

Hello Third Grader!

My name is Mrs. Paryz and I am very excited to be your teacher this year! We will have so much fun as we learn and grow together. I hope you are having a wonderful summer, and I can't wait to hear all about it!

First, I would like to tell you a little about me. I enjoy playing with brain teasers, Legos, Rubik's Cubes, and fidget toys. I love to camp and boat with my husband, dogs, and family. I enjoy playing golf, volleyball, and waterskiing. I love to watch the Buffalo Bills play football. I believe that we are going to win the Superbowl this year! When I am not at school, I enjoy spending time with my silly dogs, Maverick and Maggie. They have had such a fun summer running around my backyard and trying to catch splashes from our boat! Yes, I will have some funny videos and pictures of them!

I look forward to going on adventures with you this year as we read different types of stories and learn more about the world. We will also play with technology, get creative, and do several fun projects this year!

I hope you are as excited as me to start third grade. We are going to have a great year! I can't wait to see you all. See you on your first day of school!

Love,

Mrs. Paryz
