TEXTBOOK REQUIREMENTS
2024 - 2025

Questions pertaining to books: books@solebury.org

FAQ is on Page 1

Last updated on August 21, 2024

Textbook FAQ

- **What if I can't travel with my books because I'm arriving from a great distance?**

Books can be shipped to Solebury School and picked up on registration day. When ordering books to be shipped to Solebury School, please use our address like it's your own personal address. Our address is 6832 Phillips Mill Road, New Hope, PA 18938. It is essential that you use your student's name in the name field of the shipping address, and use the name "Solebury School" in the business name field only. Don't worry about including the name "Solebury School" in the shipping address if there is no business name field to fill in on your order form.

- **How do I know which books to buy?**

All required textbooks are shown on this document starting at page 2. Once your courses have been confirmed from the Director of Studies, you should buy the books required for those classes.

- **What if I am not sure if I will be in a class? Or if I want to take advantage of the add/drop period?**

There will be a limited amount of books available in each academic department for borrowing if any students want to take advantage of "add/drop" period and delay purchasing a book until they're settled on a particular class.

- **What about returns, especially if I am a boarder?**

Returns will have to honor the website that you purchased from. Considering this, we recommend buying with enough time to potentially return a purchase.

ENGLISH

English 9: An Introduction to Literary Genres

No textbook required, materials provided in class.

Honors English 9: An Introduction to Literary Genres

No textbook required, materials provided in class

English 10: World Literature

No textbook required, materials provided in class.
