

CFISD
Practicum in Business Management
Scope and Sequence

Course Description:

This course allows students to apply business concepts and principles in the classroom and the workplace. In the classroom portion of the course, students will gain working knowledge of office-related skills such as resume writing, communication, ethics, office technology (Microsoft Office) and other skills and knowledge essential to efficient and productive business operations. Students will also receive industry-recognized training designed to make them more marketable and desirable in the workplace. Students are required to work 15 hours per week at an approved training site and must be employed at that site within 15 school days after enrollment in the course. (3 credits)
