[AP Computer Science Course and Exam Description](#)

Program of Study: Programming & Software Development

Cluster: STEM / Information Technology

Endorsement: STEM / Business & Industry

- Meets advanced course requirement (Y/N): N
- Meets foundation requirement for math, science, fine arts, English, LOTE (Y/N-area): Y - LOTE

Industry Certification/Credentials: n/a

Potential College Credit via AP Exam

Instructional Units	Pacing
Creative Development Data Algorithms and Programming	1 st Semester
Creative Development Impact of Computing Data Computer Systems & Networks	2 nd Semester

Primary Instructional Materials: Python and Scratch
