ROBOTICS CLUB

Join our Robotics Club and participate in the First LEGO League Challenge! Dive into the world of STEM by designing, building, and programming LEGO robots to tackle exciting missions. Work with a team to solve real-world problems, create innovative solutions, and showcase your skills in a fun and competitive environment. Whether you're a beginner or an experienced builder, our club is the perfect place to explore technology, teamwork, and creativity. Come be a part of something amazing!

3rd to 6th Grade

Classes start
September 9 2024

Every Monday
from 330 to 445
