This form is valid for one school year. The prescribing Physician/Dentist's signature above must be licensed to practice in Texas. Temporary (2 months) orders for out of state US Physicians are acceptable to initiate treatment for transferring students. All prescription and OTC medication requires a prescribing physician signature. A physician's signature is required for changes in the original prescription order. Narcotic medication will not be given at school.

I request and authorize the Lake Dallas ISD to administer the above medication as prescribed. I understand that the school administrator may designate any qualified person or persons to administer this medication including while student is off campus on school related activities. I also understand that although a reasonable attempt will be made to remind the student, it is expected that the student will be responsible in most situations for remembering to visit the health room for his/her medicine.

I authorize the school's registered nurse and the prescribing physician to discuss and/or clarify this medication order or in the interest of this student's health, to discuss his/her response to the prescribed medication as required by the Nurse Practice Act and Medical Practice Acts of Texas. If the consent for the nurse and the doctor to consult regarding this medication order is not granted or is revoked, it may not be possible for school personnel to administer the prescribed medications.

Parent please initial:

\_\_\_\_\_ Elementary students are not permitted to transport medications to and from school.

\_\_\_\_\_ Unused medications not picked up at the end of the school year or within five days of being discontinued will be disposed of.
