

*Important Message from the Admissions Office:*

## **Returning Student Registration Forms: Due Monday, August 26th!**

### **Returning Students:**

- **Check your email!** The Admissions Office has sent an email to all Parents/Guardians of students who are returning for the 2024-2025 school year.
- This important email contains links to online Returning Student Registration Forms so that families can update the following information:
  - Family & emergency contacts
  - Student permissions
  - Student health information
  - Updated medical documents (if not already submitted for the upcoming year)
- Only families of students who are considered **returning students** should have received the email.
- If you are a returning family and did not receive the email, please email [admissions.ppa@stringtheoryschools.org](mailto:admissions.ppa@stringtheoryschools.org) to let us know so we can make sure you receive the information!

### **Important Notes:**

- Failure to submit the required medical documents for the 2024-2025 school year could result in a delay of your student beginning school.
- Please email the Admissions Office [admissions.ppa@stringtheoryschools.org](mailto:admissions.ppa@stringtheoryschools.org) if you have questions about the medical requirements after you have viewed your online forms.

Thank you for your participation in this process and we look forward to kicking off an exciting new school year!
