Eucharistic Miracles

Exhibit: The Vatican sponsored exhibit, as seen on EWTN, was created by Blessed Carlo Acutis and authorized by Fr. John Hardon's 'The Real Presence' organization. It is endorsed by Cardinal Raymond Burke and Francis Cardinal George.

Presentation:

- Scriptural basis for belief in the Real Presence
- Scientific studies proving Jesus' Presence in the Eucharist
- Highlighting 1,800 years of miracles
- Modern Eucharistic Miracles

Emphasis is placed on the fact that the Real Presence occurs at every Consecration even though there are no physical manifestations

Sacred Cloths of the Passion

Passion Exhibit: Includes full size Shroud of Turin, Sudarium of Oviedo, and Tunic of Argenteuil as well as replicas of various objects associated with Jesus' Passion. Relics are available for veneration.

Presentation:

- History of each cloth
- Scientific analyses
- Scripture correlation
- Inexplicable image formation process.

The implications of the evidence that all three cloths were once in contact with the same person 2,000 years ago are considered.

Life after Life

What happens when we die.

Exhibit: Explores scientifically valid studies of Near-Death Experiences (NDEs), as well as visions of hell and purgatory experienced by well known saints.

Presentation:

- Explore Near-Death-Experiences spanning thousands of years.
- Encountering God in the Light
- Fear of death is lost.
- Consciousness (our soul) continues despite the clinical death of our bodies.
- How we should live our lives knowing what lies ahead. Life priorities shift away from materialism and towards the eternal.
