Dear AP Students and Parents:

East Islip will conduct our Advanced Placement examinations in the traditional pencil and paper format from May 6, 2024, to May 17, 2024. All students enrolled in AP courses will take the exams onsite according to the schedule located on the following page.

All students are to report to the gymnasium. For morning examinations, all students must enter the exam site by **7:10 a.m.** Once the exam begins, no students may enter late. The exam will end at approximately 11:15 a.m. For afternoon examinations, all students must enter the examination site by **11:20 a.m.** This exam will end approximately 3:10 p.m. Once again, when the exam begins, no students may enter late.

Any student that does not sit for an exam and has already paid, will receive a refund in late June less a \$40.00 fee imposed by The College Board.

Each student received an email regarding appropriate student materials for exam day in their College Board accounts. Students should review this information prior to entering the exam site.

Thank you and if you have any concerns or questions, please do not hesitate to reach out to us.

Sincerely,

Jason Stanton  
Director of Careers and Student Services

Mark Bernard  
Principal
