Superintendent Zel E. Thomas, Ph.D.
Where we put students first!

August 20, 2024

Dauphin Junior High and Coppinville Junior High deeply value the support of our fans at all athletic events. Ensuring the safety and security of our students and community supporters is our top priority. We are grateful for the diligent efforts of the Enterprise Police Department and the SROs in providing a safe environment for all attendees at home games.

To enhance both safety and the overall experience at our athletic events, Enterprise City Schools is implementing a new policy for our junior high athletic events that mirrors the policy already held for Enterprise High School Athletic Events. Effective August 22, 2024, individuals under the age of 16 must be accompanied by a parent, guardian, or supervising adult to attend any home athletic event at Dauphin Junior High, Coppinville Junior High, Enterprise High School, or Bates Memorial Stadium. If necessary, individuals should be prepared to present identification verifying their age. All students will be expected to sit with their friends, parents, or guardians and not walk around the athletic facility unless going to the restroom or concession stands. It is the expectation of Enterprise City Schools that ALL fans who attend the events support and cheer for their team while showing respect for their opponents. Additionally, please note that backpacks will not be permitted inside the event venue to ensure a secure environment for all.

We appreciate your continued support of Dauphin Junior High and Coppinville Junior High athletics and look forward to seeing everyone at future events.

Go Eagles! Go Fins! Go Cats!

Sincerely,

Dr. Zel Thomas, Superintendent
Enterprise City Schools
