pull-out program.

# School Plan for Student Achievement

School Name	County-District-School CDS Code	School Site Council (SSC) Approval Date	Local Board Approval Date
Barbara Webster Elementary	56768286055545	April 16, 2024	

## Purpose and Description

Briefly describe the purpose of this plan.

Webster Elementary has identified several areas needing review and improvement, specifically in the areas of reading and math achievement. Additional state dashboard indicators from the 2022-2023 school year as well as local assessments from the 2023-2024 school year show that Webster Elementary needs strategic improvements focused on English Language Arts and Math achievement of all school subgroups.

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Webster Elementary School’s plan meets the ESSA requirements of aligning with the Santa Paula Unified School District’s Local Control and Accountability Plan (LCAP). The goals in this plan is to enhance academic achievement through a focus on equity, accountability, inclusion, transparency, flexibility and opportunity for all students. The Webster Elementary School Plan for Student Achievement includes a strong focus on collaboration and enhancing communication within the school and the larger Webster community while systematically targeting improvement to our schools academic and social emotional culture and climate as well as a focus on the physical health of our students. The Webster Elementary School Plan for Student Achievement includes a stakeholder constructed plan to improve the academic achievement and overall school experience of every student. Through this plan, Webster Elementary demonstrates its commitment to integrity and continual growth as well as prioritizing our values of relationships, routines, responsibility, respect and results.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Personnel Involved:	Date:
Webster Instructional Leadership Team	4-9-24
Webster Staff Meetings	4-15-24
School Site Council Meetings	3-27-24 and 4-16-24
ELAC Meetings	4-16-24

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable. **(COMPLETE ONLY IF CSI OR ATSI SCHOOL)**

**Goals, Strategies, Expenditures, and Annual Review**

**Goal 1:**

**Increase academic achievement at all grade levels in ELA and Math. Implement the California State Standards in all core subjects.**

Identified Need:

Our 2022-2023 CAASPP scores indicate that Webster students scored 50.7 points below standard overall on the ELA portion for assessment and 57.7 points below standard overall on the math portion of the exam. Starting in the Fall of 2022 and continuing into 2024, the Webster staff will continue to engage in both math and ELA professional development. The 3rd - 5th grade teachers will continue to develop their understanding and implementation of Cognitively Guided Math Instruction (CGI). The TK - 2nd teachers will continue to develop their understanding and implementation of CORE Literacy ELA principals. Further during the spring of 2024 - 2025 school year, the Webster staff will continue to collaborate with our school district to restructure our year long 2024-2025 Standards, Pacing and Assessment Curriculum map for math and ELA at all K-6<sup>th</sup> grades. Additionally, all TK - 6th grade staff at Webster will continue their implementation of Project Based Learning (PBL). Starting in the 2023-2024 school year and continuing, all TK - 6th grade teachers will engage their students in 1-2 PBL assignments for the school year.

Annual Measurable Outcomes:

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP Math Assessments	2023: 50.7 points below standard	30 or less points below standard
CAASPP ELA Assessments	2023: 57.7 points below standard	40 or less points below standard
ELPAC Summative Assessment	49.6% making progress towards English Language Proficiency	60% making progress towards English Language Proficiency
Reading Inventory Quarterly Assessment	Varies for every student	Every student makes 12 or more months of growth as measured by local assessments (Literably, Rigby)
Student Attendance	2021-2022: 33.5% 2022-2023: 19%, chronically absent students	2024-2025: 15% or less chronically absent students
Student Suspensions	2022-2023: 1.8% suspended for at least 1 day	2023-2024: 0.9% or less suspended for at least 1 day

Strategy/Activity 1

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students: Differentiated, targeted small group instruction in ELA for all low performing students as determined by the 2024 CAASPP and 2023-2024 local assessments, as well as differentiated, targeted small group instruction for all grade level and above grade level students in ELA.

**Strategy/Activity**

- Teaching staff will meet 3 times per year to review and monitor the progress of all students in the area of ELA. CAASPP scores, local assessment reading scores (Literably, Rigby, CORE, Heggerty), ELD scores (ELPAC) and writing scores (district benchmark assessments) will be reviewed by all grade levels, principal and academic intervention team (RSP teacher, reading specialists, classified tutor and grade level teachers). The Webster intervention team will create and implement plans to improve daily instruction as well as targeted differentiation and small group instruction.
- Below grade level students in grades K-5th will receive targeted intervention instruction 45 minutes per day, 5 days a week.

- A classified instructional assistant will be hired (multiple hours per day for 5 days a week as the budget permits) to support small group differentiated instruction.
- Substitute teachers will be hired to allow collaboration time 3 times per year for classroom teachers, principal and intervention team.
- Teachers will be paid to provide extra duty time for grade level leaders’ meetings, student intervention and tutoring, professional development and collaboration after school.
- The Webster staff will celebrate students after each trimester who have improved their reading ability by a set metric. This metric will be determined by the staff at collaboration meetings. Students who achieve this set benchmark will be publicly acknowledged and celebrated as well as receive some form of recognition to mark their accomplishment.
- Supplementary supplies such as but not limited to physical education equipment, intervention curriculum for ELA and math and social emotional supplies will be purchased to supplement efforts to improve the academic, physical and social emotional wellbeing of all students.

**Proposed Expenditures for this Strategy/Activity**

Amount(s)	Source(s)
\$15,000 Classified intervention tutor	Title 1
\$3,000 Substitute teachers for collaboration time.	Title 1
\$5,000 Certificated extra duty for tutoring, mentoring and collaboration and planning.	Title 1
\$5,978 Benefits for all certificated and classified personnel extra duty and hires.	Title 1
\$2,124 and \$500 Purchase incentives for academic, physical and social emotional improvements. Purchase of supplementary supplies for academics, social emotional and physical education programs. Purchase supplementary curriculum for ELA.	Title 1

Strategy/Activity 2

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students: Differentiated, targeted small group instruction in math for all low performing students as determined by the 2024 CAASPP and 2023-2024 local assessments as well as differentiated, targeted small group instruction for all grade level and above grade level students in math.

**Strategy/Activity**

- Teaching staff will meet 3 times per year to review and monitor the progress of all students in the area of math. CAASPP scores, local assessment scores (Expression Math and CGI), will be reviewed by all grade levels, principal and academic intervention team (RSP teacher, reading specialists, classified tutor and grade level teachers).
- The 3rd - 5th grade teachers at Webster will continue to develop and implement CGI techniques and assessments. The K-2nd grade team will continue to explore and implement Counting Collections techniques.
- The Webster intervention team will create and implement plans to improve daily instruction as well as targeted differentiation and small group instruction.
- Below grade level students in grades K-5th will receive targeted intervention instruction as implemented by the intervention team.
- A classified instructional assistant will be hired (Multiple hours per day 5 days a week as the budget permits) to support small group differentiated intervention for key grades.
- Substitute teachers will be hired to allow collaboration time 3 times per year for classroom teachers, principal and intervention team.
- Teachers will be paid to provide extra duty time for grade level leaders’ meetings, student intervention and tutoring, professional development and collaboration after school.

**Proposed Expenditures for this Strategy/Activity**

Amount(s)	Source(s)
\$15,000 Classified intervention tutor Repeated expenditure from Activity 1	Title 1
\$3,000 Substitute teachers for collaboration time Repeated expenditure from Activity 1	Title 1
\$5,000 Certificated extra duty for tutoring, mentoring and collaboration and planning. Repeated expenditure from Activity 1	Title 1
\$5,978 Benefits for all certificated and classified personnel extra duty and hires. Repeated expenditure from Activity 1	Title 1

Strategy/Activity 3

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students: Increase academic performance of all students in math and ELA.

**Strategy/Activity**

Certificated teaching staff recruited to plan and implement after school tutoring in math and ELA to all grades K-5<sup>th</sup>.

- Every grade will have at least 1 certificated tutor to serve at least 10 students.
- The student rosters will vary based upon CAASPP scores and math unit assessment scores.
- Goal is for each grade to have 1-2 certificated after school teachers for 1-3 days a week after school from September 2024 to May 2025.

Principal will solicit district Title 1 funds to fund this activity.

**Proposed Expenditures for this Strategy/Activity**

Amount(s)	Source(s)
No site funds will be used for this activity.	

Strategy/Activity 4

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students: All staff, parents and students will engage in professional development and collaboration. The purpose of this professional development and collaboration will be to improve the academic achievement, physical fitness and health and socio-emotional health of all students.

**Strategy/Activity**

Teachers and staff will engage in following activities:

- Grade level articulation and collaboration around math, ELA and other relevant subjects.
- Professional development for the staff in the areas of CGI, Core Literacy and PBL will be provided by the local school district.
- Staff will also take part in professional development in the areas of physical, nutritional and social emotional improvement.

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

**ANALYSIS:**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The Webster staff successfully held 3 Data Days to analyze student assessments in ELA and math. The Learning Center provided student intervention support all school year to over 100 students a day in ELA and math in grades K-5th. The Webster staff engaged in PBL projects at every grade K - 6th. Five certificated members of our staff provided after or before school support to students in ELA and math. An instructional assistant tutor was hired and provided support to students in our Learning Center.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The SSC decided to shift funds from teacher extra duty pay to purchase \$7,200 worth of books for our school library (AR books) and \$9,000 worth of books for classroom libraries (AR books). We received an additional \$14,000 in Title 1 funds which was also used to purchase the AR books.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will be adding Title 1 funds towards the funding of educational field trips and competitive sports tournaments transportation and entry fees.

**Goal 2:**

**Increase parent involvement and enhance student engagement through a variety of enrichment opportunities.**

**Identified Need:**

The Webster Elementary community is composed primarily of working class families. Additionally, many of our parents and guardians do not speak English as a first language. These families have very little time to volunteer or take part in school activities. The Webster staff therefore strives to create parent engagement opportunities that vary in focus (academics, socio-emotional health, sports and competition, physical health, cultural enrichment and celebration, etc.), vary in the times of day they are held and vary in length of time to accommodate the needs of our community. Further, many of our students lack modern information about nutrition, the importance of physical exercise and techniques to promote social emotional health. Some of our students and families also lack access to the latest techniques and opportunities to practice exercise, meditation and other health promoting practices. The Webster staff will strive to offer opportunities for students to learn about and engage in practices that promote physical and social emotional health as well as academic health and success.

**Annual Measurable Outcomes:**

**Goal 3:**

**Increase graduation rates and reduce suspensions and expulsions.**

**Identified Need:**

Webster will reduce the overall yearly number of suspensions. Decrease suspensions/expulsions by continuing to implement and expand restorative practices, explicit SEL instruction, and positive behavior interventions and supports school-wide.

**Annual Measurable Outcomes:**

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Number of weekly disciplinary office referrals resulting in disciplinary documentation in Q system.	8 per week	5 per week

All ELL Students: Differentiated, targeted small group instruction in ELA for all low performing ELL student as determined by the 2024 CAASPP and 2023-2024 local assessments as well as differentiated, targeted small group instruction for all grade level and above grade level students in ELA.

**Strategy/Activity**

Teaching staff meets 3 times per year to review and monitor the progress of all students in the area of ELA. CAASPP scores, local assessment reading scores (Literably and Rigby), ELD scores (ELPAC) and writing scores (district benchmark assessments) are reviewed by all grade levels, principal and academic intervention team (RSP teacher, reading specialists, classified tutor and grade level teachers). The Webster intervention team creates and implements plans to improve daily instruction as well as targeted differentiation and small group instruction. Below grade level students in grades K-5th receive targeted intervention instruction 45 minutes per day, 5 days a week.

- Classified intervention tutor will be needed to support small group differentiated instruction.
- Substitute teachers will be hired to allow collaboration time 3 times per year for classroom teachers, principal and intervention team.
- Teacher payment for extra duty time for grade level leaders' meetings after school as well as other collaboration, student intervention and professional development time.

School-Parent/Home Compact

**Barbara Webster Elementary School 2024-2025  
Revised by School Site Council 3-19-24**

**School-Parent-Student Compact**

Barbara Webster Elementary School (BW), its students, and their parents agree on the responsibilities of each party listed below. A contract version of this compact will be distributed to parents and students separately from the Parent Involvement Policy, for each party to sign and for the school to keep on record.

**School Responsibilities**

- BW will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the state academic standards.
- BW will involve parents in planning, reviewing, and improving school policies and programs through our School Site Council, our ELAC group and our monthly parent meetings.
- BW will encourage students to work hard and assist them in developing their talents.
- BW will provide a safe, engaging, and challenging learning environment.
- BW will assist parents in understanding their child’s academic assessments.
- BW will update parents periodically and in a timely manner as to the academic progress of their child.
- BW will provide information to parents in a language they understand.
- BW will invite all parents to a monthly informational meeting. School information, school planning and parent education will occur at these monthly meetings.

**Parent Responsibilities**

- Parents will assist their children with assignments as needed.
- Parents will encourage their children to perform well in school and put forth maximum effort.
- Parents will make sure their children attend school every day.
- Parents will read notices from school and respond appropriately.
- Parents will participate in school activities such as Back to School Night, parent-student-teacher conferences, and parent councils.
- Parents will review their children’s report cards and academic assessment reports with them.
- Parents will encourage their children to discuss their academic and professional goals.
- Parents will volunteer to contribute their time and talents as need by BW.

**Student Responsibilities**

- Students will do their best to work hard, be responsible, and cooperate with their parents, teachers, and peers.
- Students will come to school every day and attend all of their classes on time.
- Students will participate in parent-teacher-student conferences and inform their families about school activities and events.
- Students will complete their class work and homework assignments on time, and will ask for help when needed.
- Students will discuss their report card grades, academic assessment results, and academic goals with their family.
- Students will treat their parents, school staff and volunteers, and peers with courtesy and respect.
- Students will act responsibly with all technology at home and at school.

## Parent Engagement Policy

**Santa Paula Unified School District****Barbara Webster Elementary  
Parental Engagement Policy  
2024 – 2025**

Barbara Webster Elementary has developed a written Title I parent and family engagement policy with input from Title I parents and family members. Webster invites parents to provide input during parent committees such as SSC, PTO and ELAC, during parent conferences or Student Study Team and school surveys distributed at least annually. Webster has distributed the policy to parents and family members of Title I students. The policy is distributed at the beginning of each school year through opening day packets or Parent Information Night and to any students who enroll after that date during the school year. The policy describes the means for carrying out the following Title I parent and family engagement requirements [20 USC 6318 Section 1118(c),-(g) inclusive].

**I. Engagement of Parents in the Title I Program**

To involve parents and family members in the Title I program at Barbara Webster Elementary, the following practices have been established:

- a. The school convenes an annual meeting to inform parents and family members of their school's participation in the Title I program and to explain the requirements and the right of the parents and family members to be involved. (20 USC 6318(c)(1)). Additionally we engage the following practices each year:
  - Communicate with parents about school-wide our classroom policies and procedures and invite parent classroom helpers at Parent Information Nights throughout the school year.
  - Invite parents to discuss school concerns when on campus for SSC, Student Study Team meetings, ELAC, PTO and when concerns arise.
  - All parent meetings will have Spanish translations available.
- b. The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parent involvement. (20 USC 6318 (c)(2)). Additionally we engage the following practices each year:
  - We will hold a Parent Information Night at the beginning of the school year. Each class will present information in English and Spanish.
  - Convene with English Language Advisory Committee (ELAC) at least three times a year to establish communication and English Language Learner Plan. Babysitting and translation are available at each meeting.
  - Invite parents to PTO meetings at least three times a year for the purpose of parental involvement and input.
  - At least two Family Nights with the focus on Reading and Math will be advertised and parents will be invited to participate in activities with their children in the classroom.
  - Kindergarten Orientation will inform parents of the kindergarten program, address parent questions, and invite parent classroom help.

- c. The school involves parents and family members in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 USC 6318(c)(3)) Additionally we engage the following practices each year:
- We will revise our School Parental Involvement Policy annually with input from SSC, PTO and ELAC.
  - A survey will be sent home to every family in English and Spanish soliciting their input and suggestions for school improvement.
- d. The school provides parents of participating students with the following:
1. Timely information about the Title I program. (20 USC 6318(c)(4)(A))
    - Annual Title 1 meeting at Parent Information Night.
    - Parent Committee meetings such as ELAC, SSC, and PTO.
    - School Accountability Report Card
  2. An explanation of the curriculum in use at the school, the assessments used to measure student progress, and the achievement levels of the challenging State academic standards. (20 USC 6318(c)(4)(B))
    - Parent Information Nights
    - Parent Teacher Conferences/Meetings
    - IEP or SST Meetings
    - ELAC, SSC, PTO meetings
    - School Accountability Report Card
  3. If requested by parents, the school provides opportunities for regular meetings that allow parents and family members to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children. (20 USC 6318(c)(4)(C))
    - Student Success Team (SST) Meetings
    - ELAC Meetings
    - School Site Council Meetings
    - PTO Meetings
    - Expanded Learning Meetings

## II. School-Parent Compact

Barbara Webster Elementary distributes to parents and family members of Title 1 students a school-parent compact. The compact, which has been jointly developed with parents and family members, outlines how parents and family members, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes a specific ways the school and families will partner to help children achieve the challenging State academic standards. [20 USC 6316(d)] The separate school-parent compact addresses the following legally required items, and may include other items suggested by parents and family members of Title 1 students.

- The school’s responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment. [20 USC 6316(d)(1)]
- The ways parents will be responsible for supporting their children’s learning. [20USC 6316(d)(1)]
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences\*\*\*; frequent reports on student progress; access to staff; opportunities for parents and family members to volunteer and participate in their child’s class; opportunities to observe classroom activities; and regular two-way meaningful communication between family members and school staff in a language that family members can understand. (20 USC 6316(d)(2)(A)-(D) inclusive)
  - Compacts are reviewed/updated annually by staff and School Site Council
  - Compacts are distributed in Opening Day Packets and at the time of registration for new students

\*\*\*Parent teacher conferences are required in elementary schools, at least annually [20 USC 6316(d)(2)(A)]

### III. Building Capacity for Involvement

Barbara Webster Elementary engages Title 1 parents and family members in meaningful interactions with the school. It supports a partnership among the school, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

a) The school provides Title 1 parents and family with assistance in understanding such topics as the challenging State academic standards, State and local assessments, the requirements of Title I, Part A, and how to monitor and improve the achievement of their children. (20 USC 6318(e)(1))

- Presentations at parent meetings-PIN, ELAC, SSC and PTO
- Family Nights focused on Literacy, Math, STEM

b) The school provides parents with materials and training to help them work with their children to improve their children's achievement. (20 USC 6318(e)(2))

- Family Nights
- ELAC meetings
- Student Study Team Meetings
- Parent Teacher Conferences

c) With the assistance of Title 1 parents and families, the school educates staff members about the value of parent contributions, and in how to reach out to, communicate with, and work with parents and family members as equal partners, implement and coordinate parent programs, and build ties between the parents and families and the school. (20 USC 6318(e)(3))

- Staff Meetings
- Professional Collaboration Time
- ELAC, PTO and SSC meetings
- Training/Conferences for staff in working with parents

- d) The school, to the extent feasible and appropriate, coordinate and integrate the parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children. (20 USC 6318(e)(4))

- District Parent Center
- Parent Education classes

- e) The school ensures that information related to school and parent programs, meetings, and other activities to parents and family members is sent in a format and, to the extent practicable, in a language the parents can understand. (20 USC 6318(e)(5))

Parent Meetings are presented in both English and Spanish. Other languages are translated for parents in IEPs, Student Study Team meetings, parent-teacher conferences if translators can be secured

- f) The school provides such other reasonable support for parental involvement activities as parents may request. (20 USC 6318(e)(14))

- Flexible Meeting Times
- Suggestions from SSC, PTO and ELAC
- Annual Survey results will be used to evaluate programs

- **Accessibility**

Barbara Webster elementary to the extent practicable, provides opportunities for the informed participation of all parents and family members, including parents and family members with limited English proficiency, parents and family members with disabilities, and parents and family members of migratory students. Information and school reports, to the extent practicable, are provided in a format and language that parents and family members can understand. (20 USC 6318(f))

- Spanish translators
- Bilingual assistance for parents as needed for registration, health or other situations
- Flexible meeting times with school staff-before, during or after school
- ADA accessible campus

*\*\*The policy must be updated periodically to meet changing needs of parents and family members and the school. If the school has a process in place for involving parents and family members in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents and family members of Title I children.*

Parent Involvement Calendar

Barbara Webster Elementary School welcomes and encourages parent involvement at the many school functions. The calendar below identifies many of the activities throughout the 2024-25 school year that parents are encouraged to attend. If a parent would like to become more involved at the school, they can contact the principal, their child’s teacher or any school office member for more information.

### Teacher Mentoring Programs

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The **California Teacher Induction (CTI)** program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two-year period.

The Ventura County Office of Education Teacher Support Services has established an integrated system that supports multiple entry points into the teaching profession to provide a skilled, credential teacher for every classroom in Ventura County. The department is a unique blending of support through the learning-to-teach system from pre-service experiences to university teacher preparation to new teacher induction. Teacher Support Services provides a broad range of professional development and services. Program and services are offered locally and within the region reaching VCOE and its 20 districts, charter and private schools, 6 university teacher preparation programs, and Santa Barbara and San Luis Obispo County offices.

#### **Site-based Mentoring Programs:**

Barbara Webster Elementary School supports teacher mentoring through classroom observation and modeling. Teachers are provided opportunities to visit other classrooms on and off campus during instructional hours to observe effective teaching in which substitute services are provided during instructional time. The principal provides regular feedback and coaching to all teaching staff.

### Professional Development Plan

The district provides multiple staff development opportunities for all teachers both during the school year as well as during the summer. Analysis of state and local assessment data provides information for ongoing professional development to meet identified gaps in student achievement. All teachers have attended content training to adopted textbooks in both Language Arts and math and have developed unit and lesson plans based on the most appropriate strategies. Our District and site-level leadership provides onsite support with data analysis, intervention planning, instructional strategies and model lessons to support site teachers in the most appropriate grade level instructional delivery of standards-based content. Principals use frequent walk-throughs to monitor the instructional program and provide feedback on adherence to grade level implementation of paced standards and high impact instructional strategies.

Teachers have committed to collaborating on a weekly basis with their grade level partners for the purpose of planning. Additionally, all staff participate each trimester in day long “data day” meetings. These meetings are planned by the principal to include professional development and data analysis. Included in these collaboration sessions are grade level agreements related to content and delivery of standards-based instruction and implementation of current curriculum alignment with district pacing. In addition to this, staff meetings and staff development sessions frequently provide opportunities for collaboration and professional development.

Analysis of state and local assessment data provides information for ongoing professional development to meet identified gaps in student achievement. All teachers have attended and will continue to attend content training aligned to the Common Core Standards and adopted textbooks and other materials in Language Arts, Math and ELD. Principal Jeff Madrigal provides teachers with onsite support with data analysis, intervention planning, instructional strategies, and uses frequent walk-throughs to monitor the instructional program. He provides feedback on adherence to grade level implementation of paced standards and high impact instructional strategies.

During the 2024-2025 school year, Barbara Webster’s teachers will focus on the following staff development topics:

1. Physical and Nutritional Health of all students and staff:
  - a. PE staff will continue to work with the entire Webster staff to construct a physical education curriculum that teaches students to care for their physical health as well as how to use their bodies in many different sports and movement modalities.
  - b. All teaching staff will work with the Rainbow Chefs organization to learn how to administer monthly lessons to all students. The lessons will teach students how to prepare healthy foods.
2. Academic Growth:
  - A. ELA: Webster staff will attend all district provided professional development. This professional development will continue the TK - 2nd grades work with the Core Literacy Group.
  - B. Math: Webster staff will attend all district provided professional development. This professional development will continue the 3rd - 5th grades work with the CGI math coaching and training staff.
  - C. Project Based Learning: The Webster staff will continue to explore, improve and implement PBL.

## SCHOOL ACCOUNTABILITY REPORT CARD

A REPORT OF 2022-23 ACTIVITY PUBLISHED IN 2023-24

### Principal's Message

The Barbara Webster Academy for Sports and Human Health strives to create an environment where Preschool - 6th grade students can grow and improve everyday in every way. We offer an exceptional elementary education that teaches students how to improve their skills academically, socially, emotionally and physically.

Academically we offer an excellent reading program that teaches students the fundamentals of reading as well as how to apply those skills to use reading as a tool to engage with and understand the world. We offer a math curriculum that promotes exploration over routine and teaches students to be curious. Socially and emotionally we offer students a safe space to explore who they are in relation to other people. We are one of the only elementary schools in the state to offer a Wellness Center where students can work through trauma, social conflict and receive mentoring from our staff. Physically we offer nutrition classes and a powerful physical education program. The PE program offers an in-school fitness program that focuses on multiple modalities including range of motion, speed, strength and sports specific techniques. This year we will be teaching students how to play soccer, flag football and basketball as well as track and field. Further, for our 3rd -6th grade students we offer after school competitive sports leagues for soccer, flag football, basketball and track and field. Our 3-6th grade students take part in weekly practices as well as competitive games or meets every Friday and Saturday.

We hope to add more growth opportunities for our students in the future. We want our Webster graduates to be fully actualized humans in all areas of their lives.

### District & School Description

#### Santa Paula Unified School District

Santa Paula Unified School District is located in the city of Santa Paula, a small historical community serving approximately 30,000 residents within a 4.6 square-mile radius surrounded by rolling hills, avocado, and citrus groves. Santa Paula City is approximately 65 miles northwest of Los Angeles and 14 miles east of Ventura. Santa Paula Unified School District operates six elementary schools, one middle school, one comprehensive high school and one continuation high school all nestled against the city's foothills. During the 2022-23 school year, the

District served 4,853 students in grades TK-12. The demographic composition of the student body included 17.5% students identified with a disability, 34.1% qualifying for English learner support, 77.9% enrolled in the Free or Reduced Price Meal program, 0.6% migrant, 0.1% foster youth, and 7.1% homeless youth.

### District Vision & Mission

#### Vision

Committed to serving every student every day.

#### Mission:

The Santa Paula Unified School District, in collaboration with educators, parents, and the community, will prepare all students academically, socially, and emotionally for college, careers, global citizenship, leadership, and lifelong learning. The district will use its resources to provide all students with diverse, equitable, differentiated experiences, and learning opportunities by a highly skilled educational team in a safe and supportive learning environment while remaining fiscally responsible.

The statistical information disclosed in this report is obtained from the California Department of Education and the Santa Paula Unified School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Information for the instructional materials section and for the facilities section was acquired in November 2023.

**Barbara Webster Elementary School**

During the 2022-23 school year, Barbara Webster Elementary served 299 students in grades TK-5. Student enrollment included 60.2% qualifying for English learner support, 22.4% students identified with a disability, 93.6% enrolled in the Free or Reduced Price Meal program, 0.7% migrant, 0.7% foster youth, and 8.7% homeless youth.

**Local Control Accountability Plan (LCAP)**

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriated assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Parent Involvement**

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

**Opportunities to Volunteer**

- Chaperone Field Trips
- Classroom Helper
- Bobcat Boosters
- Fundraising Activities
- Parent Involvement Meetings

**Committees**

- English Learner Advisory Committee
- District Advisory Committee (DAC)
- District English Learner Advisory Committee (DELAC)

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (-) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

### Student Achievement

#### District Benchmark Assessments

Santa Paula Unified School District utilizes districtwide diagnostic assessments that are aligned to the Common Core State Standards. These assessments are used to evaluate instructional programs and measure student proficiency of all students in math and language arts. Test results are used to 1) help teachers identify areas where instruction may or may not be effective, 2) analyze and readjust curriculum maps, 3) identify concepts that need to be retaught in the classroom, 4) plan in-class lessons, and 5) identify students who need targeted academic assistance or intervention.

#### Physical Fitness

In the spring of each year, Barbara Webster Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The

main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site [www.cde.ca.gov/ta/tg/pfi/](http://www.cde.ca.gov/ta/tg/pfi/).

### School Facilities & Safety

Barbara Webster Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in the 1920s; ongoing maintenance ensures school facilities are kept safe and in good working condition, and continue to provide adequate space for students and staff.

A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. The following campus repair or improvement projects were planned (or completed) for the school site:

**2022-23 Campus Improvements:**

- Modification of existing IT department into a preschool
- Installation of new windows in the MPR

**2023-24 Planned Campus Improvements:**

- New south MPR wall mural
- Abatement at preschool storage area

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians (one full-time and one part-time) are assigned to Barbara Webster Elementary. The day custodian is responsible for:

- Lunch area setup and cleaning
- Office area cleaning
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Kitchen cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Deferred Maintenance

Barbara Webster Elementary School had deferred maintenance projects completed in 2022-23 in the amount of \$97,839. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. Deferred maintenance funds were utilized for the following projects: waterproofing, MPR window replacement, floor projects, the preschool office upgrade, and concrete slab work.

### School Inspections

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Barbara Webster Elementary School took place on November 23, 2023. The School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2022-23 school year, 100% of restrooms were fully operational and available to students at all times.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Barbara Webster Elementary in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in November 2023.

### Supervision & Safety

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, one yard duty supervisor and one teacher are strategically assigned to designated entrance areas and the playground, and cafeteria staff monitor student activity while at breakfast in the cafeteria. During recess teachers monitor playground activity. Cafeteria staff monitor lunch time activity while students are in the cafeteria, and five yard duty supervisors monitor activity on the playground. At the end of the day when students are dismissed, teachers monitor student behavior to ensure a safe and orderly departure.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office and provide their state-issued ID, which is run through the Verkada system. They are then provided with a visitor's badge to wear at all times and are expected to check out upon leaving the school campus.

### Classroom Environment

#### Extracurricular Activities

Students are encouraged to participate in the school's additional academic and extracurricular activities that are an integral part of the educational program. Students may participate in the ASPIRE Program which provides homework time and enrichment activities such as reading, computers, creative writing, math, sports, arts and crafts, and self-esteem building activities. Additionally, the STAR Nova program offers sports, games and recreation. The afterschool competitive sports leagues consists of the following: the garden club; the academic ambassador's club; flag football; basketball; soccer; track and field. These sports leagues are open to students in grades 3-6.

**Student Recognition Programs**

Barbara Webster Elementary School recognizes students for their achievement every semester by giving out certificates, ribbons, prizes, and various other awards at student recognition assemblies once per semester.

**Discipline & Climate for Learning**

Students at Barbara Webster Elementary School are guided by specific rules and classroom expectations that promote respect, safety and responsibility. The school's discipline philosophy

promotes a safe school, a warm and friendly classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school. The goal of Barbara Webster Elementary School's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. These principles are guided in part by a schoolwide participation in HelloYello. With HelloYello, students are empowered to take proactive steps that address their own needs, while simultaneously being directed away from the chain reaction of punishment that leads to feelings of low self worth. Teachers are able to easily reward students with specific, personalized responses that address their unique experiences; as well as reinforce them for communicating openly with a trusted adult, and forging a durable, lifelong behavior pattern that promotes fulfilling relationships. All teachers in grades K-5 are in the process of reading and implementing aspects of this philosophy.

Parents and students are informed of discipline policies at the beginning of each school year through a District Annual Parent Handbook and newsletters.

**Chronic Absenteeism**

The chart in this report identifies the chronic absenteeism rates by student group for Barbara Webster Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

**Class Size Distribution**

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

**Curriculum & Instruction**

**Staff Development**

All professional development opportunities at Santa Paula Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based upon district initiatives, student assessment results, teacher input, state content standards, and professional development surveys.

During the 2022-23 school year, Barbara Webster Elementary provided site-based staff development after school at staff meetings. Topics were centered around the District's focus for staff development identified by the Educational Services Department. Training topics included:

- Agriscience/Environmental Education
- Cognitively Guided Instruction in Math
- Core Phonics Instruction
- Nutrition Science
- Project-Based Learning (PBL)
- Social Emotional Learning (SEL)
- Sports & Human Health Sciences

During the 2021-22, 2022-23, and 2023-24 school years, Barbara Webster Elementary School's staff had the opportunity to attend the following workshops offered by the Santa Paula Unified School District:

Santa Paula Unified School District supports new teachers in developing their teaching skills and earning a Professional Clear Teaching Credential. The district's New Teacher Induction Consortium, formerly known as the Beginning Teacher Support and Assessment (BTSA) program, is designed for first- and second-year teachers to receive structured guidance and support from experienced teachers over a two-year period.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Office of Education. Special education staff participate in local and county sponsored professional training activities throughout the school year. Classified support staff may receive additional job-related training from the county office of education. All classified staff participate in county- and district-sponsored training sessions addressing sexual harassment, sexual molestation, and ergonomics.

**Instructional Materials**

All textbooks used in the core curriculum throughout Santa Paula Unified School District are currently being aligned to the California State Standards. Instructional materials are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health.

On September 27, 2023, the Santa Paula Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted [Resolution 2023-24:2 Sufficiency of Textbooks or Instructional Materials](#) which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each student has a textbook or instructional materials, or both, to use in class and to take home, which may include materials in a digital

format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage (2) all students who are enrolled in the same course within the district, have standards-aligned textbooks or instructional materials from the same adoption cycle, 3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted program, and 4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and 5) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to the core subject areas, districts are required to disclose in this annual report the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2023-24 school year, Santa Paula Unified School District provided all students enrolled in a visual/performing arts class with their own instructional materials or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

The district has also purchased Mystery Science for each site to serve as a supplemental curriculum until there's a new framework. A comprehensive Science pilot and adoption will take place after the History Social Science pilot and adoption is completed.

**Specialized Instruction**

All curriculum and instruction are aligned to the California State Standards approved by the State Board of Education. Every student receives access to a rigorous, well-balanced standards-aligned curriculum. The district provides chrome books or iPads to all students as part of a 1:1 technology initiative and supports the utilization of Google suite to enhance student learning. Barbara Webster Elementary School structures its educational program so that all students receive instruction appropriate to their learning level. To

ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

**Special Education**

Special Education students are mainstreamed into the general education classroom as appropriate based upon their IEP (Individual Education Plan). Each student is assigned a case manager to oversee the implementation of the IEP. Special Education includes a continuum of services to be provided to each student in the least restrictive learning environment. The special education program ensures that students with disabilities have access to core curriculum and educational opportunities in light of their individual unique needs.

**English Language Learners**

Barbara Webster Elementary School provides English Language Learner (ELL) students with English Language Development (ELD) instruction within their regular classrooms. Students receive 30 minutes daily in kindergarten through second grade and 45 minutes daily for students in third through fifth grades. English Language Learner students also receive integrated language support throughout the day in their core curricular areas. Newcomers receive ELD specifically designed for their language level by an ELD specialist.

**At Risk Interventions**

Barbara Webster Elementary School provides several reading and math intervention programs to meet the needs of those students not meeting state proficiency standards. We offer in school and after school intervention programs. We use district baseline assessments determine the reading and math levels and needs for each student. During the school day our Learning Center provides reading intervention to upwards of 100 students a day in a small groups. The Learning Center team of specialist teachers monitor their students' progress periodically in order to move each child towards grade level skills. We also offer after school tutoring in math.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time, one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Professional Staff

#### Support Services Staff

Barbara Webster Elementary provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Barbara Webster Elementary's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

The charts also reports Barbara Webster Elementary School's information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

### District Expenditures

#### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

#### Expenditures Per Student

For the 2021-22 school year, Santa Paula Unified School District spent an average of \$18,320 of total general funds to educate each student (based on 2021-22 audited financial statements). The table in this report: 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

### SARC Data

#### DataQuest

DataQuest is an online data tool located at <https://dq.cde.ca.gov/dataquest/> that contains additional information about Barbara Webster Elementary School and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.
