ARRIVING AT SCHOOL

• Families are encouraged to carpool, walk, or bike to school if possible. Bikes can be locked at a designated rack near each entrance/exit. Car riders should remain in cars (parked in the lot); walkers and bike riders will line up near the door. Please be cautious of students in the parking lot. Of course, if you have students in multiple grade levels or if one of the parking lots is most convenient for you, feel free to choose the best lot for you.

At 7:45, the doors will open. If a student needs breakfast*, they should go to the cafeteria and eat before going to their locker and their first class of the day.

*Breakfast is optional for all students and served from 7:45-7:55am. To order a breakfast, your child must have money in their MySchoolBucks account. To add funds to your student's account click on the "Meals" button on your homepage. On the next page you will be prompted to select a payment amount or you can add your own amount in the Other field. If you haven't done so yet, you will need to add a credit card to your account. Click continue to visit the review page and then click "Fund Now" to complete your purchase.

DESIGNATED PARKING LOTS:

We highly encourage families to use the following designated parking lots. If you have students in multiple grade levels, please choose the most convenient parking lot to use.

<u>ATTENDANCE</u>

If a student will be absent for any reason, parents/caregivers are asked to contact the school on the day of the absence before 8:00am and provide a reason. Call the attendance line at (314) 213-6170, ext. 7020 or email stef.watkins@kirkwoodschools.org.

Any student who has been ill should not return to school until their temperature or other symptoms have subsided for 24 hours. Parents/caregivers are asked to call in or email each day your child will not be attending school. Students must be at school to attend any after-school activity or ceremony.

SIGNING IN

All students who arrive after 8:00am should report to the main office to sign-in where they will receive an e-hallpass and be expected to go directly to their locker and then to class. Students will be marked tardy unless a parent/caregiver calls, emails or the student has a valid doctor's note to excuse their tardy.

SIGNING OUT

Parents/caregivers must sign their student out in the main office. Students cannot leave without a parent/caregiver present in the office. Students returning to school after an appointment are to sign-back-in with the main office where they will receive an e-hallpass admitting them back to class. 2:45pm is the latest a student can be signed out. Please plan accordingly as the front lot gets busy with buses at dismissal.

PLANNED DISMISSAL/ABSENCE

If a student will miss school due to a pre-planned trip or appointment, parents/caregivers are asked to contact Stef Watkins and the student's teachers in advance. If a student needs to be picked up early, parents/caregivers can call the attendance line at (314) 213-6170, ext. 7020 or email stef.watkins@kirkwoodschools.org to communicate when they need to pick up their student.

EXCESSIVE ABSENCES

As a school, we realize that some absences are unavoidable. It becomes very difficult for a child to master a subject and to succeed in school when they are excessively absent. Missouri law mandates that we report excessive absences to the Family Court. Communication between school and home is very important for the success of our students. The following procedures are in place in order to assist in providing each child with the best opportunity to be successful.

- If the student's attendance does not improve, we will be obligated to file a report with either the city or county Family Court.
- The attendance secretary may request a doctor's note for each absence due to medical reasons beyond 10 days.
- If the student continues to have excessive absences, a counselor or principal will contact a parent/caregiver via telephone.
- When a child's absences exceed 10 days, for any reason during the school year, a second letter will be sent home.
- When a child is absent more than five days, for any reason during the school year, a
 letter will be sent home making families aware of the exact number of days the child
 has been absent from school

TARDIES

TARDINESS TO SCHOOL

All students are to be in their assigned classrooms ready to work by 8:00 a.m. Any student who is at school, but not present in the classroom at this time is tardy. If the student arrives to school after 8:00 a.m., they must sign in at the main office and will receive an e-hallpass to class. When a student is tardy to school five or more times in a quarter, they will conference with an administrator. Disciplinary consequences may be assigned, depending on circumstances.

TARDINESS TO CLASS DURING THE SCHOOL DAY

Students are expected to be in all their classes on time. Teachers/staff sending students late to their next class should provide the students with an e-hallpass. Students who are a few minutes late to class without an e-hallpass will be admitted to class and counted as tardy. Students who are significantly late to class or skip class will be admitted to class but referred to the office immediately.

Consequences (per quarter):

- 5th tardy: Conference with administrator or counselor; parent/caregiver contact; consequence may be assigned
- 10th tardy: Discipline referral entered; detention assigned
- Additional tardies will result in additional consequences including detentions and/or ISS.

DAILY SCHEDULE

The building opens at 7:45. *Please see the note on page 8 about arrival.* Bus-riders are dismissed at 2:55. All other students are dismissed at 3:00.

AWARDS

We have the **greatest** kids around! There are a number of ways that students are positively recognized.

Braggin' Bulldog Award:

This is a big deal! Each quarter, staff members have the opportunity to nominate <u>one</u> student who shows up every day and shows responsibility for their Character, Learning and Community. We celebrate those students in a variety of ways – sometimes an ice cream social, sometimes a special luncheon. If your child is chosen, you'll receive an email with a certificate and the message from the staff member.

Gold N Award:

This scholastic award is given to all NKMS grade 8 students who have earned an average rubric score of 3.4 or above. The score is calculated after the third quarter of grade 8. Gold N recipients are honored at a celebration.

Positive Referrals:

When a student is seen going above and beyond in showing responsibility for their Character, Learning or Community, a staff member can write a Positive Referral. The student receives a copy of the referral (and so do parents/caregivers!) along with a coupon for a treat.

BEHAVIORAL EXPECTATIONS

At NKMS we are all about Character, Learning, and Community – the CLC.

Character: who you truly are

Character is made up of your values, beliefs, and behaviors. It includes qualities like honesty, kindness, respect, responsibility, and fairness. Developing good character helps you make wise choices, treat others well, and become a trustworthy person.

Learning: your habits, skills, and knowledge

Learning is about being organized, managing your time well, and setting goals while also tracking your progress toward those goals. It's about paying attention in class, asking questions when you need help, studying, and not giving up when things get tough. Developing good learning habits helps you become a more focused and successful learner.

Community: the people and the place of NKMS

Being responsible for your community means treating people well, contributing to your classes, and taking care of the building. It means that we look out for each other, we have fun together, we keep each other safe, and we protect the physical and emotional well-being of all community members.

Behavior Strands - Report Card

On your student's report card, you'll see scores for each of the behavior strands listed below. Please see the indicators under each strand. These are the qualities looked for when scoring.

BEHAVIORAL EXPECTATIONS - ELECTRONICS & NON-EDUCATIONAL ITEMS

Cell phones must be off and stored in a student's locker from arrival to dismissal. They may not be used throughout the day. Infractions will result in cell phones being confiscated and stored in the office. Parents/caregivers may be asked to retrieve the cell phone. If a student needs to get ahold of their parent/caregiver, we have phones in each office. Students are not to bring, buy, sell, or trade non-educational items at school. Items such as iPods, cell phones, and electronic games in use will be confiscated and may be picked up from the office at the end of the school day.

Please note: No AirPods or other Bluetooth headphones – only corded headphones will be allowed. This ensures that headphones are being used for the right tool and helps to eliminate distractions.

COUNSELING SERVICES

North Kirkwood Middle School's **incredible** counselors are assigned to each grade and meet weekly with the team faculty members. Counselors help all students in their academic and social development, while providing important information to students, parents/caregivers, and teachers regarding early adolescence. They are available to assist students with any problems or questions they may have. Students may stop at the counseling office before school, after school, between classes, or during class with teacher permission.

DISCIPLINE

It takes all of us to make North the best we can be! Our goal when a student falls short of following expectations is to teach them how to make amends, restore relationships, and get back on track. It takes the whole team — students, parents/caregivers, and school staff — to be the best North.

Early offenses for minor infractions will be handled at the teacher's discretion and could include:

- A conference with the student
- A call to the student's guardians
- A referral to the school counselors
- A referral to the school principals for further consequences (see below)

Major behavioral issues will be reported directly to the building principals. This includes fighting, drug or alcohol use, vandalism, sexual harassment, verbal abuse, and bullying/harassment. Consequences are aligned to the district's handbook and could include:

- A conference with the student
- A call to the student's guardians
- A referral to the school counselors
- Loss of privileges
- In or out of school suspensions

<u>DRESS STANDARDS – CLOTHING</u>

Dress Code

Our first priorities at North are safety and academics. It is not our goal to enforce a strict dress code as we understand that a student's dress is often part of proclaiming his/her identity, but it is our duty to eliminate inappropriate clothing.

- No inappropriate messages: nothing about alcohol, drugs, profanity, violence or sexually inappropriate content. This keeps school safe for everyone.
- Hoodies are awesome. Just keep the hood down. This is a related to school safety -- we need to know who everyone is, and hoods make it hard to do that.
- Clothes need to cover undergarments. Shirts and shorts need to be of a reasonable length.

We have agreed to the following sequence of events should students not comply with the above requests:

- 1. The staff member will give a student a choice: fix the problem with their own clothing or fix the problem with clothing provided by the counselors.
- 2. If the issue is not remedied or there is a second infraction, parents/caregivers will receive a phone call from the staff member for alternate clothing to be brought to school.
- 3. Continued infractions will result in a referral to the office for disciplinary measures.

GRADING PRACTICES

A quick note – if you don't understand standards-based grading, you aren't alone. Ask other parents/caregivers or your student's teacher. Throughout the quarter students will receive extensive feedback regarding their progress toward attaining essential skills in each content area using a Standards Based Grading System. At the conclusion of each quarter, the rubric scores become summative (final); until then, they are formative (informational and in-progress). Only Average Rubric Scores will be posted.

Parent Internet Viewer – use this often!

Parents/caregivers and students have the ability to view student grades and assignment information online. We provide this access through an **Infinite Campus (IC)** feature of our teachers' online gradebooks. This secured access requires an Internet connection, and a confidential username and password that are issued to parents/caregivers by the school office. If you are unable to access report cards via Infinite Campus, please complete the request form to receive paper copies in the mail.

Parents/caregivers are to be verbally notified by team/teacher prior to posting quarterly grades if:

- 1. A student is consistently receiving rubric scores of a 2 or below.
- 2. A student's performance has dropped by more than one numeric rubric score since the previous grading period (ie. from 4's to 3's).

Rubric Average	Definition
3.4 - 4.0	The student meets and frequently surpasses defined standards and expectations illustrated by higher level thinking, in-depth inferences and applications.
2.7 - 3.3	The student meets defined standards and expectations.
2.0 -2 .6	The student is nearing defined standards and expectations, but not demonstrating secure performance with standards and expectations.
1.0-1.9	The student struggles to meet defined standards and expectations.
Below 1.0	The student has demonstrated little measurable competence.
0	The teacher does not have enough evidence to make an accurate assessment of the student's competence.

HOMEWORK

At North Kirkwood Middle School, work done at home is an important part of a student's educational development. The purpose of assignments includes: extending the practice of skills, reviewing material, extending the classroom learning, or completing a project. You should expect your child to devote an average of one hour per night on work completed at home. This may vary during the course of the year depending on special projects or assignments. Teachers will provide you with more specific guidelines as they relate to the expectations of their classes.

If your child is consistently spending more than one hour each night, please reach out to a team teacher. We are committed to helping students have balance in their lives.

The purpose of assignments includes: providing teachers with evidence of student learning, extending the practice of skills, reviewing material, extending the classroom learning, or completing a project. Students should understand and be able to explain the purpose for the assigned homework. Homework, especially for practice and formative assessment, may not be recorded for a grade.

We believe that learning is important and should continue after school hours. Regular homework is a means to reinforce, encourage, and extend the learning experience. If a student has been absent from school, he or she will need to talk to their teachers in order to make up work. Teachers may be emailed at any time with questions.

Making up missing work when absent

It is the responsibility of the student to check-in with their teachers for make-up assignments when they are absent. Most assignments can be accessed via Schoology. Students who are ill for more than three days should contact the teachers or office for missed assignments. Assignments can be picked up at the main office after 3:15 p.m.. Students are encouraged to call other students on their team to keep current when it is necessary to miss fewer than three days.

Completing work during a suspension

Students on suspension are expected to complete all assigned work. It is the responsibility of the parent or guardian to make arrangements to receive assignments for students when placed on suspension. The office and the student's teachers will work with the parent to make the necessary arrangements. Students who return to school after a suspension without complete work may be assigned to in-school suspension until work is complete and the student is prepared for class.

LIBRARY SERVICES

We have an incredible school library! All students are encouraged to use the library between 7:45 a.m. and 3:00 p.m. When not accompanied by a teacher, each student must use an eHallpass. Books may be checked out for a two-week period. Magazines and certain encyclopedias may be checked out overnight. Students have a responsibility to return books when they are due.

Borrowing materials from the library is a privilege and the prompt return of library materials is necessary so that all students may have equal access. There are no daily overdue fines, however, students may not check out new books or magazines if they have overdue books. Books may be renewed if no other students have requested a hold.

E-mails are automatically sent to students and families every week to let you know if there are any overdue items. Replacement fees are charged when materials are lost or damaged. There may be consequences for students who do not pay for lost or damaged books.

In order to establish consistency in the district and to maintain and update the condition of our collection, the following is required:

- 1. Fees for lost books will be the original purchase price rounded up to the nearest dollar. Fees charged for lost magazines will be \$4.00.
- 2. When the original price is not available, patrons will be charged a minimum of \$12.00 for hardbacks and \$5.00 for paperbacks.

Fees may be paid in cash or by check made out to KSD.

LOST AND FOUND

It is very helpful if you mark coats, lunch boxes, etc., with your child's name – that way, we can return a lost item directly to your child. The Lost and Found is located in the cafeteria. Some objects of value may also be kept in the office. Students who have lost something should check with their teacher, the Lost and Found, and the office as soon as possible. Any student finding an object of value should turn it into the office immediately. Students are encouraged to check often when missing an item. Any item that is not picked up within a reasonable amount of time will be appropriately discarded.

Coats and Backpacks:

For security reasons, NKMS students are not allowed to wear large coats in the classroom or bring backpacks into the classroom. Students are required to place coats and backpacks in their lockers prior to going to class at 8:00 a.m.

PARENT/CAREGIVER CONFERENCES

Communication between a student's home and school is critical to student success. We continue to seek better and more meaningful ways of connecting with families. These important conferences will focus entirely on your child and allow parents/caregivers and teachers time to talk with and learn from each other.

Parents/caregivers are encouraged to contact the school at any time to discuss their child's progress. You will have the opportunity to review progress through conferences and report cards, but additional dialogue is always welcome. Informal conferences are encouraged; we ask that arrangements be made between the teacher and parent/caregiver to find a mutually suitable time. 2024-25 conference dates are below:

October 18: Conferences available by appointment
October 21: Virtual conferences 3:30 PM - 7:30 PM
October 23: In-person conferences 4:00 PM - 7:45 PM

SCHOOL CLOSINGS, DELAYED OPENINGS, EARLY DISMISSALS

Families will receive a phone call from the District (using our Blackboard robocall system) announcing the decision to cancel school. Successful delivery is dependent on accurate contact information for each student. Should your contact information change, please notify your child's school immediately.

The notification to cancel or delay school will also be posted on the <u>Kirkwood School</u> <u>District Website</u>, <u>District Facebook page</u>, and Tweeted on the District's twitter handle which is @kwoodschools.

Individuals who have downloaded the Kirkwood School District app will receive a push notification. You can download this free app in the <u>Apps on Google Play store</u>, or the <u>iTunes App store</u>.

Circumstances which affect our schedule, inclement weather, or building conditions will be announced on the following local radio and television stations:

AM Radio: KMOX 1120

Television: KTVI Channel 2 (Fox), KMOV Channel 4 (CBS), KSDK Channel 5 (NBC),

KTVI Channel 2 (Fox), and KPLR Channel 11 (CW)

No announcement means schools operate on regular schedules.

SCHOOLOGY

We understand it can be difficult to find information about school, and nobody wants to juggle four or five resources to get what you need. Schoology will become your best source of information about learning – and allow families to view your child's work and see feedback being provided by teachers. Not all student learning will flow through Schoology, but you'll have access to digital work, your child's assignment calendar, and classroom notifications. Families will even be able to message directly with teachers within your Schoology account.

Have your Parent Access code and ready to get started? Parents and guardians can Activate their Schoology online by clicking here.

STUDENT ACTIVITIES

Intramurals, Clubs And After-School Activities:

The Student Activities program represents a key component of the middle school curriculum. Activities focus on the development of social and physical skills and provide a wide range of activities that are based upon the interests and physical needs of middle school students.

All students who plan to stay for an after-school activity will need to pay a one-time "Activity Fee" of \$20. The activity fee is \$10 for students who qualify for free or reduced-price meals. To pay fees online, please access the www.myschoolbucks.com portal.

After-School Activities

Activity days and times are Tuesday, Wednesday, and Thursday from 3:10-4:00. Bus transportation is provided to students eligible for regular bus services. After school activities begin Tuesday, September 3.

Each morning, students will have access to a QR code that will take them to a sign-up form for activities. This is also available on their "one stop shop" on their iPad. Students must sign-up by 1pm in order to attend an after-school activity. Your student can find the activity calendar on NKMS' website (nkms.kirkwoodschools.org/activities) to plan ahead.

Some examples of activities we will offer this year: Intramurals like basketball, volleyball, and soccer, Art Club, Books and Board Games Club, and academic labs to help your students stay on top of their work.

Students can create clubs, too! They just need to find other kids who want to join and an adult to sponsor. If they can't find a sponsor but want to start a club, they should talk with their counselor. Many of our most popular clubs have been student-created!

Students can attend one or all of the days an activity is offered. With only a few exceptions (like 8th grade basketball or a closed team like Robotics), all activities are open to any student.

The activities calendar is published on our website and is highlighted in every Wednesday newsletter.
